

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance, LLC and Meri Meri, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Meri Meri, Inc. ("Meri Meri"), on the other hand, with Ecological and Meri Meri collectively referred to as the "Parties."

#### 1.2. General Allegations

Ecological alleges that Meri Meri manufactured and distributed and offered for sale in the State of California notebooks containing Di(2-ethylhexyl)phthalate ("DEHP"), and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as notebooks that Meri Meri has sold, offered for sale or distributed in California and that contain DEHP. All such items shall be referred to herein as the "Products."

#### 1.4. Notice of Violation

On April 3, 2019, Ecological served Meri Meri, Homegoods, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Meri Meri and such public enforcers with notice that Meri Meri was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and

customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning the Products' compliance with Proposition 65. Meri Meri denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has imported, manufactured for sale distribution or sold in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Meri Meri of any fact, finding, concession, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Meri Meri of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Meri Meri on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Meri Meri under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed by the Parties.

**2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS**

As of the Effective Date, Meri Meri shall manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, unless such Products are labeled with a clear and reasonable Proposition 65 warning

pursuant to Section 2.2 below. Products that were supplied to third parties by Meri Meri prior to the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

**2.1. Reformulation Standards**

“Reformulated Products” are defined as the Accessible Components (meaning any component of the Products that could be touched by a person during reasonably foreseeable use) of those Products containing DEHP in concentrations of 0.1 percent (1,000 parts per million) or less when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

**2.2. Warning Language**

A Proposition 65 warning is not required on the Products that were supplied to third parties by Meri Meri prior to the Effective Date of this Settlement Agreement. Such Products shall be permitted to be sold through as previously manufactured, packaged and labeled.

Where required, Meri Meri shall provide Proposition 65 warnings on the Product’s label as follows:

(a) Meri Meri may use either of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product can expose you to chemicals including DEHP, which are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

(2) **WARNING: Cancer and Reproductive Harm –**

[www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) If Meri Meri uses either of the above warning statements to effectuate its compliance, it shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING.”

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, Meri Meri shall have no further obligations pursuant to this Settlement Agreement.

3. **Compliance with Settlement Terms.** The Parties agree that compliance with the terms of this Settlement Agreement by Meri Meri Inc. shall be deemed to be compliance with Proposition 65 by all Releasees with respect to any exposures to DEHP in the Products manufactured, distributed, or sold by Meri Meri Inc after the Effective Date of the Settlement Agreement.

4. **PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Meri Meri shall pay a total of \$500 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d),

with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement to OEHHA.

**5. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Meri Meri shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Meri Meri's attention. Meri Meri shall pay Ecological's counsel \$13,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

**6. PAYMENT INFORMATION**

By 10 day after the Effective Date of this Settlement Agreement Meri Meri shall make a total payment of Thirteen Thousand Five Hundred Dollars (\$13,500) for all civil penalties and attorney's fees / costs by check or wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:
