

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Howard Packaging Corp.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Howard Packaging Corp. ("Howard"), on the other hand, with Ecological and Howard collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that Howard manufactured and distributed and offered for sale in the State of California passport protectors containing Di(2-ethylhexyl)phthalate ("DEHP"), and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as passport protectors that Howard has sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

Ecological represents that it is a California limited liability company acting, pursuant to California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65"), California Health & Safety Code section 25249.7(d), to bring an action in the interest of the general public seeking to further, among other causes, the protection of the environment, toxics

reduction, the promotion and improvement of human health, the improvement of workers and consumer rights, environmental education and corporate accountability. Pursuant to California Health & Safety Code section 25249.7(d)(1), on July 27, 2020, Ecological served Howard, Rite Aid Corporation, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Howard and such public enforcers with notice that Howard was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. Ecological further stated in the Notice that it intended to bring an enforcement action in the interest of the general public in sixty or more days after the Notice was served. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Howard's compliance with Proposition 65. Howard denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Howard of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Howard of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Howard on its behalf. However, nothing in this section shall

diminish or otherwise affect the obligations, responsibilities, and duties of Ecological and Howard under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: WARNING

2.1. Warning

As of the Effective Date, Howard shall manufacture, import, or otherwise source for authorized sale in California, if at all, only Reformulated Products, as defined pursuant to Section 2.2 below, unless such Products are labeled with clear and reasonable Proposition 65 warning language pursuant to Section 2.3 below. Products that were supplied to third parties by Howard prior to the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.2. Reformulation Standards

"Reformulated Products" are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

2.3. Warning Language

Where required, Howard shall provide Proposition 65 warnings as follows:

(a) Howard may use any of the following warning statements in full compliance with this Section:

- (1) **WARNING:** This product can expose you to chemicals including Di(2-ethylhexyl)phthalate (“DEHP”), which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
- (2) **WARNING –** Cancer and Reproductive Harm – www.P65Warnings.ca.gov.

(b) If Howard uses either of the above warning statements to effectuate its compliance, it shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, Howard shall have no further obligations pursuant to this Settlement Agreement.

(e) In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or

methods of transmission different than those set forth above, Howard shall be entitled to use, at their discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

In settlement of all the claims referred to in this Settlement Agreement, and without admitting any violation or liability, Howard shall pay a total of \$100 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the amount of this settlement due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, and without admitting liability, Howard shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Howard's attention. Howard shall pay Ecological's counsel \$10,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.
