8 Counsel for Plaintiff
9 ECOLOGICAL RIGHTS FOUNDATION

10
11 **SUPERIOR COURT OF THE STATE OF CALIFORNIA**
12 **COUNTY OF ALAMEDA**

13
14 ECOLOGICAL RIGHTS FOUNDATION,
15 Plaintiff,
16 v.
17 AMAZON.COM, INC., et al.,
18 Defendants.

Case No. 22CV011540
(Consolidated with Case Nos. 22CV020002
and 22CV022798)

**[PROPOSED] CONSENT JUDGMENT AS
TO DEFENDANT AMAZON.COM, INC.**

19
20 **1. INTRODUCTION**

21 1.1 On May 19, 2022, the Ecological Rights Foundation (“ERF”), acting on behalf of itself
22 and the general public, filed a Complaint for civil penalties and injunctive relief (“Complaint”) in
23 Alameda County Superior Court, Case No. 22CV011540, against defendant AMAZON.COM, INC.,
24 hereinafter “Amazon” or “Defendant.” On October 19, 2022, ERF, acting on behalf of itself and the
25 general public, filed a Complaint for civil penalties and injunctive relief in Alameda County Superior
26 Court, Case No. 22CV020002, against Defendant. On November 29, 2022, ERF, acting on behalf of
27 itself and the general public, filed a Complaint for civil penalties and injunctive relief in Alameda
28 County Superior Court, Case No. 22CV022798, against Defendant. All three Complaints are referred

1 to collectively herein as the “Complaints.” On August 31, 2023, Case Nos. 22CV011540,
2 22CV020002, and 22CV022798 were consolidated for all purposes, with Case No. 22CV011540
3 designated the lead case.

4 1.2 The Complaints allege that Defendant violated provisions of the Safe Drinking Water
5 and Toxic Enforcement Act of 1986, Health and Safety Code Sections 25249.5, *et seq.* (“Proposition
6 65”) by failing to give clear and reasonable warnings pursuant to Health and Safety Code Section
7 25249.6 to those residents of California who use filaments incorporating a styrene monomer, and 3D
8 Pens and 3D Printers intended to be used with filaments incorporating a styrene monomer, that
9 Defendant distributes, markets, or offers for sale in the State of California. The Complaints further
10 allege that use of these filaments, 3D Pens, and 3D Printers results in release of Styrene, a chemical
11 known to the State of California to cause cancer, into the air, exposing users and others standing in
12 the same room through inhalation to Styrene in the normal course of use. ERF further alleges that the
13 Complaints were based upon three 60-Day Notice letters sent by ERF on April 24, 2019 to Defendant,
14 the California Attorney General, all District Attorneys, and all City Attorneys with populations
15 exceeding 750,000: (i) AG Notice # 2019-00884 for Alameda Case No. 22CV011540, (ii) AG Notice
16 # 2019-00885 for Alameda Case No. 22CV020002, and (iii) AG Notice # 2019-00886 for Alameda
17 Case No. 22CV022798. All three Notices are referred to collectively herein as the “Notices.”

18 1.3 For purposes of this Consent Judgment, “Covered Products” are the specific products
19 listed by Amazon Standard Identification Number (ASIN) on the attached Exhibit A for filaments
20 incorporating a styrene monomer, Exhibit B for 3D Printers, and Exhibit C for 3D Pens.

21 1.4 Defendant is a business that employs more than ten persons, and operates an online
22 marketplace on which Covered Products were sold.

23 1.5 For purposes of this Consent Judgment only, ERF and Amazon (“the Parties”) stipulate
24 that this Court has jurisdiction over the allegations of violations contained in the Complaints and
25 personal jurisdiction over Defendant, that venue is proper in the County of Alameda, and that this
26 Court has jurisdiction to enter this Consent Judgment as a full settlement and resolution of the
27 allegations contained in the Complaints.

28 1.6 This Consent Judgment resolves claims that are denied and disputed. The Parties enter

1 into this Consent Judgment in full and final settlement of any and all claims between the Parties based
2 on the Notices and the Complaints, for the purpose of avoiding prolonged litigation. This Consent
3 Judgment shall not constitute an admission with respect to any material allegation in the Notices or
4 the Complaints, each and every allegation of which Defendant denies, nor may this Consent Judgment,
5 or compliance with it, be used as evidence of any alleged wrongdoing, misconduct, culpability or
6 liability on the part of Defendant.

7 1.7 The term “Effective Date” means the date that this Consent Judgment is entered by the
8 Court.

