1.7 **No Admission**

This Consent Judgment resolves claims that are denied and disputed. The Parties enter into this Consent Judgment pursuant to a full and final settlement of any and all claims between the Parties for the purpose of avoiding prolonged litigation. Defendant expressly maintains that all of its warnings on the Covered Products provide a clear and reasonable warning of exposure to Lead, Arsenic, and Cadmium from the Covered Products and that said Proposition 65 compliant warnings were on the Covered Products prior to the filing of the Complaints. Nothing in this Consent Judgment shall be construed as an admission by the Parties of any material allegation of the Complaints (each and every allegation of which Defendant denies), any fact, conclusion of law, issue of law or violation of law, including without limitation, any admission concerning any violation of Proposition 65 or any other statutory, regulatory, common law, or equitable doctrine, or the meaning of the terms "knowingly and intentionally expose" or "clear and reasonable warning" as used in Health and Safety Code section 25249.6. Nothing in this Consent Judgment, nor compliance with its terms, shall constitute or be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law, or of fault, wrongdoing, or liability by any Defendant, its officers, directors, employees, or parent, subsidiary or affiliated corporations, or be offered or admitted as evidence in any administrative or judicial proceeding or litigation in any court, agency, or forum. Furthermore, nothing in this Consent Judgment shall prejudice, waive or impair any right, remedy, argument, or defense the Parties may have in any other or future legal proceeding, except as expressly provided in this Consent Judgment.

1.8 **Purpose of Consent Judgment**

1.8.1 This Consent Judgment resolves claims that are denied and disputed. The Parties enter into this Consent Judgment pursuant to a full and final settlement of any and all claims between the parties for the purpose of avoiding prolonged litigation. The Parties intend

that this Consent Judgment provide, to the maximum extent permitted by law, *res judicata and collateral estoppel* protection for Defendant against any and all other claims based on the same or similar allegations under Proposition 65 pertaining to the Covered Products.

2. **DEFINITIONS**

- 2.1 "Covered Products" means Dried Cinnamon Powder (alleged in Notices 1, 3, and 4), Ground Cinnamon Powder (as alleged in Notice 1), and Broken Rice (as alleged in Notice 2) sold or supplied by Defendant, manufactured through the date of this Consent Judgment.
- 2.2 "Effective Date" means the date that this Consent Judgment is approved by the Court.
 - 2.3 "Lead" means Lead and Lead Compounds.
 - 2.4 "Cadmium" means Cadmium and Cadmium Compounds.
 - 2.5 "Arsenic" means Inorganic Arsenic and Inorganic Arsenic Compounds.

3. INJUNCTIVE RELIEF / REFORMULATION / CLEAR AND REASONABLE WARNINGS.

- 3.1 After the Effective Date, Defendant shall not sell in California, offer for sale in California, or ship for sale in California any Covered Products unless the level of Lead does not exceed 34 parts per billion ("ppb") and the level of Cadmium does not exceed 85 ppb, and the level of Arsenic does not exceed 20 ppb.
- 3.2 For any Covered Products that will be offered by Defendant for sale in California exceeding the levels specified in section 3.1, after the Effective Date Defendant shall place a Proposition 65 compliant warning on these products as set forth below. Any warning provided pursuant to this section shall be affixed to the packaging of, or directly on, the Covered Products, and be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. The warning must be set off from other surrounding information, enclosed in a box. Where the packaging of the Covered Product

includes consumer information as defined by California Code of Regulations title 27 §25600.1(c) in a language other than English, the warning must also be provided in that language in addition to English. The Parties agree that current law permits the long form or short form warning to be used for food products. Where a short form warning is used, the entire warning must be in a type size no smaller than the largest type size used for other consumer information on the product. In no case shall the warning appear in a type size smaller than 6-point type. The Parties also agree that current law does not require the use of the "/food" on short-form warnings URL, but that such is recommended under a proposed regulation of OEHHA still in the regulatory process. Should the proposed regulation be adopted, Defendant agrees to follow any compliance period specified by the California Code of Regulations for parties to redesign their labels to comply with the new law. The Parties agree that the following long form and short form warning language reflects the current law as it presently exists and shall constitute compliance with Proposition 65 with respect to all chemicals alleged in this Lawsuit and Notice as to the Covered Products placed into the steam of commerce by Defendant after the Effective Date:

WARNING: Consuming this product can expose you to Lead, a chemical known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

or

WARNING: Consuming this product can expose you to Cadmium, a chemical known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

or

WARNING: Consuming this product can expose you to Inorganic Arsenic, a chemical known to the State of California

to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

or

▲ WARNING: Cancer and Reproductive Harm – www.p65Warnings.ca.gov.

- 3.3 For any Covered Products still existing in the Defendant's inventory as of the Effective Date, Defendant shall place a Proposition 65 compliant warning on them, unless the Covered Products does not exceed their respective levels of Lead, Arsenic, or Cadmium. Any warning provided pursuant to this section shall comply with the warning requirements under Section 3.2 above.
- 3.4 The Parties have agreed that an essential term of this settlement is that the injunctive relief agreed to herein is a full and complete recitation of this settlement term, as enumerated above, and acceptable to both Parties such that warnings may be provided without product reformulation when the Covered Products contain levels of Lead, Arsenic, and/or Cadmium in exceedance of levels enumerated in section 3.1.

4. SETTLEMENT PAYMENT

- 4.1 **Payment and Due Date**: Within sixty (60) days of the Effective Date,
 Defendant shall pay an all-inclusive total of One Hundred Eighty Four Thousand dollars

(b) Separate 1099s shall be issued for each of the above payments:

Defendant will issue a 1099 to OEHHA, P.O. Box 4010, Sacramento, CA 95184 (EIN: 68-0284486). Defendant will also issue a 1099 to CAG c/o Yeroushalmi & Yeroushalmi, 9100

Wilshire Boulevard, Suite 240W, Beverly Hills, California 90212.

Additional Settlement Payments: Pursuant to Health & Safety Code § 25249.7(b) and California Code of Regulations, Title 11 § 3203(d), Defendant shall make a separate payment, in the amount of Eighteen Thousand and Fifty dollars (\$18,050.00) as an additional settlement payment to "Consumer Advocacy Group, Inc." Defendant will issue a separate check to CAG for the Additional Settlement Payment. CAG will use this portion of the Total Settlement Payment as follows, eighty five percent (85%) for fees of investigation, purchasing and testing for Proposition 65 listed chemicals in various products, and for expert fees for evaluating exposures through various mediums, including but not limited to consumer product, occupational, and environmental exposures to Proposition 65 listed chemicals, and the cost of hiring consulting and retaining experts who assist with the extensive scientific analysis necessary for those files in litigation and to offset the costs of future litigation enforcing Proposition 65 but excluding attorney fees; fifteen percent (15%) for administrative costs incurred during investigation and litigation to reduce the public's exposure to Proposition 65 listed chemicals by notifying those persons and/or entities believed to be responsible for such exposures and attempting to persuade those persons and/or entities to reformulate their products or the source of exposure to completely eliminate or lower the level of Proposition 65 listed chemicals including but not limited to costs of documentation and tracking of products

investigated, storage of products, website enhancement and maintenance, computer and software maintenance, investigative equipment, CAG's member's time for work done on investigations, office supplies, mailing supplies and postage. Within 30 days of a request from the Attorney General, CAG shall provide to the Attorney General copies of documentation demonstrating how the above funds have been spent. CAG shall be solely responsible for ensuring the proper expenditure of such additional settlement payment.

- 4.1.3 **Reimbursement of Attorneys' Fees and Costs:** In full and complete resolution of any claims to Plaintiff's attorney's fees and expenses related to this matter, notwithstanding sections 6.2 and 9.2 below, Defendant shall pay One Hundred Forty-One Thousand and Seven Hundred and Fifty dollars (\$141,750.00) to "Yeroushalmi & Yeroushalmi" as full and complete reimbursement for any and all costs, reasonable investigation fees, expenses, attorneys' fees, expert fees, and any and all other costs and expenses of any kind incurred as a result of investigating, bringing this matter to Defendant's attention, preparing and serving the Notices, litigating, negotiating a settlement in the public interest, and seeking and obtaining court approval of this Consent Judgment.
- 4.2 Other than the payment to OEHHA described above, all payments referenced in paragraphs 4.1.1, 4.1.2, and 4.1.3 above, shall be delivered to: Reuben Yeroushalmi, Yeroushalmi & Yeroushalmi, 9100 Wilshire Blvd., Suite 240W, Beverly Hills, CA 90212. The payment to OEHHA shall be delivered to Office of Environmental Health Hazard Assessment, Attn: Mike Gyurics, 1001 I Street, Mail Stop 12-B, Sacramento, California 95812. Concurrently with payment to OEHHA, Defendant shall provide CAG with written confirmation that the payment to OEHHA was delivered.

