

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties

This Settlement Agreement (“Settlement Agreement”) is hereby entered into by and between Evelyn Wimberley (“Wimberley”) and Shriro USA, Inc. (“Shriro USA”). Wimberley and Shriro USA are collectively referred to as the “Parties,” and each of them sometimes individually as a “Party.” Wimberley alleges that she is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products.

1.2 Allegations and Representations

Wimberley alleges that Shriro USA is a person in the course of doing business for purposes of Proposition 65, Cal. Health & Safety Code § 25249.6 *et seq.* (“Proposition 65”). Wimberley alleges that Shriro USA has offered for sale and sold in the State of California “Everdure by Heston Blumenthal Portable Charcoal BBQs” and other similar charcoal grill products without a Proposition 65 warning that when used as intended with charcoal, wood, or other similar fuel, produce carbon monoxide, soot, and other combustion by-products. Carbon Monoxide, soot, and other combustion by-products are listed under Proposition 65 as chemicals known to the State of California to cause cancer and/or reproductive harm.

1.3 Covered Products

The products that are covered by this Settlement Agreement are defined as, “Everdure by Heston Blumenthal Portable Charcoal BBQs” and all other similar charcoal grill products manufactured, distributed, sold, or offered for sale by Shriro USA in the State of California that when used as intended with charcoal, wood, or other similar fuel, produce carbon monoxide, soot, and other combustion by-products (the “Covered Products”).

1.4 Notice of Violation

On or about June 30, 2020, Wimberley served Shriro Australia Pty Limited (“Shriro Australia”), Williams-Sonoma, Inc. (“Williams-Sonoma”), and all public enforcement agencies

eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” (the “Notice”) that provided Shriro Australia and such public enforcers with notice that alleged that Shriro Australia was in alleged violation of Proposition 65 for failing to warn California consumers that the Covered Products allegedly expose users in California to carbon monoxide, soot, and other combustion by-products when used as intended with charcoal, wood, or other similar fuel. Shriro USA was subsequently identified as the actual supplier and distributor of the Covered Products within California and subsequently entered into negotiations with Wimberly as the responsible party to resolve Wimberly’s claims alleged in the Notice. To the best of the Parties knowledge, no public enforcer diligently prosecuted the claims alleged in the Notice within sixty days plus service time relative to the provision of Notice provided by Wimberley.

1.5 No Admission

The Parties enter into this Settlement Agreement as a full and final settlement of all claims that were raised in the Notice, or that could have been raised in the Notice, arising out of the facts and/or conduct alleged therein. Shriro USA denies the material factual and legal allegations contained in the Notice, and maintains that all of the products it has manufactured, imported, distributed and/or sold, including the Covered Products, have been, and are in compliance with all laws, and are completely safe for their intended use. By execution of this Settlement Agreement and agreeing to comply with its terms, Shriro USA does not admit any facts or conclusions of law including, but not limited to, any facts or conclusions of law suggesting or demonstrating that it has committed any violations of Proposition 65, or any other statutory, common law or equitable requirements relating to exposure to carbon monoxide, soot, or other combustion by-products from the use of Covered Products, such being specifically denied by Shriro USA. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed as an admission by Shriro USA of any fact, conclusion of law, issue of law or violation of law, nor shall this Settlement Agreement be admissible in any legal proceeding for purposes of establishing such an admission. Nothing in this Settlement Agreement shall prejudice, waive or impair any right,

remedy, argument or defense Shriro USA may have in any future legal proceeding, including that it is not subject to personal jurisdiction in California, or that it is exempt from Proposition 65. This Settlement Agreement is the product of negotiation and compromise and is accepted by Shriro USA solely for purposes of settling, compromising, and resolving issues disputed in the Notice. The Parties enter into this Settlement Agreement to resolve all Proposition 65 claims concerning the Covered Products set forth in the Notice, including all claims against manufacturers, distributors, customers, retailers, and affiliates, who allegedly violated Proposition 65 by distributing or selling the Covered Products in California.

