2 ABS) filaments and high impact polystyrene (HIPS) filaments, (collectively “Covered
3 Products”), in the operation of 3d printers or 3d pens. The Complaint further alleges that use of
4 such Covered Products in the operation of 3d printers or 3d pens expose people to Styrene, a
5 chemical known to the State of California to cause cancer. The Complaint was based upon a 60-
6 Day Notice letter, sent by ERF on April 24, 2019 (“the April 24, 2019 Notice Letter”) to
7 SHAXON, Fry’s Electronics, Inc. and the California Attorney General, all District Attorneys,
8 and all City Attorneys with populations exceeding 750,000.

9 SHAXON is a business that employ more than ten persons, and manufactures, distributes,
10 and sell Covered Products. Covered Products that SHAXON distributes, markets and sells -
11 when heated in the operation of 3d printers or 3d pens - release Styrene into the air. People using
12 the Covered Products in the operation of 3d printers or 3d pens, and others standing in the same
13 room, inhale styrene in the normal course of use. Pursuant to Health and Safety Code Section
14 25249.8, Styrene is a chemical known to the State of California to cause cancer. ERF alleges
15 that Covered Products that are manufactured, distributed or sold by Defendant for use in
16 California require a warning under Proposition 65, pursuant to Health and Safety Code Section
17 25249.6.

18 For purposes of this Consent Judgment, ERF and SHAXON (each a “Party” and
19 collectively, the “Parties”) stipulate that this Court has jurisdiction over the allegations of
20 violations contained in the Complaint and personal jurisdiction over SHAXON, that venue is
21 proper in the County of San Francisco, and that this Court has jurisdiction to enter this Consent
22 Judgment as a full settlement and resolution of the allegations contained in the Complaint.

23 1.2 This Consent Judgment resolves claims that are denied and disputed. The Parties
24 enter into this Consent Judgment pursuant to a full and final settlement of any and all claims
25 between the Parties for the purpose of avoiding prolonged litigation. This Consent Judgment
26 shall not constitute an admission with respect to any material allegation of the Complaint, each
27 and every allegation of which SHAXON denies, nor may this Consent Judgment, or compliance

3 and binding resolution of all claims that were or could have been asserted against SHAXON,
4 and/or the Releasees for failure to provide warnings for alleged exposures to Styrene contained
5 in the Covered Products.

6 In further consideration of the promises and agreements herein contained, and for the

3 itself only, on one hand, and SHAXON, on the other hand, acknowledge that this Agreement is
4 expressly intended to cover and include all such claims up through the Effective Date, including

22 Judgment.

13 Judgment, and in the absence of any written objection by the Attorney General to the terms of
14 this Consent Judgment, the Parties may then submit it to the Court for approval.
