

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between the CENTER FOR ADVANCED PUBLIC AWARENESS, INC. ("CAPA") on the one hand and Zhejiang Twinsel Electronic Technology Co., Ltd. ("ZTET"), with ZTET and CAPA each individually referred to as a "Party" and collectively as the "Parties."

1.2 Introduction and General Allegations.

1.2.1 CAPA is a not-for profit corporation duly organized and existing in the State of California, which seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products.

1.2.2 CAPA alleges that ZTET employs ten or more persons, and CAPA alleges that ZTET is a "person in the course of doing business" for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* ("Proposition 65").

1.2.3 CAPA alleges that ZTET imported, sold, and/or distributed for sale in California Covered Products, as defined below, that contain Di-(2-ethylhexyl) phthalate ("DEHP"), a chemical pursuant to Proposition 65 listed by the State of California to cause cancer and reproductive toxicity. CAPA further alleges that ZTET failed to provide a "clear and reasonable" health hazard warning as required by Proposition 65 for exposures to DEHP from the Covered Products.

1.3 Product Description.

The products covered by this Settlement Agreement are the Home Decorators Collection Color Changing String Lights, which were imported, sold and/or distributed for sale in California by ZTET with UPC No. 818383020078 ("Covered Products").

SETTLEMENT AGREEMENT

1.4 **60 Day Notice of Violation and Exchange of Information.**

On May 23, 2019, CAPA served Home Depot U.S.A., Inc. ("Home Depot") and the requisite public enforcement agencies with a 60-Day Notice of Violation ("Notice"), related to the Covered Products, alleging that Home Depot violated Proposition 65. The Notice alleged that Home Depot had failed to warn its customers and consumers in California of the health hazards associated with exposures to DEHP from its import, sale and/or distribution of the Covered Products.

Home Depot tendered CAPA's claim to ZTET, as the vendor. CAPA subsequently provided ZTET with test results in CAPA's possession concerning its allegations. ZTET provided CAPA with sales data related to the Covered Products. To the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

On December 4, 2019, CAPA served ZTET and the requisite public enforcement agencies with an amended 60-Day Notice of Violation ("Amended Notice"), related to the Covered Products. The Amended Notice added ZTET as an alleged violator for the same reasons stated above.

1.5 **No Admission.**

The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties' and the Covered Products' compliance with Proposition 65. Specifically, CAPA alleges that ZTET imported, manufactured, sold or distributed for sale in the state of California, Covered Products which contained DEHP without first providing the clear and reasonable exposure warning required by Proposition 65. ZTET denies that such a warning is required under Proposition 65 or any otherwise applicable law.

ZTET further denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has imported, manufactured and/or sold and distributed in California, including the Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by ZTET of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this

SETTLEMENT AGREEMENT

Settlement Agreement constitute or be construed as an admission by ZTET of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by ZTET. This Section shall not, however, diminish or otherwise affect ZTET's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 **Effective Date.**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date the Agreement is fully executed by the Parties.

2. **INJUNCTIVE RELIEF: REFORMULATED PRODUCTS**

2.1 **Reformulation Standard.** Commencing on the Effective Date, and continuing thereafter, Covered Products that ZTET imports, manufactures, ships to be sold or offers for sale or purchase in or into California, or sells in California shall be deemed to comply with Proposition 65, and be exempt from any Proposition 65 warning requirements with respect to DEHP if the Products meet the standard of "Reformulated Products." "Reformulated Products" shall mean Covered Products containing less than or equal to 1,000 parts per million (0.1%) DEHP in each accessible component when analyzed pursuant to Environmental Protection Agency testing methodologies 3580A and 8270C, CPSC-CH-C1001-09.3 or equivalent methodologies utilized by federal or state agencies for the purpose of determining DEHP content in a solid substance ("Reformulation Standard"). Covered Products, currently in the channels of distribution with distributors and retailers may continue to be sold-through. However, as of the Effective Date, ZTET may not distribute or sell new Covered Products in California that are not Reformulated Products or do not contain the warnings set forth in Paragraph 2.3

2.2 **Warning Option.** Covered Products that do not meet the Reformulation Standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning shall only be required as to Covered Products that are sold or shipped out to consumers, retailers, or distributors after the Effective Date. No Proposition 65

SETTLEMENT AGREEMENT

2.3 **Warning Language.** Commencing on the Effective Date, ZTET shall ensure that any unreformulated Covered Products that it ships to California retailers or for sale in California include a clear and reasonable warning. The warning shall be affixed to the packaging or labeling using language similar to the warnings below:

⚠ **WARNING:** This product can expose you to chemicals including Di-(2-ethylhexyl) phthalate (DEHP), which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, ZTET shall be entitled to use, at its discretion, such other warning text and/or methods of transmission without being deemed in breach of this Agreement
