

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance, LLC and DSL Holding, Ltd.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and DSL Holding Limited ("DSL"), on the other hand, with Ecological and DSL collectively referred to as the "Parties."

#### 1.2. General Allegations

Ecological alleges that DSL manufactured and/or distributed and/or offered for sale in the State of California pouches containing Di(2-ethylhexyl)phthalate (DEHP) and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as pouches and the packaging for the pouches that DSL has sold, offered for sale or distributed in California and that contain DEHP. All such items shall be referred to herein as the "Products."

#### 1.4. Notice of Violation

On July 23, 2020, Ecological served Momentum Brands, Inc., 99 Cents Only Stores LLC, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that provided DSL and such public enforcers with notice that DSL was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and

customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning DSL 's compliance with Proposition 65. Specifically, DSL denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by DSL of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by DSL of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by DSL . However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of DSL under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

**2. INJUNCTIVE RELIEF: WARNING**

**2.1. Warning**

Products shall be accompanied by a warning as described in Section 2.2 below, no later than 90 days after the Effective Date. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of

California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that DSL places into the stream of commerce within 90 days of the Effective Date.

**2.2. Warning Language**

Where required, DSL shall provide Proposition 65 warnings as follows:

(a) DSL may use any of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product can expose you to DEHP, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to

[www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(2) **WARNING:** Cancer and Reproductive Harm –

[www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) If DSL elects to use the warning statements identified in either 2.2(a)(1), (2), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, DSL shall have no further obligations pursuant to this Settlement Agreement.

(e) In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, DSL shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, DSL shall pay a total of \$6,000 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, DSL shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to DSL 's attention. DSL shall pay Ecological's counsel \$36,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

**5. PAYMENT INFORMATION**

By September 25, 2020, DSL shall make a total payment of Forty-Two Thousand Dollars (\$42,000) for the civil penalties and attorney's fees / costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

**6. RELEASE OF ALL CLAIMS**

**6.1. Release of DSL , Downstream Customers and Upstream Vendors**

This Settlement Agreement is a full, final, and binding resolution between Ecological, on behalf of itself, and (a) DSL, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, members, officers, directors, insurers, agents, attorneys, predecessors, successors, and assigns (collectively the "Releasees"), and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Products, including but not limited to distributors (including but not limited to Momentum Brands, Inc. and 99 Cents Stores Only LLC), wholesalers, customers, retailers, franchisees, cooperative members, and licensees ("Downstream Releasees"), and (c) all entities from whom Releasees received or purchased materials used in the manufacture of the Products ("Upstream Releasees") for any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been, or may in the future be asserted against the Releasees, Downstream Releasees, and/or

Upstream Releasees regarding exposing persons to DEHP and the failure to warn about exposure to the DEHP arising in connection with the Products manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date.

The Parties agree that compliance with the terms of this Settlement Agreement by Releasees and Downstream Releasees shall be deemed to be in compliance with Proposition 65 by Releasees and Downstream Releasees with respect to any exposures to DEHP in the Products manufactured, distributed, or sold by Releasees and Downstream Releasees after the Effective Date.

Ecological also, in its capacity, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against DSL and the Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the

provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

**6.2. DSL 's Release of Ecological**

DSL waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.