9 **2. INJUNCTIVE RELIEF**

10 **2.1 Warnings Statements on Covered Products**

11 (a) Within thirty (30) days of the Effective Date, with regard to all Covered Products
12 offered for sale in California on amazon.com, for which a Section 2.1(b) warning does not appear as
13 of the Effective Date on the Covered Product’s online product page on amazon.com, Defendant shall,
14 for each of the Covered Products, either:

15 (1) provide the Section 2.1(b) warning on each Covered Product’s online product page
16 on amazon.com by (A) Defendant applying the Section 2.1(b) warning itself, or (B) Defendant
17 instructing vendors and third-party sellers of the Covered Products to fulfill their existing
18 contractual obligation by providing the Section 2.1(b) warning on each Covered Product’s
19 online product page on amazon.com and Defendant confirming prompt placement of the
20 Section 2.1(b) warning on each Covered Product’s online product page on amazon.com; or

21 (2) cease offering the Covered Products without a Section 2.1(b) warning for sale in
22 California on amazon.com.

23 (b) The warning required by Section 2.1(a) shall be provided in a conspicuous and
24 prominent manner such that it will be likely to be read or seen by the consumer prior to or at the time
25 of the sale or purchase. The warning set forth below shall be required for each Covered Product:

26 **⚠ WARNING:** This product can expose you to chemicals including Styrene which is known to
27 the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

28 The word “WARNING” shall be in upper case letters and bold. The warning symbol to the left of the

1 word “WARNING” must be a black exclamation point in a yellow equilateral triangle with a black
2 outline.

3 (c) Amazon shall notify in writing all vendors and third-party sellers of the Covered
4 Products of the legal requirement to provide the Section 2.1(b) warning statement for each Covered
5 Product online, and that the California Attorney General requires that vendors and third-party sellers
6 of the Covered Products that are subject to Proposition 65 also apply the Section 2.1(b) warning
7 statement, or a Proposition 65 compliant warning, directly on the packaging of the Covered Products.
8 Amazon shall not be responsible or liable for failures of any vendors or third-party sellers of the
9 Covered Products to fulfill their independent Proposition 65 obligations.

10 (d) To the extent that the product information for any of the Covered Products appears in
11 a foreign language (e.g., if a potential purchaser chooses to review amazon.com’s website in Spanish,
12 using amazon.com’s translation feature), the Proposition 65 warning shall appear in the same foreign
13 language.

14 (f) The Parties agree that the Section 2.1 warnings set forth above shall constitute
15 compliance by Amazon with Proposition 65 with respect to any Covered Products.

16 **2.2 Covered Products in the Stream of Commerce**

17 Any Covered Products that have been distributed, shipped, or sold prior to the Effective Date,
18 shall not be subject to the requirements of Section 2.1.

19 **2.3 Notice to Cure**

20 To the extent ERF identifies any Covered Product on amazon.com in the future which it
21 believes is not in compliance with this Consent Judgment, ERF agrees to advise Amazon of such
22 alleged breach in the manner set forth in Section 14.2, and provide Amazon with 20 business days
23 (calculated from the date notice is provided) to cure any alleged violation of this Consent Judgment
24 (the “Notice to Cure”). Such Notice to Cure shall contain, to the extent known by ERF, information
25 sufficient for Amazon to identify the Covered Product, including but not limited to the ASIN for such
26 product and a screenshot of the Covered Product’s online listing on amazon.com.

27 ERF shall not be entitled to seek or recover any civil penalties, and ERF and its counsel shall
28 not be entitled to recovery or reimbursement of attorney’s fees and/or costs, or any other available

1 remedies arising from or related to any Notices to Cure, provided Amazon timely remedies the alleged
2 non-compliance within 20 business days of receiving the Notice to Cure by Amazon (1) adding a
3 Section 2.1(b) warning on the amazon.com online product page for the Covered Product, or (2)
4 delisting the Covered Product from amazon.com, or (3) ceasing to offer the Covered Product for sale
5 in California.

6 If Amazon provides notice and proof to ERF that it has so remedied the alleged non-
7 compliance within 20 business days of receiving the Notice to Cure, Amazon shall not be deemed in
8 breach or violation of this Consent Judgment in any respect.

9 In the absence of Amazon curing within 20 business days of receiving the Notice to Cure, ERF
10 may bring an action to enforce this Consent Judgment to seek additional civil penalties,
11 reimbursement of reasonable attorney’s fees and costs, injunctive relief, and any other available
12 remedies, or bring a new Proposition 65 action.

13 2.4 The injunctive relief awarded herein applies only to Covered Products for sale in
14 California on amazon.com.

