

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance, LLC and Alimentos Procesados de Carnaza

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Alimentos Procesados de Carnaza ("Alimentos"), on the other hand, with Ecological and Alimentos collectively referred to as the "Parties."

#### 1.2. General Allegations

Ecological alleges that Alimentos distributed and/or offered for sale in the State of California rawhide donuts with packaging containing Di(2-ethylhexyl)phthalate [DEHP] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as rawhide dog chews/treats with packaging that Alimentos has or caused to be sold, offered for sale or distributed in California and that contain DEHP. All such items shall be referred to herein as the "Products."

#### 1.4. Notice of Violation

On May 21, 2019, Ecological served Alimentos, Dolgen California LLC, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation"

("Notice") that provided Alimentos and such public enforcers with notice that Alimentos was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Alimentos's compliance with Proposition 65. Specifically, Alimentos denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 and any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Alimentos of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Alimentos of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Alimentos. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Alimentos under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

## 2. INJUNCTIVE RELIEF: REFORMULATED PRODUCTS & WARNING

Commencing on the Effective Date and continuing thereafter, Alimentos agrees to only ship for sale, sell, or offer for sale, in California, Products that are either (a) Products bearing one of the Proposition 65-compliant warnings, as provided in Sections 2.1 and 2.2, below; or (b) Reformulated Products, as defined, pursuant to Section 2.3.

### 2.1. Warning

No later than 90 days after the Effective Date, Alimentos shall only sell or offer for sale in California Products that are accompanied by a warning as described in Section 2.2 below unless the Product contains no more than 1,000 parts per million DEHP. The warning requirements set forth in Section 2.2 shall apply only to products distributed, marketed sold or shipped for sale in the state for California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Alimentos places into the stream of commerce within 90 days of the Effective Date.

### 2.2. Warning Language

Where required, Alimentos shall provide Proposition 65 warnings as follows:

- (a) Alimentos may use any of the following warning statements in full compliance with this Section:

- (1) **WARNING:** This product can expose you to chemicals including Diisononyl phthalate (DEHP), which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more info go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
- (2) **WARNING:** Cancer and Reproductive Harm – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) The warning shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP or the Products should no longer be required, Alimentos shall have no further obligations pursuant to this Settlement Agreement.

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Alimentos shall be entitled to use, at their discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

### 2.3 **Reformulated Products Defined.**

As an alternative to providing a warning label on Products, Alimentos agrees to reformulate Products. For purposes of this Settlement Agreement, "Reformulated Products" are defined as Products containing DEHP in maximum concentrations of less than 0.1 percent (1,000 parts per million) in any Accessible Component when analyzed by a laboratory accredited by the State of California, a federal agency, or a nationally accrediting organization. For purposes of

this Settlement Agreement, "Accessible Component" is defined as a component of a Product that can be touched by a person during normal, intended and reasonable foreseeable use of the Product. Products that meet the definition of Reformulated Products are exempt from the warning requirements of Health & Safety Code § 25249.6. For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission ("CPSC") methodology CPSC-CH-C1001.09.3 and analyzed using U.S. Environmental Protection Agency ("EPA") methodology 8270D, or other methodologies utilized by federal or state agencies for the purpose of determining DEHP content in a solid substance.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Alimentos shall pay a total of \$200 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's and Ecological's portions of any penalty payment made under this Settlement Agreement.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Alimentos shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Alimentos's attention. Alimentos shall pay Ecological's counsel \$18,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. **PAYMENT INFORMATION**

On or before August 12, 2019, Alimentos shall make a total payment of Eighteen Thousand Two Hundred Dollars (\$18,200) for the civil penalties and attorney's fees / costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:
