**SETTLEMENT AGREEMENT BETWEEN
SHEFA LMV, INC. AND COSMETIC DESIGN GROUP, LLC**

Shefa LMV, INC. (“Shefa”) and Cosmetic Design Group, LLC (“Defendant”) (collectively, “Parties”) enter into this agreement (“Settlement Agreement”) for the purpose of settling Shefa’s allegations that Defendant and its customer Ulta Salon, Cosmetics & Fragrance, Inc. and its parent Ulta Beauty, Inc. (collectively “Ulta”) violated the California Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code §25249.6 *et seq.* (“Proposition 65”). The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1.0 Introduction

1.1 Shefa is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Shefa alleges that Defendant manufactured, imported, sold, or distributed for sale in the State of California a product that contains Di [2-Ethylhexyl] Phthalate (“DEHP”) without first providing a clear and reasonable warning as required by Proposition 65.

1.3 DEHP is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

1.4 The product covered by this Settlement Agreement is UPC717897072224 Rose Gold Brush Kit (the “Covered Product”).

1.5 On January 1, 1988, the Governor of California added DEHP to the list of chemicals known to the State to cause cancer.

1.6 On October 24, 2003, the Governor of California added DEHP to the list of

chemicals known to the State to cause reproductive toxicity.

1.7 These additions took place more than twelve (12) months before Shefa served its “60-Day Notice of Violation” which is further described below.

1.8 DEHP is referred to hereinafter as the “Listed Chemical.”

1.9 On or about December 21, 2018, Shefa served Ulta, as well as certain relevant public enforcement agencies, with a document entitled “60-Day Notice Of Violation” (“Ulta Notice”) advising of its intent to sue for violations of Proposition 65 arising from or related to Covered Product containing the Listed Chemical.

1.10 On or about April 4, 2019, Shefa served Defendant, as well as certain relevant public enforcement agencies, with a document entitled “60-Day Notice Of Violation” (“CDG Notice”) advising of its intent to sue for violations of Proposition 65 arising from or related to Covered Product containing the Listed Chemical (The Ulta and CDG Notices are collectively referred to as the “Notices”).

1.11 The Notices allege that Defendant and Ulta violated Proposition 65 by failing to warn consumers in California that use of Covered Product exposed users to the Listed Chemical.

1.12 To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the same allegations against Defendant.

1.13 Defendant denies the material, factual and legal allegations contained in the Notices.

1.14 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as alleged in the Notices and as set forth below concerning the Parties’ and the Covered Product’s compliance with Proposition 65 (the “Dispute”).

1.15 By execution of this Settlement Agreement, the Parties do not admit any facts or

conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission against interest by any Party of any fact, conclusion of law, issue of law, or violation of law.

1.16 Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission against interest or evidence of fault, wrongdoing, or liability by Defendant, its officers, directors, employees, or parents, subsidiaries, or affiliated corporations, or any person acting for Defendant, or any direct or indirect customer or supplier of Defendant who sold or sells or manufactured or manufactures the Covered Product, including without limitation Ulta, in any administrative or judicial proceeding or litigation in any court, agency, or forum.

1.17 Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Shefa or Defendant may have against one another in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

2.1 This Settlement Agreement is a full, final, and binding resolution between Shefa, individually and *not* in its representative capacity, and (a) Defendant, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, members, officers, directors, insurers, agents, attorneys, predecessors, successors, and assigns (collectively the “Releasees”), and (b) all entities to or from whom Releasees directly or indirectly receive, provide, distribute, or sell the Covered Product, including but not limited to manufacturers, distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees,

including without limitation Ulta and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, members, officers, directors, insurers, agents, attorneys, predecessors, successors, and assigns (“Upstream or Downstream Releasees”) of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been, or may in the future be asserted against the Releasees and/or Upstream or Downstream Releasees regarding the Covered Product prior to the Effective Date, including any Covered Product sold by Ulta or another Downstream Releasee after the Effective Date. The Parties agree that compliance with the terms of this Settlement Agreement by Defendant shall be deemed to be compliance with Proposition 65 by Releasees and Upstream and Downstream Releasees with respect to any exposures to the Listed Chemical in the Covered Product manufactured, distributed, or sold by Defendant after the Effective Date.

2.2 Shefa, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, but not in its capacity as representative of the public, hereby waives and releases with respect to the Covered Product all rights to institute, participate in, directly or indirectly, represent a party in connection with, or in any other way assist with any action, including, without limitation, any causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys’ fees) (collectively the “Claims”), against any Releasee and/or Upstream or Downstream Releasee that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted with respect to the Covered Product sold up to the Effective Date, including without limitation to the extent that such claims relate to Releasees’ and/or Upstream or Downstream Releasees’ alleged exposure of persons to the Listed Chemical contained in the Covered Product or any failure by Releasees and

Upstream or Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Product.

2.3 If any third party on its own behalf or on behalf of the public asserts any Claim against Defendant arising under Proposition 65 that was or could have been asserted with respect to any sales of the Covered Product up to the Effective Date, then Shefa and its past and current agents, representatives, attorneys, successors, and/or assignees shall use all reasonable efforts to encourage the said third party not to prosecute or otherwise pursue further any such said Claim in view of this Settlement Agreement and provide reasonable assistance to Defendant in connection with demonstrating that Defendant already paid a civil penalty in connection with the Covered Product.

2.4 Shefa acknowledges that it is familiar with Section 1542 of the Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS [1] THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, [2] IF KNOWN BY HIM OR HER [3], WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, in its individual and *not* representative capacity, expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of, Civil Code § 1542, as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

3.0 Defendant's Duties

3.1 Commencing on the Effective Date, Defendant shall only sell or offer for sale, in California, the Covered Product if it either: (a) contains the Listed Chemical in a concentration less than or equal to 1,000 parts per million ("ppm") (0.1%) when analyzed pursuant to a scientifically reliable application of U.S. Environmental Protection Agency testing methodologies 3580A and 8270C, or any other scientifically reliable methodology for determining the Listed Chemical content in a substance of the form of the Covered Products herein; or (b) exhibits a warning in compliance with Proposition 65.

3.2 Whenever a clear and reasonable warning is required under Section 3.1 for the Covered Product offered for sale in the State of California, it shall state one of the warnings described in Section 3.3 in such a conspicuous and prominent manner as to be likely to be read and understood by the consumer prior to or at the time of the sale or purchase.

3.3 The Parties agree that any of the following warnings shall constitute a Compliant Warning for the Listed Chemical in the Covered Product:

(a) the text, **"WARNING This product can expose you to chemicals, including DEHP, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov."** accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word, "WARNING" as provided by regulations adopted on or about August 30, 2016; or

The triangular warning symbol specified in Section 3.3(a) and 3.3(b) shall be in yellow with a black exclamation mark; *provided however*, the symbol may be printed in black and white if the Covered Product label is not printed against a yellow background.

3.4 The Parties agree that the specifications for Compliant Warnings in this Settlement Agreement comply with Proposition 65 and its regulations as of the date of this Settlement Agreement, and with regulations adopted on or about August 30, 2016 and which become effective August 30, 2018.

3.5 If modifications or amendments to Proposition 65 or its regulations after the Effective Date are inconsistent with, or provide warning specifications or options different from, the specifications in this Settlement Agreement, Defendant may modify the content and delivery methods of its warnings to conform to the modified or amended provisions of Proposition 65 or its regulations.
