

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Do it Best Corp.

This Settlement and Release Agreement (“Settlement Agreement”) is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and Do it Best Corp. (“DIB”), on the other hand, with Ecological and DIB sometimes collectively referred to herein as the “Parties.”

1.2. General Allegations

Ecological alleges that DIB manufactured, distributed and/or offered for sale in the State of California products referred to as “pliers, rivet tools, and tanners” containing Di(2-ethylhexyl)phthalate (“DEHP”), and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* (“Proposition 65”). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as “pliers” manufactured, distributed, sold and/or offered for sale by or for DIB, including but not limited to UPC #0093263244326; “rivet tools” manufactured, distributed, sold and/or offered for sale by or for DIB, including but not limited to UPC #009326315904; and “tanners” manufactured, distributed, sold and/or offered for sale by or for DIB, including but not limited to UPC #009326300023, each of which contain Di(2-ethylhexyl)phthalate [DEHP]. All such items shall be referred to herein as the “Products.”

1.4. Notice of Violation

On November 13, 2019, Ecological served DIB and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of

California with a document entitled “60-Day Notice of Violation” (“Notice”) that provided DIB and such public enforcers with notice that DIB was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the Parties’ knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning DIB’s compliance with Proposition 65. Specifically, DIB denies the material factual and legal allegations contained in Ecological’s Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by DIB of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by DIB of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by DIB. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of DIB under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF

2.1. Warnings

On or before 90 days after the Effective Date, and unless stated otherwise herein, Products shall be accompanied by a warning as described in Section 2.2. The warning requirements set forth in Section 2.2 shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. These warning requirements shall not apply to

Products that are already in the stream of commerce as of the Effective Date or that DIB or any other entity to whom Products are distributed or sold places into the stream of commerce within 180 days of the Effective Date.

2.2. Warning Language

Where required under Section 2.1, and except as provided in Section 2.3, DIB shall provide Proposition 65 warnings for the Products as follows:

(a) DIB may use any of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product can expose you to di(2-ethylhexyl)phthalate [DEHP], which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more info go to www.P65Warnings.ca.gov.

(2) **WARNING:** Cancer and Reproductive Harm –
www.P65Warnings.ca.gov.

(b) If DIB elects to use the warning statements identified in either 2.2(a)(1) or (2), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required under California law, DIB shall have no further obligations pursuant to this Settlement Agreement.

(e) In the event that the Office of Environmental Health Hazard Assessment ("OEHHA") promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, DIB shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

2.3. Existing Warnings

DIB has indicated that some Products may contain the following Proposition 65 warning: "WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm" (the "Existing Warning"). The Parties acknowledge and agree that nothing in this Settlement Agreement shall require DIB to relabel or repackage any Products that contain the Existing Warning. Moreover, the Parties acknowledge and agree that DIB's obligations as set forth in Section 2.2 apply only to Products that are manufactured on or after 90 days following the Effective Date, and that the use of the Existing Warning for products manufactured on or before the Effective Date satisfies and constitutes full compliance with DIB's obligations as set forth in Section 2.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, DIB shall pay a total of \$500 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to OEHHA and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, DIB shall reimburse Ecological's counsel for fees and costs, incurred as a result of

investigating and bringing this matter to DIB's attention. DIB shall pay Ecological's counsel Seventeen Thousand Dollars (\$17,000) for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. PAYMENT INFORMATION

Within ten (10) days of the Effective Date, DIB shall make a total payment of Seventeen Thousand Five Hundred Dollars (\$17,500) for the civil penalties and attorney's fees and costs by wire transfer to Plaintiff's counsel, Custodio & Dubey LLP, as follows:

Bank: Bank of America, N.A.

Routing No.: 026009593

Account No.: 325104702031

Beneficiary: Custodio & Dubey LLP

Other than this payment, each side is to bear its own attorneys' fees and costs.

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

6.2. DIB's Release of Ecological

DIB waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made)

by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.
