

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Paul Wozniak and Costway.com, Inc.

This Settlement Agreement (Settlement Agreement) is entered into by and between Paul Wozniak (Wozniak) and Costway.com, Inc. (Costway) [or its parent, GoPlus Corporation] with Wozniak and Costway collectively referred to as the “Parties.” Wozniak is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Costway employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.5 *et seq.* (Proposition 65).

1.2 General Allegations

Wozniak alleges that Costway manufactures, imports, sells and/or distributes for sale in California, wheelchairs with vinyl components (such as arm pads, and leg rests) that contain di(2-ethylhexyl)phthalate (DEHP) and diisononyl phthalate (DINP) as well as wheelchairs with vinyl components (e.g., hand grips) that contain DEHP and lead, and that it does so without providing the health hazard warning that Wozniak alleges is required by Proposition 65. DEHP and lead are listed pursuant to Proposition 65 as chemicals known to the State of California to cause birth defects and other reproductive harm. DINP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer.

1.3 Product Description

The products that are covered by this Settlement Agreement are wheelchairs with vinyl components (such as arm pads, and leg rests) containing DEHP and DINP as well as wheelchairs with vinyl components (e.g., hand grips) that contain DEHP and lead including, but not limited to, the *Costway 24” Lightweight Foldable Medical Wheelchair with Footrest, Item SP35319*,

UPC #6 940350 813681, manufactured, imported, or purchased for resale by Costway and distributed, sold and/or offered for sale in the State of California, hereinafter the “Products.”

1.4 Notice of Violation

On or about April 24, 2020, Wozniak served Costway and certain requisite public enforcement agencies with a 60-Day Notice of Violation (Notice), alleging that Costway violated Proposition 65 when it failed to warn its customers and consumers in California that the Products expose users to DEHP, DINP and lead. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

Costway denies the material, factual and legal allegations contained in the Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Costway of any fact, finding, issue of law or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Costway of any fact, finding, conclusion, issue of law or violation of law. This section shall not, however, diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean July 22, 2020.

2. INJUNCTIVE RELIEF: REFORMULATION OR WARNINGS

2.1 Injunctive Relief

Commencing on the Effective Date and continuing thereafter, Costway shall only manufacture for sale, import for sale, and purchase for resale in California Products that are Reformulated Products as defined by Section 2.2. Notwithstanding the previous sentence, any Products that are not Reformulated Products, which Costway sells, ships for sale, or distributes for sale to customers or consumers in California, or to customers with nationwide distribution,

after the Effective Date, shall be labeled with a clear and reasonable warning as set forth in Section 2.3. If, after the Effective Date, Costway sells Products that are not Reformulated Products via mail order catalog and/or the internet to customers located in California, Costway shall also provide warnings for such Products by identifying the specific Product to which the warning applies as set forth in Sections 2.4 through 2.6. This subsection shall not apply for Products that have already entered the stream of commerce prior to the Effective Date.

2.2 Reformulation Standards

“Reformulated Products” are Products containing DEHP and DINP in concentrations of less than 0.1 percent (1,000 parts per million) in each accessible component when analyzed by a laboratory accredited by the State of California, a federal agency, or a nationally recognized accrediting organization. For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission (CPSC) methodology CPSC-CH-C1001-09.3 or CPSC-CH-C1001-09.4 and analyzed using U.S. Environmental Protection Agency (EPA) methodology 8270D, or other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

“Reformulated Products” also refer to Products that, in addition to meeting the above standard: (a) contain lead in concentrations that do not exceed 90 parts per million (ppm), equivalent to 0.009%, in any exterior parts analyzed pursuant to U.S. Environmental Protection Agency (EPA) testing methodologies 3050B and 6010B; and (b) yield a result of no more than 1.0 micrograms of lead when sampled according to NIOSH 9100 protocol and analyzed according to EPA 6010B. In addition to the above test methodologies, the Parties may use equivalent methodologies utilized by a state or federal agency to determine lead content in a solid substance.

2.3 Clear and Reasonable Warnings

Pursuant to Health and Safety Code § 25249.7(b), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Costway agrees to pay a total of \$6,300 in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code § 25249.12(c)(1) and (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (OEHHA) and the remaining 25% of the penalty amount retained by Wozniak.

Thereafter, Wozniak’s counsel shall send OEHHA’s portion of the penalties paid by Costway to OEHHA.

3.2 Reimbursement of Attorneys’ Fees and Costs

The Parties acknowledge that Wozniak and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby

leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been finalized, Costway expressed a desire to resolve Wozniak's fees and costs. The Parties then negotiated a resolution of the compensation due to Wozniak's counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure § 1021.5. For all work performed through the mutual execution of this agreement, Costway shall reimburse Wozniak's counsel \$26,700. Costway will deliver its payment to the address in Section 3.3 by overnight courier, with a tracking number, such that payment is received by Wozniak's counsel on or before the Effective Date, in the form of a check payable to "Chanler, LLC." The reimbursement shall cover all fees and costs incurred by Wozniak investigating, bringing this matter to Costway's attention and negotiating a settlement of the matter.

4. CLAIMS COVERED AND RELEASED

4.1 Wozniak's Release of Costway

This Settlement Agreement is a full, final and binding resolution between Wozniak, as an individual and not on behalf of the public, and Costway, of any violation of Proposition 65 that was or could have been asserted by Wozniak on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, against Costway, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, employees, attorneys, and each entity to whom Costway directly or indirectly distributes or sells Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers (including Walmart Inc.), franchisees, cooperative members, and licensees (collectively,

Releasees), based on their failure to warn about alleged exposures to DEHP, DINP and/or lead contained in the Products that were manufactured, distributed, sold and/or offered for sale by Costway in California before the Effective Date, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, Wozniak as an individual and not on behalf of the public, on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of Wozniak's rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that Wozniak may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, investigation fees, expert fees, and attorneys' fees arising under Proposition 65 with respect to DEHP, DINP and/or lead in the Products, as alleged in the Notice, manufactured, distributed, sold and/or offered for sale by Costway, before the Effective Date (collectively, Claims), against Costway and Releasees.

The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Costway. Nothing in this Section affects Wozniak's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Costway's Products.

Costway, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against Wozniak and his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Wozniak and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or if any of the provisions of this Settlement Agreement are rendered inapplicable or no longer required as a result of any such repeal or preemption or rendered inapplicable by reason of law generally as to the Products, then Costway shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected. Nothing in this Settlement Agreement shall be interpreted to relieve Costway from any obligation to comply with any pertinent state or federal toxics control law.