5. MATTERS COVERED BY THIS CONSENT JUDGMENT

5.1 This Consent Judgment is a full, final, and binding resolution between CAG on behalf of itself and in the public interest and Defendant for the alleged failure to provide Proposition 65 warning of exposure to Lead, Arsenic, and Cadmium from the Covered Products

as set forth in the three Notices and two filed lawsuits, 20STCV17732 and 21STCV25539 (which Kim Seng contends was not served on Kim Seng, but Kim Seng consents to the Court's jurisdiction to enter and enforce this Consent Judgment), and fully resolves all claims for all products and chemicals that have been asserted against Defendant by CAG in these Notices and Lawsuits up through the Effective Date for the alleged failure to provide Proposition 65 warnings for the Covered Products CAG, on behalf of itself and in the public interest, hereby discharges Defendant and its officers, directors, insurers, employees, parents, shareholders, divisions, subdivisions, subsidiaries, and their successors and assigns ("Defendant Releasees") and all customers, retailers and downstream entities in the distribution chain of the Covered Products to whom Defendant distributed or sold Covered Products, and the predecessors, successors and assigns of any of them, and all of their respective officers, directors, shareholders, members, managers, employees, agents only as to Covered Products sold by the Defendant (collectively, "Downstream Releasees"), for all Covered Products placed into the stream of commerce up through the Effective Date for violations of Proposition 65 based on exposure to Lead, Arsenic, and Cadmium from the Covered Products. Defendant's compliance with the terms of this Consent Judgment shall be deemed to constitute compliance with Proposition 65 regarding alleged exposures to Lead, Arsenic, and Cadmium from the Covered Products. Nothing in this Section affects CAG's right to commence or prosecute an action under Proposition 65 against any person other than Defendant Releasees or Downstream Releasees after the Effective Date.

5.2 CAG on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against the Released Parties arising from any violation of Proposition 65 or any other statutory or common law regarding the failure to warn

27

about exposure to Lead, Arsenic, and Cadmium from the Covered Products that could have originally been brought in the current lawsuits. If there were chemicals listed in the Notice which were not named in the current lawsuits, CAG waives the right to file lawsuits for those chemicals in the Covered Products. In furtherance of the foregoing, as to alleged exposures to Lead, Arsenic, and Cadmium from the Covered Products, CAG on behalf of itself only, hereby waives any and all rights and benefits which it now has, or in the future may have, conferred upon it with respect to Claims arising from any violation of Proposition 65 or any other statutory or common law regarding the failure to warn about exposure to Lead, Arsenic, and Cadmium from the Covered Products by virtue of the provisions of section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

CAG understands and acknowledges that the significance and consequence of this waiver of California Civil Code section 1542 is that even if CAG suffers future damages arising out of or resulting from, or related directly or indirectly to, in whole or in part, Claims arising from any violation of Proposition 65 or any other statutory or common law regarding the failure to warn about exposure to Lead, Arsenic, and Cadmium from the Covered Products, including but not limited to any exposure to, or failure to warn with respect to exposure to Lead, Arsenic, and Cadmium from the Covered Products, CAG will not be able to make any claim for those damages against Released Parties. Furthermore, CAG acknowledges that it intends to release Defendant fully and completely from these Covered Products and fully accepts these consequences for any such Claims arising from any violation of Proposition 65 or any other statutory or common law regarding the failure to warn about exposure to Lead, Arsenic, and Cadmium from Covered Products as may exist as of the date of this release but which CAG does not know exist, and which, if known, would materially affect their decision to enter into this

Consent Judgment, regardless of whether their lack of knowledge is the result of ignorance, oversight, error, negligence, or any other cause.

