

SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release (“Agreement”) between Environmental Research Center, Inc. (“ERC”) and Milky Mama, LLC (“Milky Mama”) is effective on the date on which it is fully executed (“Effective Date”). ERC and Milky Mama are referred to individually as a “Party” and collectively as the “Parties.” The Parties agree as follows:

1. This matter arises out of the Notice of Violation of California Health & Safety Code §25249.5, *et seq.* (also known as “Proposition 65”) that ERC served on Milky Mama on April 25, 2019 (the “Notice”) with regard to the following products (referred to individually as “Covered Product” or collectively as “Covered Products”):

- 1) **Milky Mama Lactation Cookies Oatmeal Chocolate Chip**
- 2) **Milky Mama Emergency Brownie**
- 3) **Milky Mama Lactation Brownie**
- 4) **Milky Mama Lactation Smoothie Mix Cookies N Cream**

2. The Parties enter into this Agreement in order to fully resolve all claims, demands, and allegations regarding the Notice and for the purpose of avoiding prolonged litigation. Nothing in this Agreement shall be construed as an admission of the Parties of any fact, issue of law, or violation of law, nor shall compliance with this Agreement constitute or be construed as an admission by the Parties of any fact, issue of law or violation of law. Nothing in this Agreement or any document referred to shall be construed as giving rise to any presumption or inference of admission or concession by the Parties as to any fault, wrongdoing or liability. This Section shall not diminish or otherwise affect the obligations, responsibilities, and duties of the Parties under this Agreement.

3. **INJUNCTIVE RELIEF, REFORMULATION, TESTING AND WARNINGS**

In consideration of the following covenants and conditions contained in this Agreement, the Parties have provided the releases as set forth in Section 6 below:

3.1 Beginning on the Effective Date, Milky Mama shall be permanently enjoined from manufacturing for sale in the State of California, “Distributing into the State of California,” or directly selling in the State of California, any Covered Products which expose a person to a “Daily Lead Exposure Level” of more than 0.5 micrograms of lead per day unless it meets the warning requirements under Section 3.2.

3.1.1 As used in this Agreement, the term “Distributing into the State of California” shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that Milky Mama knows or has reason to know will sell the Covered Product in California.

3.1.2 For purposes of this Agreement, the “Daily Lead Exposure Level,” shall be measured in micrograms, and shall be calculated using the following formula: micrograms

Initials  KD

of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of recommended daily servings appearing on the label), which equals micrograms of lead exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

3.2 Clear and Reasonable Warnings

If Milky Mama is required to provide a warning pursuant to Section 3.1, the following warning must be utilized (“Warning”):

WARNING: Consuming this product can expose you to chemicals including [lead] which is [are] known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

Milky Mama shall use the phrase “cancer and” in the Warning only if the “Daily Lead Exposure Level” is greater than 15 micrograms of lead as determined pursuant to the quality control methodology set forth in Section 3.4 or if Milky Mama has reason to believe that another Proposition 65 chemical is present at a level requiring the cancer warning.

The Warning shall be securely affixed to or printed upon the packaging or label of each Covered Product offered for sale in California, and if the Warning is provided on the label, it must be set off from other surrounding information and enclosed in a box. In addition, for any Covered Product sold over the internet, the Warning shall appear on the checkout page when a California delivery address is indicated for any purchase of any Covered Product. An asterisk or other identifying method must be utilized to identify which product on the checkout page is subject to the Warning. In no event shall any internet or website Warning be contained in or made through a link.

The Warning shall be at least the same size as the largest of any other health or safety warnings also appearing on the website or on the product label or packaging and the word “**WARNING**” shall be in all capital letters and in bold print. No statements intended to or likely to have the effect of diminishing the impact of, or reducing the clarity of, the Warning on the average lay person shall accompany the Warning. Further, no statements may accompany the Warning that state or imply that the source of the listed chemical has an impact on or results in a less harmful effect of the listed chemical.

Milky Mama must display the above Warning with such conspicuousness, as compared with other words, statements or designs on the label, container, or on its website, as applicable, to render the Warning likely to be read and understood by an ordinary individual under customary conditions of purchase or use of the product.

3.3 Conforming Covered Products

A Conforming Covered Product is a Covered Product for which the “Daily Lead Exposure Level” is no greater than 0.5 micrograms of lead per day as determined by the quality control

methodology described in Section 3.4.

3.4 Testing and Quality Control Methodology

3.4.1 Beginning within one year of the Effective Date, Milky Mama shall arrange for lead testing of the Covered Products at least once a year for a minimum of three (3) consecutive years by arranging for testing of five (5) randomly selected samples of the Covered Products, in the form intended for sale to the end-user, which Milky Mama intends to sell or is manufacturing for sale in California, directly selling to a consumer in California or “Distributing into the State of California.” If tests conducted pursuant to this Section demonstrate that no Warning is required for a Covered Product during each of the three (3) consecutive years, then the testing requirements of this Section will no longer be required as to that Covered Product. However, if during or after the three-year testing period, Milky Mama changes ingredient suppliers for any of the Covered Products and/or reformulates the Covered Products, Milky Mama shall test that Covered Product annually for at least three (3) consecutive years after such change is made.

3.4.2 For purposes of measuring the “Daily Lead Exposure Level,” the highest lead detection result of the five (5) randomly selected samples of the Covered Products will be controlling.

3.4.3 All testing pursuant to this Agreement shall be performed using a laboratory method that complies with the performance and quality control factors appropriate for the method used, including limit of detection, qualification, accuracy, and precision that meets the following criteria: Inductively Coupled Plasma-Mass Spectrometry (“ICP-MS”) achieving a limit of quantification of less than or equal to 0.010 mg/kg.