15 **3. SETTLEMENT PAYMENTS**

16 **3.1 Civil Penalties**

17 Pursuant to Health and Safety Code section 25249.7(b)(2), Defendant shall pay \$2,000.00 in
18 civil penalties. The penalty payment will be allocated in accordance with California Health and Safety
19 Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office
20 of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty
21 amount paid to Ecological Rights Foundation.

22 Amazon shall make the above payment within 30 days of the Effective Date of this Agreement
23 via electronic transfer to the Law Offices of Brian Gaffney APC (“Law Offices”) pursuant to the
24 wiring instructions that shall be confirmed in written correspondence between counsel. Such payment
25 shall only be made after Amazon’s receipt of a current W-9 for the Law Offices.

26 Law Offices will thereafter timely provide payments in two checks for the following amounts
27 made payable to: 1) “OEHHA” in the amount of \$1,500.00 and 2) “Ecological Rights Foundation” in
28 the amount of \$500.00. These payments shall be sent to the following addresses:

1 All payments to Ecological Rights Foundation shall be delivered to:

2 Ecological Rights Foundation
3 C/O Taun Moondy
4 P.O. Box 2174
Redway, CA 95560

5 The payment to OEHHA shall be delivered to:

6 Mike Gyurics
7 Fiscal Operations Branch Chief
8 Office of Environmental Health Hazard Assessment
9 P.O. Box 4010
Sacramento, CA 95812-4010

10 **3.2 Attorneys' Fees and Litigation Costs**

11 Defendant shall reimburse ERF's counsel for \$68,000.00 in ERF's fees and costs incurred as
12 a result of investigating and bringing this matter to Defendant's attention and negotiating a settlement
13 in the public interest. The payment shall be made within 30 days via electronic transfer in the same
14 manner as set forth above in Section 3.1.

15 **4. RELEASE OF ALL CLAIMS**

16 **4.1 Release of Defendant**

17 ERF, acting on its own behalf and on behalf of each of its past, current, and future agents,
18 representatives, attorneys, successors and/or assignees (all of whom, collectively, are defined as the
19 "ERF Releasers") and in a representative capacity in the public interest under Health & Safety Code
20 § 25249.7, releases Defendant, and its past, current, and future direct and indirect subsidiaries,
21 affiliated entities under common ownership, predecessors, successors, directors, officers, managers,
22 shareholders, members, agents, employees, assignees, and attorneys (collectively, Releasees), of,
23 from, and with regard to any and all alleged or actual violations of Proposition 65 through the Effective
24 Date for failure to warn about exposures to Styrene from the Covered Products that were offered for
25 sale or sold on amazon.com prior to the Effective Date, including as set forth in the Notices and/or
26 Complaints ("Released Allegations"). This settlement is a full, final and binding resolution of all
27 claims that were asserted against the Releasees in the Notices or the Complaints for alleged failure to
28 provide warnings under Proposition 65 for alleged exposures to Styrene from use of the Covered

1 Products that were offered for sale or sold on amazon.com prior to the Effective Date. This release
2 does not apply to any product brought to Defendant's attention and not timely cured as provided in
3 Section 2.3 *supra*. This release does not apply to any vendors or third-party sellers of the Covered
4 Products.

5 In further consideration of the promises and agreements herein contained, and for the payment
6 to be made pursuant to Section 3 above, the ERF Releasors provide a release herein, which shall be
7 effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations,
8 costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands against the Releasees
9 of any nature, character, or kind, arising out of the claims and allegations set forth in the Notices or
10 the Complaints for the alleged failure to provide warnings for alleged exposure to Styrene from use
11 of the Covered Products.

12 **4.2 Defendant's Release of ERF**

13 Defendant, on behalf of itself and the Releasees, hereby waives any and all claims against ERF
14 and the ERF Releasors for any and all actions taken or statements made (or those that could have been
15 taken or made) by ERF and/or its attorneys and other representatives, whether in the course of
16 investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with
17 respect to the Covered Products.

18 **4.3 California Civil Code Section 1542**

19 It is possible that other claims not known to the Parties arising out of the facts alleged in the
20 Notices or the Complaints, and relating to the Covered Products, will develop or be discovered. ERF
21 on behalf of itself only, on one hand, and Defendant, on the other hand, acknowledge that this
22 Agreement is expressly intended to cover and include all such claims up through the Effective Date,
23 including all rights of action therefor. The Parties acknowledge that the claims released in Sections
24 4.1 and 4.2 above may include unknown claims, and nevertheless waive California Civil Code section
25 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

26 A general release does not extend to claims that the creditor or releasing party does not
27 know or suspect to exist in his or her favor at the time of executing the release, and
28 that if known by him or her, would have materially affected his or her settlement with
the debtor or released party.