1.6 Execution/Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Settlement Agreement is fully executed by the Parties hereto.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Covered Products manufactured, imported, distributed, and/or sold in California by Shriro USA more than 60 days after the Effective Date are deemed to comply with Proposition 65 and this Settlement Agreement if Shriro USA provides Proposition 65 warnings as set forth in Section 2.2. Pursuant to Section 2.2, Shriro USA shall provide one of the two following warning statements for Covered Products manufactured, imported, distributed, and/or sold in California more than 60 days after the Effective Date:

▲ **[California Prop 65] WARNING:** This product can expose you to chemicals including carbon monoxide and other combustion byproducts known to the State of California to cause cancer, and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Or

▲ **[California Prop 65] WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

Language in brackets is optional. The word “**WARNING**” shall be in all capital letters and bold print. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation

point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Covered Product does not use the color yellow, the symbol may be in black and white.

2.2. The warning statement shall be affixed to or printed on the Covered Product itself, or its packaging, or its labeling. The warning shall be displayed with such conspicuousness, as compared with other words, statements, designs, or devices on the Covered Product, its packaging, or its labeling, so as to render it reasonably likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The type size of the warning must be legible, and no smaller than any other warning provided with the Covered Product. The warning requirements of this Settlement Agreement only apply to Covered Products sold in California.

Covered Products that were manufactured, packed, or labeled prior to 60 days after the Effective Date shall be permitted to be sold as previously manufactured, packed and/or labeled.

3. **CIVIL PENALTY & REIMBURSEMENT OF FEES AND COSTS**

3.1 In complete resolution of any claim for monetary relief of any kind related to the Notice, the Covered Products, and this Settlement Agreement (except Wimberly's attorney's fees as set forth in Section 3.2 below), Shriro USA shall pay a total of \$500 in civil penalties to be apportioned in accordance with California Health & Safety Code Section 25192, with 75% of these funds remitted to the State of California's Office of Environmental Health Hazard Assessment (CCR Title 11 Div 4-Proposition 65 Private Enforcement) and the remaining 25% of the penalty remitted to Wimberley, as provided by California Health & Safety Code Section 25249.7.

3.2 As complete reimbursement and resolution of any claim for Wimberly's attorneys' fees, costs, and expenses of any kind incurred in connection with the Notice, the Covered Products, and the negotiation of this Settlement Agreement, Shriro USA shall pay Wimberley's counsel an all-inclusive total of \$16,000 for all attorneys' fees, expert fees, investigation fees, and any other costs or expenses of any kind associated with the Notice, the Covered Products,

bringing this matter to Shriro USA's attention, and negotiating this Settlement Agreement.

3.3 Payment by Shriro USA of all monies due under this Settlement Agreement shall be made by settlement check or via bank wire to the "Law Offices of Stephen Ure, PC" (tax identification number 42-1641673) no later than ten (10) days following the Effective Date. Wimberly's counsel shall be solely responsible for transmitting any monies required under this Settlement Agreement to Wimberly and OEHHA.

3.4 The Law Offices of Stephen Ure, PC agree to provide Shriro USA with tax identification information for all settlement payees within one (1) day following the Effective Date.

3.5 Other than the payment specified herein, each side is to bear its own attorneys' fees and costs.

4. CLAIMS COVERED AND RELEASED

4.1 Wimberly's Release

Wimberley, on behalf of herself, releases Shriro USA and all entities and persons from whom Shriro USA obtained, and to whom Shriro USA directly or indirectly distributes or sells Covered Products, including but not limited to each of its suppliers (including Shriro Australia), manufacturers, distributors, marketplace hosts, wholesalers, licensors, licensees, auctioneers, retailers (including but not limited to Williams-Sonoma), franchisees, dealers, customers, owners, purchasers, and users, and their respective parent companies, corporate affiliates, subsidiaries, officers, directors, attorneys, representatives, shareholders, agents, successors, employees, and sister entities (collectively "Releasees") from all claims for actual or alleged violations of Proposition 65 from Covered Products manufactured up to 60 days after the Effective Date based on exposures to listed chemicals from Covered Products.

