

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Argento SC (“Argento”), on the other hand, with EHA and Argento each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Argento employs ten or more individuals and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that Argento manufactures, imports, sells, and/or distributes for sale in California, massage rollers that contain Di(2-ethylhexyl) phthalate (DEHP) (“DEHP”), and that it does so without first providing the health hazard warning required by Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

1.3 Product Description

The product covered by this Settlement Agreement is defined as massage rollers that contains DEHP and that are manufactured, imported, sold or distributed for sale in California by Argento.

1.4 Notice of Violation

On March 11, 2020, EHA served SELF Magazine, Marshall’s of MA, Inc., the California Attorney General and other requisite public enforcers with a 60-Day Notice of Violation (“Notice”), alleging that SELF Magazine and Marshall’s of MA, Inc. violated Proposition 65 when they failed to warn its customers and consumers in California of the health risks associated with exposures to DEHP from the Product.

On July 23, 2020, EHA served SELF Magazine, Marshall's of MA, Inc., Argento, the California Attorney General, and all other requisite public enforcers with an amended 60-Day Notice of Violation ("Amended Notice"), correcting Argento as the alleged manufacturer. To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

Argento denies the material, factual, and legal allegations in the Notice and maintains that all of the product it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Argento of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Argento of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Argento. This Section shall not, however, diminish or otherwise affect Argento's obligations, responsibilities and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean ninety (90) days following the execution of this Settlement Agreement by the Parties.

2. INJUNCTIVE RELIEF

2.1 Clear and Reasonable Warnings

Commencing on the Effective Date, and continuing thereafter, Argento agrees to only manufacture for sale, purchase for sale, import for sale, or distribute for sale in or into California the Product that is sold with a health hazard warning as provided for in Section 2.2.

2.2 General Warning Requirements

Argento agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each Product sold in California by Argento that contains either of the the following statements:

- 1)  **WARNING:** This product can expose you to chemicals including Di(2-ethylhexyl) phthalate (DEHP) “DEHP”, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
- 2)  **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.cs.gov

As noted, the warning shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING”.

If Argento sells Products via an internet website directly to end-user consumers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; or (c) on one or more web pages displayed to a purchaser prior to purchase during the checkout process. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Product, if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

The Parties agree that compliance by Triple Accessories with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEHP from use of the Products.

- (i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment or another

authorized agency promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, or legislation is enacted by the California legislature, United States Congress or voters with such requirements or permission, Argento shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that warnings as to DEHP in this product are no longer required, a lack of warning by Argento will not thereafter be a breach of this Agreement.

2.3 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Products that are already in the stream of commerce as of the Effective Date., which Products are expressly subject to the releases provided in Section 4.1.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Argento agrees to pay one thousand dollars (\$1,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. Within ten (10) days of the date this Settlement Agreement is executed by the Parties, Argento shall issue two separate checks for the initial civil penalty payment to (a) “OEHHA” in the amount of seven hundred and fifty dollars (\$750.00) and (b) Environmental Health Advocates, Inc., in the amount of two hundred and fifty dollars (\$250.00).

3.2 Attorney Fees and Costs

The Parties reached an accord on the compensation due to EHA and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Argento agrees to pay fourteen thousand (\$14,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of Argento's negotiating a settlement.

The \$14,000 in Attorney's Fees and Costs shall be paid in payments as follows:

- Eight (8) equal installments of one thousand seven hundred and fifty dollars (\$1,750.00), the first being due ten (10) days after this Agreement is fully executed, and then the remaining seven (7) on or before the 10th calendar day of each month beginning September 10, 2020.

All payments for attorneys' fees and costs shall be divided equally between EHA's counsel in two checks for \$875 each, payable to Glick Law Group, PC and Nicholas & Tomasevic, LLP, respectively. The addresses for these two entities can be found in Section 3.3, and each entity shall, concurrently with the execution of this Agreement, provided a W9 to Argento.

3.4 Tax Documentation

Argento agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that Argento cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Argento receives the requisite W-9 forms from EHA's counsel.

3.5 Late Payments

Should Argento fail to timely make any payment due under section 3.3, then upon three (3) day notice and opportunity to cure (delivered via email to counsel for Argento, Andrew V. Jablon, at ajablon@rpblaw.com) the total settlement of attorneys' fees and costs shall increase from \$14,000 to \$20,000. All remaining payments shall then become due and payable in full within 10 business days of the missed payment deadline.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of Argento

This Settlement Agreement is a full, final, and binding resolution between EHA, on its own behalf and not on behalf of the public, and Argento of any violation of Proposition 65 that was or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Argento and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, each upstream entity from whom the Product was purchased by Argento, and each entity to whom Argento directly or indirectly distributes or sells the Product, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees ("Releasees"), based on the failure to warn about exposures to DEHP in the Product manufactured, sold or distributed for sale in California by Argento before the Effective Date, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby covenants not to sue and waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Argento and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to DEHP in the Product manufactured, distributed, sold or offered for sale Argento, before the Effective Date.

4.2 Argento's Release of EHA

Argento, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and

its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Product.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Product will develop or be discovered. EHA on behalf of itself only, on one hand, and Argento on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.