1 ERF and Defendant each acknowledge and understand the significance and consequences of
2 this specific waiver of California Civil Code section 1542.

3 **5. ENFORCEMENT OF JUDGMENT**

4 The terms of this Consent Judgment shall be enforced exclusively by the Parties hereto.
5 Notwithstanding Section 4.1 *supra*, the Parties may, by noticed motion or order to show cause before
6 the Superior Court of Alameda County, giving the notice required by law, enforce the terms and
7 conditions contained herein. In the event that a dispute arises with respect to any of the provisions of
8 this Consent Judgment, the Parties shall meet and confer within 10 days after either Party receives
9 written notice of an alleged violation of this Agreement. In any proceeding brought by either Party
10 to enforce this Consent Judgment, ERF may seek whatever fines, costs, penalties or remedies as may
11 be provided by law for any violation of Proposition 65 or this Consent Judgment. This Section is
12 subject to Amazon’s right to timely cure as set forth in Sections 2.2 *supra*.

13 **6. MODIFICATION OF JUDGMENT**

14 This Consent Judgment may be modified only upon written agreement of the Parties and upon
15 entry of a modified Consent Judgment by the Court thereon, or upon a successful motion of any Party
16 as provided by law and upon entry of a modified Consent Judgment by the Court thereon. Any Party
17 seeking to modify this Consent Judgment shall attempt in good faith to meet and confer with all
18 affected Parties prior to filing a motion to modify the Consent Judgment.

19 **7. TERMINATION AND RETENTION OF JURISDICTION**

20 This Court shall retain jurisdiction of this matter to implement and enforce the terms this
21 Consent Judgment.

22 **8. AUTHORITY TO STIPULATE**

23 Each signatory to this Consent Judgment certifies that he or she is fully authorized by the Party
24 he or she represents to enter into this Consent Judgment and to execute it on behalf of the Party
25 represented and legally to bind that Party.

26 **9. SERVICE ON THE ATTORNEY GENERAL**

27 ERF shall serve a copy of this Consent Judgment, signed by both Parties, on the California
28 Attorney General concurrently with filing and serving the motion for approval in court. Service on

1 the Attorney General shall occur no later than forty five (45) days prior to the date the motion for
2 approval will be heard in court.

3 **10. ENTIRE AGREEMENT**

4 This Consent Judgment contains the sole and entire agreement and understanding of the Parties
5 with respect to the entire subject matter hereof and any and all prior discussions, negotiations,
6 commitments and understandings related hereto. No representations, oral or otherwise, express or
7 implied, other than those contained herein have been made by any Party hereto. No other agreements
8 not specifically referred to herein, oral or otherwise, shall be deemed to exist or to bind any of the
9 Parties. For the avoidance of doubt, the Parties agree that the prior version of this proposed Consent
10 Judgment executed by the Parties in February 2024 is void, unenforceable, and of no effect, and no
11 Party shall attempt to enforce it or use it against the other Party for any purpose.

12 **11. GOVERNING LAW**

13 The validity, construction and performance of this Consent Judgment shall be governed by the
14 laws of the State of California, without reference to any conflicts of law provisions of California law.

15 In the event that Proposition 65 is repealed, preempted, or is rendered inapplicable by
16 amendment or reason of law generally, as to any of the Covered Products and any of the alleged
17 violations set forth in the Notices or Complaints, then Defendant may seek modification of this
18 Consent Judgment pursuant to section 6 above. Nothing in this Consent Judgment shall be
19 interpreted to relieve Defendant from its obligation to comply with any other applicable state or
20 federal law or regulation.

21 The Parties agree that if the Office of Environmental Health Hazard Assessment changes any
22 of its applicable regulations, including its warning regulations, then Defendant will continue to
23 conform with the terms provided in this Consent Judgment if the new implementing regulations so
24 allow.

25 **12. EXECUTION AND COUNTERPARTS**

26 This Consent Judgment may be executed in counterparts which taken together shall be deemed
27 to constitute one document.

28

1 **13. COURT APPROVAL**

2 If this Consent Judgment is not approved by the Court, it shall be of no force or effect, and
3 cannot be used in any proceeding for any purpose.

4 **14. NOTICES**

5 14.1 In the event that a dispute arises with respect to any of the provisions of this
6 Agreement, the Parties shall meet and confer within 14 days after either Party receives written notice
7 of an alleged violation of this Agreement.

8 14.2 Any notices or payments due under this Consent Judgment shall be sent by USPS
9 certified mail, return receipt requested.
