

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Consumer Protection Group, LLC and Liquid Combustion Technology, LLC

This Settlement Agreement is entered into by and between Consumer Protection Group, LLC ("CPG"), on the one hand, and Liquid Combustion Technology, LLC ("LCT"), on the other hand, with CPG and LCT collectively referred to as "Parties."

1.2 General Allegations

CPG alleges that LCT manufactured and distributed and offered for sale a Battery Tester in the State of California containing Diisononyl phthalate ("DINP"), that such product did not include warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). On December 20, 2013, the Governor of California added DINP to the list of chemicals known to the State to cause cancer.

1.3 Product Description

The product that is covered by this Settlement Agreement is defined as NAPA Battery Tester SKU 700-1141, UPC: 664766196904 (the "Subject Product") that CPG alleges LCT has sold, offered for sale or distributed in California and that contains DINP.

1.4 Notice of Violation

On or around December 9, 2019, CPG served Balkamp Inc., Genuine Parts Company, LA Truck & Auto, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California, with a

notice of violation entitled "60-Day Notice of Violation" (the "December 9, 2019 Notice") that provided Balkamp Inc., Genuine Parts Company, LA Truck & Auto, Inc., and such public enforcers with notice that Balkamp Inc., Genuine Parts Company, LA Truck & Auto, Inc. were allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Subject Product exposed users in California to DINP. On January 30, 2020, at LCT's request, CPG served LCT and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with an amended notice of violation entitled "60-Day Notice of Violation" (the "January 30, 2020 Notice") that provided LCT and such public enforcers with notice that LCT was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Subject Product exposed users in California to DINP. The December 9, 2019 Notice and the January 30, 2020 Notice are collectively referred to herein as the "Notices." To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notices.

1.5 **No Admission**

By execution of this Settlement Agreement, LCT and each of its affiliates and subsidiaries, parents, directors, officers, agents, employees, attorneys, representatives, shareholders, successors, and assigns, including but not limited to International Specialty Services, Inc., and each entity to whom LCT directly or indirectly distributes or sells the Subject Product, including but not limited to downstream distributors, wholesalers, customers, retailers, marketplace retailers, franchisees, cooperative members and

licensees, including but not limited to Balkamp Inc., Genuine Parts Company, and LA Truck & Auto, Inc. (collectively, the “Releasees”), do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Releasees of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by the Releasees in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CPG or LCT, may have against one another in any other pending legal proceeding as to allegations unrelated to the dispute or claims released herein. Notwithstanding the allegations in the Notices, Releasees maintain that they have not knowingly manufactured or distributed, or caused to be manufactured or distributed, the Subject Product for sale in California in violation of Proposition 65.

1.6 **Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this agreement has been fully executed.

2. **INJUNCTIVE RELIEF: WARNING**

2.1 **Reformulation Standards**

“Reformulated Products” are defined as those Products containing DINP in concentrations less than 0.1 percent (1,000 parts per million).

2.2 **Commitment to Reformulate or Warn**

The warning requirements set forth in Section 2.4 below shall apply only to Subject Products that are distributed, marketed, sold or shipped for sale in the State of California. The injunctive relief provisions set forth in Sections 2.1, 2.2, 2.3, and 2.4 of this Settlement Agreement shall not apply to any of the Subject Product that is already in the stream of commerce as of the Effective Date.