The Parties will thereafter meet and confer for a minimum period of 30 days to allow time for Defendant to present CAG any relevant compliance information and/or corrective action taken related to the alleged violation, including if applicable the date of manufacture, import, distribution, or sale of the Covered Product at issue for purposes of determining the applicability of the release hereunder. If the Parties cannot resolve the alleged violation, either Party may move to enforce the terms of this Consent Judgment consistent with the terms herein. If the Parties cannot resolve the alleged violation at the conclusion of the meet and confer process, CAG has the right to enforce the terms of the Consent Judgment herein and seek penalties and fees against Defendant.
- 6.2 In any proceeding brought by either Party to enforce this Consent Judgment, the prevailing Party shall be entitled to recover its reasonable attorneys' fees and costs.

7.1 CAG shall be responsible for preparing a motion seeking approval of this Consent Judgment pursuant to California Health & Safety Code § 25249.7(f). The Parties agree to act in good faith to obtain Court approval of the Consent Judgment. Upon entry of the Consent Judgment, CAG and Defendant waive their respective rights to a hearing, trial, or appeal on the allegations in the Notices and/or Complaints.

- 7.2 The Parties shall make good faith efforts to have the Consent Judgment approved by the Court.
- 7.3 If this Consent Judgment is not approved in full by the Court, (a) this Consent Judgment and any and all prior agreements between the Parties merged herein shall terminate and become null and void, and the actions shall revert to the status that existed prior to the execution date of this Consent Judgment; (b) no term of this Consent Judgment or any draft thereof, or of the negotiation, documentation, or other part or aspect of the Parties' settlement discussions, shall have any effect, nor shall any such matter be admissible in evidence for any purpose in this Action, or in any other proceeding; and (c) the Parties agree to meet and confer in good faith to determine whether to modify the terms of the Consent Judgment and to resubmit it for approval.

8. MODIFICATION OF JUDGMENT

- 8.1 This Consent Judgment may be modified only upon written agreement of the Parties and upon entry of a modified Consent Judgment by the Court thereon, or upon motion of any party as provided by law and upon entry of a modified Consent Judgment by the Court.
- 8.2 Any Party seeking to modify this Consent Judgment shall attempt in good faith to meet and confer with the other Party prior to filing a motion to modify the Consent Judgment.

9. RETENTION OF JURISDICTION

- 9.1 This Court shall retain jurisdiction of this matter to implement and enforce the terms of this Consent Judgment under Code of Civil Procedure § 664.6.
- 9.2 In any proceeding brought by either Party to enforce this Consent Judgment, the prevailing party shall be entitled to recover its reasonable attorney's fees and costs as determined by the Court or agreement of the Parties.

10. DUTIES LIMITED TO CALIFORNIA

10.1 This Consent Judgment shall have no effect on Covered Products sold by Defendant outside the State of California.

11. SERVICE ON THE ATTORNEY GENERAL

11.1 CAG shall serve a copy of this Consent Judgment, signed by the Parties, on the California Attorney General so that the Attorney General may review this Consent Judgment prior to its approval by the Court. No sooner than forty-five (45) days after the Attorney General has received the aforementioned copy of this Consent Judgment, and in the absence of any written objection by the Attorney General to the terms of this Consent Judgment, CAG will then submit the Consent Judgment to the Court for approval.

12. ATTORNEY FEES

12.1 Except as specifically provided in Section 4.1.3 6.2, and 9.2, each Party shall bear its own costs and attorney fees in connection with the claims alleged in the Notices and Complaints which are entirely resolved in this Consent Judgment.

13. GOVERNING LAW

- 13.1 The validity, construction and performance of this Consent Judgment shall be governed by the laws of the State of California, without reference to any conflicts of law provisions of California law.
- 13.2 The terms of this Consent Judgment shall be governed by the laws of the State of California. In the event that Proposition 65 is repealed, preempted, or is otherwise rendered inapplicable by reason of law generally, or if any of the provisions of this Consent Judgment are rendered inapplicable or are no longer required as a result of any such repeal or preemption, or rendered inapplicable by reason of law generally as to the Covered Products, then any Defendant subject to this Consent Judgment may provide written notice to CAG of any asserted change in the law, and shall have no further obligations pursuant to this Consent Judgment with respect to, and to the extent that, the Covered Products are so affected. Nothing in this Consent Judgment shall be interpreted to relieve a Defendant from any obligation to comply with any pertinent state or federal law or regulation.

13.3 The Parties, including their counsel, have participated in the preparation of this Consent Judgment and this Consent Judgment is the result of the joint efforts of the Parties. This Consent Judgment was subject to revision and modification by the Parties and has been accepted and approved as to its final form by all Parties and their counsel.
