

## SETTLEMENT AGREEMENT

### 1. INTRODUCTION

**1.1 The Parties.** This Settlement Agreement is entered into by and between Ema Bell (“Bell”) and MiWorld Accessories, LLC (“MiWorld”). Together, Bell and MiWorld are collectively referred to as the “Parties.” Bell is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Bell alleges that MiWorld is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

**1.2 General Allegations.** Bell alleges that MiWorld has exposed individuals to the chemical di(2-ethylhexyl) phthalate (DEHP) from its sales of SoTech headphones without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and reproductive toxicity.

**1.3 Product Description.** The products covered by this Settlement Agreement are SoTech headphones (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by MiWorld.

**1.4 Notice of Violation.** On June 11, 2019, Bell served MiWorld and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided MiWorld and such others, including public enforcers, with notice that alleged that MiWorld was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEHP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

**1.5 No Admission.** MiWorld denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws.

Nothing in this Settlement Agreement shall be construed as an admission by MiWorld of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by MiWorld of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by MiWorld. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, MiWorld maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

**1.6 Effective Date.** For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

## **2. INJUNCTIVE RELIEF:**

**2.1 Reformulation of or Warnings for Products.** As of the Effective Date, and continuing thereafter, Products that MiWorld directly manufactures, imports, distributes, sells, or offers for sale in California shall either: (a) be Reformulated Products pursuant to § 2.2, below; or (b) be labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 and 2.4, below. There shall be no obligation for MiWorld to provide an exposure warning for Products that entered the stream of commerce prior to the Effective Date.

**2.2 Reformulation Standard.** “Reformulated Products” shall mean Products that contain concentrations less than or equal to 0.1% (1,000 parts per million (ppm)) of DEHP when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining the phthalate content in a solid substance.

**2.3 Clear and Reasonable Warning.** Products that require a warning pursuant to § 2.1 shall have either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning:**

 **WARNING:** This product can expose you to chemicals including di(2-ethylhexyl) phthalate (DEHP), which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) **Alternative Warning:**

 **WARNING:** Cancer and Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

**2.4** A **Warning** or **Alternative Warning** provided pursuant to § 2.3 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The warning shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, providing that the warning is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The warning may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings.

**2.5 Compliance with Warning Regulations.** For any Products that require a warning pursuant to § 2.1, the Parties agree that MiWorld shall be deemed to be in compliance with this Settlement Agreement by either adhering to §§ 2.3 and 2.4 of this Settlement Agreement or by complying with warning regulations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”) after the Effective Date.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)**

#### **4. REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that Bell and her counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Bell and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, MiWorld shall reimburse Bell’s counsel \$14,000.00 for fees and costs incurred as a result of investigating and bringing this matter to MiWorld’s attention, and negotiating a settlement in the public interest. Payment pursuant to this Section shall be as follows: (a) Within ten business (10) days of the Effective Date, MiWorld shall issue a check payable to “Brodsky & Smith, LLC” in the amount of \$6,500.00 for delivery to the address identified in § 3.2(a)(i), above; and (b) Within forty five (45) days of the Effective Date, MiWorld shall issue a check payable to “Brodsky & Smith, LLC” in the amount of \$7,500.00 for delivery to the address identified in § 3.2(a)(i), above. #### **5. RELEASE OF ALL CLAIMS**

**5.1 Release of MiWorld and Downstream Customers and Entities.** This Settlement Agreement is a full, final and binding resolution between Bell, acting on her own behalf, and MiWorld, of any violation of Proposition 65 that was or could have been asserted by Bell or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”) for failure to provide warnings for alleged exposures to DEHP contained in the Products, and Releasers hereby release any such claims against MiWorld and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom MiWorld directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Rue 21, Inc., and its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the “Releasees”), from all claims for violations of Proposition 65 through the Effective Date.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Bell, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DEHP in the Products.

**5.2 California Civil Code § 1542.** It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Bell on behalf of herself onlyacknowledges that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. Bell acknowledges that the claims released in § 5.1 and above, may include unknown

claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Bell acknowledges and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

**5.3 Deemed Compliance with Proposition 65.** The Parties agree that compliance by MiWorld with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEHP from use of the Products.

**5.4 Public Benefit.** It is MiWorld's understanding that the commitments it has agreed to herein, and actions to be taken by MiWorld under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of MiWorld that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to MiWorld failure to provide a warning concerning exposure to DEHP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that MiWorld is in material compliance with this Settlement Agreement.

## **6. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the

Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, MiWorld shall provide written notice to Bell of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.
