

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between EnviroProtect, LLC (“EP”) on the one hand and E&E Co., Ltd. (“E&E”) on the other hand, with E&E and EP each individually referred to as a “Party” and collectively as the “Parties.”

1.2 Introduction and General Allegations.

1.2.1 EP is a limited liability company duly organized and existing in the State of California, which seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products.

1.2.2 EP alleges that E&E employs ten or more persons, and EP alleges that E&E is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2.3 EP alleges that E&E imported, sold, and/or distributed for sale in California Covered Products, as defined below, that contain Di-(2-ethylhexyl) phthalate (“DEHP”), a chemical pursuant to Proposition 65 listed by the State of California to cause cancer and reproductive toxicity. EP further alleges that E&E failed to provide the health hazard warning required by Proposition 65 for exposures to DEHP from the Covered Products.

1.3 Product Description.

The products covered by this Settlement Agreement are the Beautyrest Cooling Cotton Sheet Sets, which were imported, sold and/or distributed for sale in California by E&E (“Covered Products”).

1.4 60 Day Notice of Violation and Exchange of Information.

On March 13, 2020, EP served SSB Manufacturing Company (“SSB”), Homegoods, Inc. (“Homegoods”), and the requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”), related to the Covered Products, alleging that SSB and Homegoods violated Proposition 65. The Notice alleged that SSB and Homegoods had failed to warn its customers and consumers in California of the health hazards associated with exposures to DEHP from its import, sale and/or distribution of the Covered Products.

On July 20, 2020, EP served an Amended Notice, which included E&E as an additional manufacturer, distributor, and/or importer of the Covered Products.

EP subsequently provided E&E with test results in EP’s possession concerning its allegations. E&E provided EP with sales data related to the Covered Products. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission.

The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties’ and the Covered Products’ compliance with Proposition 65. Specifically, EP alleges that E&E imported, manufactured, sold or distributed for sale in the state of California, Covered Products which contained DEHP without first providing the clear and reasonable exposure warning required by Proposition 65. E&E denies that such a warning is required under Proposition 65 or any otherwise applicable law.

E&E further denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has imported, manufactured and/or sold and distributed in California, including the Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by E&E of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by E&E of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by E&E. This Section shall not,

however, diminish or otherwise affect E&E's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date.

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date the Agreement is fully executed by the Parties.

2. INJUNCTIVE RELIEF: REFORMULATED PRODUCTS

2.1 Reformulation Standard. Commencing on the Effective Date, and continuing thereafter, Covered Products that E&E imports, manufactures, ships to be sold or offers for sale or purchase in or into California, or sells in California shall be deemed to comply with Proposition 65, and be exempt from any Proposition 65 warning requirements with respect to DEHP if the Products meet the standard of "Reformulated Products." "Reformulated Products" shall mean Covered Products containing less than or equal to 1,000 parts per million (0.1%) DEHP in each Accessible Component when analyzed pursuant to Environmental Protection Agency testing methodologies 3580A and 8270C, CPSC-CH-C1001-09.3 or equivalent methodologies utilized by federal or state agencies for the purpose of determining DEHP content in a solid substance ("Reformulation Standard"). Covered Products, currently in the channels of distribution with distributors and retailers may continue to be sold-through. However, as of the Effective Date, E&E may not distribute or sell new Covered Products in California that are not Reformulated Products or do not contain the warnings set forth in Paragraph 2.3

2.2 Warning Option. Covered Products that do not meet the Reformulation Standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning shall only be required as to Covered Products that are sold or shipped out to consumers, retailers, or distributors after the Effective Date. No Proposition 65 warning for DEHP shall be required as to any Covered Products that are already in the stream of commerce as of the Effective Date.

2.3 Warning Language. Commencing on the Effective Date, E&E shall ensure that any unreformulated Covered Products that it ships to California retailers or for sale in California

include a clear and reasonable warning. The warning shall be affixed to the packaging or labeling using language similar to the warnings below:

⚠ **WARNING:** This product can expose you to chemicals including Di-(2-ethylhexyl) phthalate (DEHP), which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

OR

⚠ **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

The warning shall be prominently displayed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user is reasonably likely to understand to which specific Product the warning applies, so as to minimize the risk of consumer confusion. In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, E&E shall be entitled to use, at its discretion, such other warning text and/or methods of transmission without being deemed in breach of this Agreement

2.4 Accessible Component. The term “Accessible Component” shall mean any component of the Covered Product that could be touched by a person.

3. CIVIL PENALTY PURSUANT TO HEALTH & SAFETY CODE§ 25249.7(b)

E&E shall pay a civil penalty of \$1000 to be apportioned in accordance with California Health & Safety Code §§25249.12(c) & (d), with 75% of these funds remitted to the State of California's Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty remitted to EP. E&E shall issue two separate checks for the penalty payment: (a) one check made payable to the Kawahito Law Group in Trust for the State of California's Office of Environmental Health Hazard Assessment (“in Trust for OEHHA”) in the amount of \$750 representing 75% of the initial civil penalty and (b) one check to “Kawahito Law Group in Trust for EnviroProtect” in the amount of \$250, representing 25% of the initial civil penalty. Two separate 1099s shall be issued for the above payments: The first 1099 shall be issued to OEHHA, P.O. Box 4010, Sacramento, CA 95814 (EIN: 68-0284486). The second

1099 shall be issued to Kawahito Law Group APC, who shall furnish a W-9 at least five business days before payment is due. The payment shall be delivered on or before October 1, 2020 to the following address:

El Segundo, CA 90245

Payment may also be made by wire or ACH or wire transfer. Instructions will be provided separately upon request.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that EP and its counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving any fee reimbursement issue to be resolved after the material terms of the agreement had been settled. The parties reached an accord on the compensation due to EP and its counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure (CCP) § 1021.5, for all work performed through the mutual execution of this agreement. More specifically, E&E shall pay the total amount of \$17,500 for fees and costs incurred by EP as a result of investigating, bringing this matter to the attention of E&E, and negotiating a settlement. E&E shall wire the funds (instructions will be provided upon request) or make payment by checks payable to "Kawahito Law Group APC." Payment shall be made on the following schedule. The payment shall be delivered on or before October 1, 2020 to the following address:

James Kawahito, Esq.

To allow for the issuance of a timely payment to be rendered pursuant to the above, EP shall provide E&E with a completed IRS Form W-9 for the Kawahito Law Group APC at least five business days prior to payment.

The Release shall also cover any Covered Products that were in the stream of commerce prior to the Effective Date. 5.2 E&E's Release of EP.

E&E on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against EP, its attorneys and other representatives, for any and all actions taken or statements made by EP and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Covered Products.
