

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Audrey Donaldson (“Donaldson”) and Macy’s Retail Holdings, LLC (“Macy’s”), with Donaldson and Macy’s each individually referred to as a “Party” and collectively as the “Parties.” Donaldson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Donaldson alleges that Macy’s employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Donaldson alleges that Macy’s manufactures, sells, and/or distributes for sale in California, brass picture frames containing lead. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Donaldson alleges that Macy’s failed to provide the health hazard warning required by Proposition 65 for exposures to lead.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and limited to, Martha Stewart Living Omnimedia brand brass picture frames, manufactured, sold, or distributed for sale in California by Macy’s including, but not limited to, the “*Martha Stewart Brass 4-Photo Picture Frame*” with UPC #732994238601 (hereinafter referred to as the “Products”).

1.4 Notice of Violation

On March 6, 2020, Donaldson served Macy’s and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that Macy’s violated

Proposition 65 when it failed to warn their customers and consumers in California of the health hazards associated with exposures to lead from the Products. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

Macy's denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Macy's of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Macy's of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Macy's. This Section shall not, however, diminish or otherwise affect Macy's' obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this agreement is fully executed by the Parties.

2. INJUNCTIVE RELIEF: REFORMULATION/WARNINGS

2.1 Reformulation/Warning Commitment

As of the Effective Date, Macy's shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless they are Reformulated Products pursuant to Section 2.2. or contain appropriate health hazard warnings pursuant to Section 2.3 below. However, Products that are in Macy's inventory as of the Effective Date shall be exempt from the requirements of this Section, as they have been included in the calculation of civil penalties required in Section 3.1 below.

2.2 Reformulation Standards

“Reformulated Products” are defined as those Products that: (a) contain no more than 90 parts per million (“ppm”) lead in any accessible component of the Products when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance; *and* (b) yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol.

2.3 Product Warnings

As of the Effective Date, all Products that require a warning pursuant to Section 2.1 above, shall bear a clear and reasonable warning pursuant to this Section. Macy’s further agrees that the warning shall be prominently placed with such conspicuousness when compared with other words, statements, designs or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of use. For purposes of this Consent Judgment, a clear and reasonable warning for the Products shall consist of a warning affixed directly to the product or product packaging, label, or tag, for Products sold in California, and contain one of the following statements:

 **WARNING:** Reproductive Harm- www.P65Warnings.ca.gov

OR

 **WARNING:** This product can expose you to chemicals including lead, which are known to the State of California to cause birth defects and other reproductive harm. For more information go to www.P65Warnings.ca.gov.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code section 25249.7(b)(2), and in settlement of certain claims alleged in the Notice or referred to in this Settlement Agreement, Macy’s agrees to pay \$1,500 in civil penalties within fifteen (15) business days of the Effective Date. The penalty payment will be allocated in accordance with California Health and

Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Donaldson, and delivered to the address in Section 3.3 herein. Macy’s will provide its payment in two checks as follows: (1) “OEHHA” in the amount of \$1,125; and (2) “Audrey Donaldson” in the amount of \$375.

3.2 Attorneys’ Fees and Costs

The Parties acknowledge that Donaldson and her counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Macy’s expressed a desire to resolve Donaldson’s fees and costs. The Parties reached an accord on the compensation due to Donaldson’s counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, within fifteen (15) business days of the Effective Date, Macy’s agrees to pay \$16,500, in the form of a check made payable to “Voorhees & Bailey, LLP,” for all fees and costs incurred investigating, bringing this matter to the attention of Macy’s’ management, and negotiating a settlement.

3.3 Payment Address

All payments under this Settlement Agreement shall be delivered to the following address:

Voorhees & Bailey, LLP
990 Amarillo Avenue
Palo Alto, CA 94303

4. CLAIMS COVERED AND RELEASED

4.1 Donaldson’s Release of Proposition 65 Claims

Donaldson acting on her own behalf, and *not* on behalf of the public, releases Macy’s, its parents, subsidiaries, affiliated entities under common ownership, directors,

officers, agents employees, attorneys, and each entity to whom Macy's directly or indirectly distributes or sells the Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, importers, and licensees (collectively, "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to lead in the Products. The Parties understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Macy's.

4.2 Donaldson's Individual Release of Claims

Donaldson, in her individual capacity only and *not* in her representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities, and demands of Donaldson of any nature, character, or kind, whether known or unknown, suspected or unsuspected, including but not limited to all failure to warn claims, arising out of alleged or actual exposures to lead in the Products manufactured, imported, distributed, or sold by Macy's prior to the Effective Date. The Parties understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Macy's. Nothing in this Section affects Donaldson's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Macy's' Products.

4.3 Macy's' Release of Donaldson

Macy's, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Donaldson and her attorneys and other representatives, for any and all actions

taken or statements made by Donaldson and her attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.
