

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance, LLC and Costway.com, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Costway.com, Inc. ("Costway"), on the other hand, with Ecological and Costway collectively referred to as the "Parties."

#### 1.2. General Allegations

Ecological alleges that Costway manufactured and distributed and offered for sale in the State of California wrench sets containing Di(2-ethylhexyl)phthalate [DEHP] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as wrench sets, Part No. SU-31068-US-LT, that Costway has or caused to be sold, offered for sale or distributed in California and that allegedly contain DEHP ("Products").

#### 1.4. Notice of Violation

On August 26, 2019, Ecological served Costway, Amazon.com, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" regarding the Products ("Notice") that provided Costway and such public enforcers with notice that Costway was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn

consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Costway's compliance with Proposition 65. Specifically, Costway denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 and any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Costway of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Costway of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Costway. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Costway under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

**2. INJUNCTIVE RELIEF: WARNING**

**2.1. Warning**

No later than 90 days after the Effective Date, Costway shall only sell or offer for sale in California Products that are accompanied by a warning as described in Section 2.2 below unless

the Product contains no more than 1,000 parts per million DEHP. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Costway places into the stream of commerce within 90 days of the Effective Date.

## 2.2. Warning Language

Where required, Costway shall provide Proposition 65 warnings as follows:

- (a) Costway may use any of the following warning statements in full compliance with this Section:
  - (1) **WARNING:** This product can expose you to chemicals including Diisononyl phthalate (DEHP), which is known to the State of California to cause cancer. For more info go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

- (b) The warning shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".
- (c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP or the Products should no longer be required, Costway shall have no further obligations pursuant to this Settlement Agreement.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Costway shall pay a total of \$1,000 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's and Ecological's portions of any penalty payment made under this Settlement Agreement.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Costway shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Costway's attention. Costway shall pay Ecological's counsel \$10,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.
