

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and J.L. Childress Co., Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and J.L. Childress Co., Inc. ("Childress"), on the other hand, with Ecological and Childress collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that Childress distributed and offered for sale in the State of California diapering stations containing Di(2-ethylhexyl)phthalate [DEHP] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as reusable packaging for diapering stations and juvenile products, excluding disposable packaging or point of sale hangars not subject to Prop. 65 regulation, that Childress has or caused to be sold, offered for sale or distributed in California and that contain DEHP or other Prop 65 restricted phthalates. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On May 28, 2019, Ecological served Childress, Buy Buy Baby, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that

provided Childress and such public enforcers with notice that Childress was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Childress's compliance with Proposition 65. Specifically, Childress denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 and any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Childress of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Childress of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Childress. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Childress under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. **INJUNCTIVE RELIEF: WARNING**

2.1. **Warning**

No later than 90 days after the Effective Date, Childress shall only manufacture and sell in California Products that are accompanied by a warning as described in Section 2.2 below unless the Product contains no more than 1,000 parts per million DEHP or other Prop. 65 listed phthalate. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Childress places into the stream of commerce within 90 days of the Effective Date.

2.2. **Warning Language**

Where required, Childress shall provide Proposition 65 warnings as follows:

(a) Childress may use any of the following warning statements in full compliance with this Section:

(b) The warning shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP or the Products should no longer be required, Childress shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Childress shall pay a total of \$100 in civil penalties in accordance with this Section. Ecological's counsel shall be responsible for delivering OEHHA's and Ecological's portions of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Childress shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Childress's attention. Childress shall pay Ecological's counsel \$8,500 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

6.2. Childress's Release of Ecological
