

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Audrey Donaldson (“Donaldson”) and Conair Corporation (“Conair”), with Donaldson and Conair each individually referred to as a “Party” and collectively as the “Parties.” Donaldson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Donaldson alleges that Conair is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Donaldson alleges that Conair manufactures, sells, and distributes for sale in California, vinyl bags containing the phthalate chemical di(2-ethylhexyl) phthalate (“DEHP”). DEHP is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Donaldson alleges that Conair failed to provide the health hazard warning required by Proposition 65 for exposures to DEHP.

1.3 Product Description

The products covered by this Settlement Agreement are the “*Bebe Clear Weekender Bags*”; SAP# A 013596RS; UPC 0 79642 27145 1, manufactured, sold, or distributed for sale in California by Conair (hereinafter referred to as “Products”).

1.4 Notice of Violation

On March 27, 2019, Donaldson served Conair and the requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”), alleging that Conair violated Proposition 65 when it failed to warn its customers and consumers in California of the health hazards associated with exposures to DEHP from its Products. No public

enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

Conair denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Conair of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Conair of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Conair. This Section shall not, however, diminish or otherwise affect Conair's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean August 9, 2019.

2. INJUNCTIVE RELIEF: REFORMULATION

2.1 Reformulation Standards

"Reformulated Products" are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C, or any other methodologies utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

2.2 Reformulation Commitment

As of the Effective Date, other than Products that are already in the stream of commerce, or in existing inventory intended for distribution or sale in California, (which have been taken into account in the assessment of the civil penalty in Section 3.1 below), Conair shall not manufacture, import, distribute, sell or offer the Products for sale in the

State of California unless they are Reformulated Products pursuant to Section 2.1. The Parties agree and intend that compliance with the terms of this Settlement Agreement shall constitute compliance with Proposition 65 with respect to exposures to DEHP from the Products.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code section 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Conair agrees to pay, no later than the Effective Date, \$2,500 in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Donaldson, and delivered to the address in Section 3.3 herein. Conair will provide its payment, no later than the Effective Date, in two checks as follows: (1) “OEHHA” in the amount of \$1,875; and (2) “Audrey Donaldson” in the amount of \$625.

3.2 Attorneys’ Fees and Costs

The Parties acknowledge that Donaldson and her counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Conair expressed a desire to resolve Donaldson’s fees and costs. The Parties reached an accord on the compensation due to Donaldson’s counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, Conair agrees to pay, no later than the Effective Date, \$19,000, in the form of a check made payable to “Voorhees

& Bailey, LLP,” for all fees and costs incurred investigating, bringing this matter to the attention of Conair’s management, and negotiating a settlement.

3.3 Payment Address

All payments under this Settlement Agreement shall be delivered to the following address:

Voorhees & Bailey, LLP
990 Amarillo Avenue
Palo Alto, CA 94303

4. CLAIMS COVERED AND RELEASED

4.1 Donaldson’s Release of Proposition 65 Claims

Donaldson, acting on her own behalf, and *not* on behalf of the public, releases Conair, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, agents employees, attorneys, and each entity to whom Conair directly or indirectly distributes or sells Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, importers, and licensees (collectively, “Releasees”), from all claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to DEHP in the Products. The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Conair.

4.2 Donaldson’s Individual Release of Claims

Donaldson, in her individual capacity only and *not* in her representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys’ fees, damages, losses, claims, liabilities, and demands of Donaldson of any nature, character, or kind, whether known or unknown, suspected or unsuspected,

including but not limited to all failure to warn claims, arising out of alleged or actual exposures to DEHP in the Products manufactured, imported, distributed, or sold by Conair prior to the Effective Date. The Parties further understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Conair. Nothing in this Section affects Donaldson's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Conair's Products.

4.3 Conair's Release of Donaldson

Conair, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Donaldson and her attorneys and other representatives, for any and all actions taken or statements made by Donaldson and her attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

5. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Conair may provide written notice to Donaldson of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