3.4.4 All testing pursuant to this Agreement shall be performed by an independent third-party laboratory certified by the California Environmental Laboratory Accreditation Program or an independent third-party laboratory that is registered with the United States Food & Drug Administration.

3.4.5 Nothing in this Agreement shall limit Milky Mama’s ability to conduct, or require that others conduct, additional testing of the Covered Products, including the raw materials used in their manufacture.

3.4.6 Within thirty (30) days of ERC’s written request, Milky Mama shall deliver lab reports obtained pursuant to Section 3.4, and related documentation, to ERC. Milky Mama shall retain all such lab reports and related documentation for a period of five years from the date of each test. Any request by ERC for lab reports and related documentation shall be made prior to the expiration of the five-year time period identified in this section 3.4.6.

3.5 Nothing in this Section 3 is intended to apply to Milky Mama during any quarter of a year in which it is not a “person in the course of doing business” as defined in Cal. Health & Safety Code § 25249.11(b). Milky Mama’s status as a “person in the course of doing business”

shall be determined by the number of its Employees, as defined in 27 California Code of Regulations § 25102(h). Upon ERC's written request, Milky Mama shall provide to ERC (1) a Declaration stating the number of its employees and (2) copies of its IRS Form 941 Reports, for each quarter during the one year prior to ERC's request to document its status as a "person in the course of doing business." ERC shall be entitled to request such information for a period of three years after the Effective Date and shall not request such information more than once per calendar year.

4. Milky Mama shall make a total payment of \$32,500.00 ("Total Settlement Amount"), in two equal payments of \$16,250.00 each ("Periodic Payments"). The first Periodic Payment shall be made within 10 days of the Effective Date ("First Due Date"), and the second Periodic Payment shall be made within 30 days of the First Due Date ("Second Due Date"). Payments shall be made by wire transfer to ERC's account for which ERC will give Milky Mama the necessary account information. The Total Settlement Amount shall be allocated as follows:

a. \$17,404.33 shall be considered a civil penalty pursuant to California Health and Safety Code §25249.7(b)(1). ERC shall remit 75% (\$13,053.25) of the civil penalty to the Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety Code §25249.12(c). ERC will retain the remaining 25% (\$4,351.08) of the civil penalty.

b. \$1,405.93 shall be considered a reimbursement to ERC for its costs incurred as a result of bringing this matter to Milky Mama's attention and negotiating a settlement.

c. \$9,180.00 shall be distributed to the Law Office of Richard M. Franco as reimbursement of ERC's attorney's fees, while \$4,509.74 shall be considered reimbursement for ERC's in-house legal fees.

d. In the event that Milky Mama fails to remit the Periodic Payments owed under Section 4 of this Agreement on or before the applicable First or Second Due Date, Milky Mama shall be deemed to be in material breach of its obligations under this Agreement. ERC shall provide written notice of the delinquency to Milky Mama via electronic and/or certified mail. If Milky Mama fails to deliver the delinquent payment within 10 days of the delivery of written notice, the Total Settlement Amount, less any amounts previously paid pursuant to Section 4, shall be immediately due and owing and shall accrue interest at the statutory judgment interest rate provided in the California Code of Civil Procedure section 685.010. Milky Mama agrees to pay ERC's reasonable attorneys' fees and costs for any efforts to collect the Periodic Payment(s) due under this Agreement.

5. Except as expressly set forth in Section 4, the Parties shall bear their own costs, expenses, and attorneys' fees related to the claims raised in the Notice.

6. Binding Effect; Claims Covered and Released

6.1. This Agreement is a full, final, and binding resolution between ERC, on behalf of itself, and Milky Mama and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, suppliers, franchisees, licensees, customers (not including private label customers of Milky Mama), distributors, wholesalers, retailers, and all other upstream and downstream entities in the distribution chain of the Covered Products, and the predecessors, successors, and assigns of any of them (collectively, "Released Parties"). ERC, on behalf of itself and in the public interest, hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted from the handling, use, or consumption of the Covered Products, as to any alleged violation of Proposition 65 or its implementing regulations arising from the failure to provide Proposition 65 warnings on the Covered Products regarding lead up to and including the Effective Date.

6.2 ERC on its own behalf only, and Milky Mama on its own behalf only, further waive and release any and all claims they may have against each other for all actions or statements made or undertaken in the course of seeking or opposing enforcement of Proposition 65 in connection with the Notice up through and including the Effective Date, provided, however, that nothing in Section 6 shall affect or limit any Party's right to seek to enforce the terms of this Agreement.

6.3 It is possible that other claims not known to the Parties, arising out of the facts alleged in the Notice, and relating to the Covered Products, will develop or be discovered. ERC, on behalf of itself only, and Milky Mama, on behalf of itself only, acknowledge that this Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore. ERC and Milky Mama acknowledge that the claims released in Sections 6.1 and 6.2 above may include unknown claims, and the Parties nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

(i) A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

ERC, on behalf of itself only, and Milky Mama, on behalf of itself only, acknowledge and understand the significance and consequences of this specific waiver of California Civil Code section 1542.

6.4 Compliance with the terms of this Agreement shall be deemed to constitute compliance with Proposition 65 by any releasee regarding alleged exposures to lead in the Covered Products as set forth in the Notice.

Initials 

6.5 Nothing in this Agreement is intended to apply to any occupational or environmental exposures arising under Proposition 65, nor shall it apply to any of Milky Mama's products other than the Covered Products.

7. Nothing herein shall be construed as diminishing Milky Mama's continuing obligations to comply with Proposition 65.

8. All notices required to be given to either Party to this Agreement by the other shall be in writing and sent to the following agents listed below via first-class mail, or via electronic mail where required. Courtesy copies of notices sent via first-class mail may also be sent via email.