In addition to the foregoing, Wimberley, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action, and releases all other claims, actions, causes of action, demands, rights, suits, liabilities, damages, losses, costs, expenses, and attorney's

fees, of any nature whatsoever, known or unknown, in law or equity, fixed or contingent, now or in the future, that she could make against Shriro USA or the other Releasees relating to or arising from products sold or distributed by Shriro USA. With respect to the foregoing waiver and release in this paragraph, Wimberley hereby specifically waives any and all rights and benefits which she now has, or in the future may have, conferred by virtue of Section 1542 of the California Civil Code, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Wimberly, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, expressly waives and relinquishes any and all rights and benefits that she or they may have under, or that may be conferred upon them by, the provisions of California Civil Code § 1542, as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that she or they may lawfully waive such rights or benefits pertaining to the released matters.

4.2 Public Benefit

It is Shriro USA's understanding that the commitments it has agreed to herein, and the actions it has agreed to take under this Settlement Agreement, confer a significant benefit to the general public as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Shriro USA that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Shriro USA's alleged failure to provide a warning concerning actual or alleged exposure to carbon monoxide, soot, or other combustion by-products and/or listed chemicals prior to use of the Covered Products it has caused to be manufactured, imported, distributed, sold, or offered for sale in California, or will cause to be manufactured, distributed, sold, or offered for sale in California, such private party action would not confer a significant benefit on the general public

as to those Covered Products addressed in this Settlement Agreement, provided that Shriro USA is in material compliance with the terms of this Settlement Agreement.

4.3 Shriro USA Release of Wimberley

Aside from any potential dispute relating to this Settlement Agreement, Shriro USA waives any and all claims against Wimberley, her attorneys and other representatives, for any and all actions taken or statements made by Wimberley and her attorneys and other representatives in the course of investigating the claims or otherwise seeking enforcement of Proposition 65 against it in this matter with respect to the Covered Products.

5. SEVERABILITY AND MERGER

If subsequent to the execution of this Settlement Agreement any of the provisions of this document are held by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related hereto shall be deemed merged herein. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof.

6. GOVERNING LAW

6.1 This Settlement Agreement shall be interpreted in accordance with the plain English meaning of its terms and the construction thereof shall be governed by the laws in force in the State of California without regard to conflicts of law principles. This Settlement Agreement resolves any issue, now or in the future, related to compliance with the requirements of Proposition 65 with respect to alleged exposures to listed chemicals arising from Covered Products. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Covered Products, then Shriro USA shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Covered Products are so affected.

6.2 This Settlement Agreement shall apply to and be binding upon Wimberley and Shriro USA, its divisions, subdivisions, and subsidiaries, if any, and the Parties' successors and assigns.

6.3 The Parties, including their counsel, have participated in the preparation of this Settlement Agreement, and this Settlement Agreement is the result of the joint efforts of the Parties. This Settlement Agreement was subject to revision and modification by the Parties and has been accepted and approved as to its final form by all Parties and their counsel. Accordingly, any uncertainty or ambiguity existing in this Settlement Agreement shall not be interpreted against any Party as a result of the manner of the preparation of this Settlement Agreement.

10. MODIFICATION

11. ENFORCEMENT OF SETTLEMENT AGREEMENT

Before any Party may take action to enforce the terms of this Settlement Agreement for alleged breach, that Party must give the other Party written notice and a good faith opportunity to respond and cure the alleged violation. The Parties must thereafter meet and confer for a period of no less than 30 days to try to resolve any alleged violation. If the alleged violation cannot be resolved, the Party alleging a violation may thereafter move to enforce the terms of this Settlement Agreement. A Party who unsuccessfully brings or contests an action arising out of this Settlement Agreement may be ordered by the court to pay the prevailing Party's reasonable attorney's fees and costs.

12. ENTIRE AGREEMENT

No representations, oral or otherwise, express or implied, other than those specifically referred to in this Settlement Agreement have been made by any Party hereto. No supplementation,

modification, waiver, or termination of this Settlement Agreement shall be binding unless executed in writing by the Party to be bound thereby. No waiver of any of the provisions of this Settlement Agreement shall be deemed or shall constitute a waiver of any of the other provisions hereof whether or not similar, nor shall such waiver constitute a continuing waiver.
