

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Hangzhou Great Star Industrial Co., Ltd.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Hangzhou Great Star Industrial Co., Ltd. ("Great Star"), on the other hand, with Ecological and Great Star collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that Great Star manufactured and/or distributed and/or offered for sale in the State of California cases for valve socket sets and bit holders for cordless screwdriver sets containing Di(2-ethylhexyl)phthalate [DEHP], and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP and DBP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as cases for valve socket sets and bit holders for cordless screwdriver sets containing Di(2-ethylhexyl)phthalate [DEHP], that Great Star has sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On January 13, 2020, Ecological served Home Depot U.S.A., Inc.; and on January 13, 2020, Ecological served Walgreen Co.; and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents

entitled "60-Day Notice of Violation" ("Notice") that provided Great Star and such public enforcers with notice that Great Star was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Great Star's compliance with Proposition 65. Specifically, Great Star denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Great Star of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Great Star of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Great Star. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Great Star under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. **INJUNCTIVE RELIEF: WARNING AND REFORMULATION**

2.1. **Reformulation Option**
