

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and World Source Partners LLC

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and World Source Partners LLC ("World"), on the other hand, with Ecological and World collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that World manufactured and distributed and offered for sale in the State of California replacement greenhouse covers containing Di(2-ethylhexyl)phthalate ("DEHP"), and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as greenhouse covers including replacement covers, allegedly containing DEHP that World has sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On June 15, 2020, Ecological served World, Amazon.com, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided World and such public enforcers with notice that World was allegedly in violation of

California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning World's compliance with Proposition 65. World denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by World of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by World of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by World on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of World under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, World shall not manufacture, import, or ship for authorized sale in California, Products unless they are Reformulated Products, as defined pursuant to Section 2.1 below, or are labeled with a clear and reasonable Proposition 65 warning pursuant to Section

2.2 below. Products that were supplied to third parties by World prior to the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.1. Reformulation Standards

“Reformulated Products” are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

2.2. Warning Language

Where required, World shall provide Proposition 65 warnings on the Product’s label as follows or as otherwise compliant with Prop 65:

(a) World may use either of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product can expose you to chemicals including DEHP, which are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

(2) **WARNING:** Cancer and Reproductive Harm –
www.P65Warnings.ca.gov.

(b) If World uses either of the above warning statements to effectuate its compliance, it shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not

printed using the color yellow, the symbol may be printed in black and white.

The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING."

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, World shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement and because it previously began to implement Proposition 65 warnings for the Products, World shall pay a total of \$200 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, World shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to World's attention. World shall pay Ecological's counsel

\$9,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. **PAYMENT INFORMATION**

By September 1, 2020, World shall make a total payment of Nine Thousand Two Hundred Dollars (\$9,200) for the civil penalties and attorney's fees / costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

6. **RELEASE OF ALL CLAIMS**

6.1. **Release of World, Downstream Customers and Upstream Vendors**

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against (a) World, (b) each of World's downstream distributors (including but not limited to Amazon.com, Inc.), wholesalers, vendors, licensors, licensees, auctioneers, retailers, franchisees,

successors, and/or assignees and *not* in its representative capacity, provides a general release
herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions,
causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities
and demands of any nature, character or kind, known or unknown, suspected or unsuspected,
against World and the Releasees. Ecological acknowledges that it is familiar with California
Civil Code section 1542, which provides as follows:

A general release does not extend to claims that the creditor or
releasing party does not know or suspect to exist in his or her favor
at the time of executing the release and that, if known by him or her,
would have materially affected his or her settlement with the debtor
or released party.

Ecological, in its capacity only, and on behalf of itself, its past and current agents,
representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any
and all rights and benefits which it may have under, or which may be conferred on it by the
provisions of California Civil Code section 1542 as well as under any other state or federal
statute or common law principle of similar effect, to the fullest extent that it may lawfully waive
such rights or benefits pertaining to the released matters.

6.2. World's Release of Ecological

World waives any and all claims against Ecological, its attorneys and other
representatives, for any and all actions taken or statements made (or those that could have been

taken or made) by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.
