

SETTLEMENT AGREEMENT

AG No. 2020-02027 (Walmart)

1. INTRODUCTION

1.1 Vinocur and Tasharina Corp.

This settlement agreement (Settlement Agreement) is entered into by and between Laurence Vinocur (Vinocur) and Tasharina Corporation (Tasharina or Settling Entity) with Vinocur and Tasharina referred to as the “Parties.” Vinocur is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Tasharina is a responsible party selling the products at issue set forth in subsection 1.3 below to California consumers and/or downstream entities in the course of doing business which sell into the California marketplace (customers), such as Walmart.com, for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§25249.5, *et seq.* (Proposition 65).

1.2 General Allegations

Vinocur alleges that the Settling Entity manufactures, imports, distributes, retails and/or otherwise facilitates for sale in California the Product defined below, and that it does so without providing the health hazard warning required by Proposition 65 for consumer exposures to lead. Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects and other reproductive harm.

1.3 Product Description

The product covered by this Settlement Agreement is *Unique Bargains Round Split Shot Fishing Sinker Weight 100 Pcs*, hereinafter the “Products.”

1.4 Notice of Violation

On or about August 8, 2020, Vinocur served Walmart, Inc. and certain requisite public enforcement agencies with a 60-Day Notice of Violation (Notice), alleging that Walmart, Inc. violated Proposition 65 when it failed to warn customers or consumers in California that the Product exposes users to lead. To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

The Settling Entity denies the material, factual and legal allegations contained in the Notice and maintains that all products that were sold and distributed in California, including the Product, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by the Settling Entity of any fact, finding, issue of law or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by the Settling Entity of any fact, finding, conclusion, issue of law or violation of law. This section shall not, however, diminish or otherwise affect the obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean October 23, 2020.

2. INJUNCTIVE RELIEF: REFORMULATION OR WARNINGS

2.1 Injunctive Relief

Commencing on the Effective Date and continuing thereafter, Tasharina shall use its best efforts to manufacture, import, distribute, retail or otherwise facilitate for sell the Product so it is reformulated as defined by subsection 2.2 below. Alternatively, if the Product is not reformulated under subsection 2.2, it shall be labeled with a clear and reasonable warning as set forth in subsection 2.3. If, after the Effective Date, the Settling Entity sells the Product without being reformulated via mail order catalog and/or online to California consumers or through its customers, the Settling Entity shall also provide health hazard warning for the Product by

identifying the specific Product to which the warning applies as set forth in subsections 2.3 through 2.6 below.

2.2 Reformulation Standards

“Reformulated Product” is a Product that: (a) contains lead in concentrations that do not exceed 90 parts per million (ppm), equivalent to 0.009%, in any exterior parts analyzed pursuant to U.S. Environmental Protection Agency (EPA) testing methodologies 3050B and 6010B; and (b) yield a result of no more than 1.0 micrograms of lead when sampled according to NIOSH 9100 protocol and analyzed according to EPA 6010B. In addition to the above test methodologies, the Settling Entity may use equivalent methodologies utilized by a state or federal agency to determine lead content in a solid substance or the amount of the bioavailability of lead through a wipe test, respectively.

2.3 Clear and Reasonable Warnings

Commencing on or before the Effective Date, Tasharina shall provide clear and reasonable warnings for all units of the Product that are not defined as a Reformulated Product for sale to California consumers or its customers in accordance with this subsection. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use and shall be provided in a manner such that it is clearly associated with the specific Product to which the warning applies.

(a) **Warning.** The warning shall consist of either of the following statements (Warning):

 **WARNING:** This product can expose you to lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

or

 **WARNING:** This product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b) **Short-Form Warning.** The Settling Entity may, but is not required to, use the following short-form warning as set forth in this subsection 2.3(b) (Short-Form Warning) so long as it is consistent with the implementing regulations, and subject to the additional requirements in subsections 2.5 and 2.6, as follows:

 **WARNING:** Reproductive Harm – www.P65Warnings.ca.gov

(c) **Foreign Language Requirement.** Where a product sign, label or shelf tag used to provide a warning includes consumer information in a language other than English, the warning must also be provided in that language in addition to English.

2.4 Product Warnings

The Settling Entity shall affix a warning to the Product label or otherwise directly on each unit of the Product, that is not a Reformulated Product, provided through in-store retail outlets in California. For the purpose of this Settlement Agreement, “Product label” means a display of written, printed, or graphic material that is printed on or affixed to a Product or its immediate container. The entire warning shall appear in a type size of at least 6-point type and no smaller than the largest type size used for other consumer information on the product. The warning shall consist of either the Warning, or the Short-Form Warning described above in subsection 2.3(a) or (b), respectively, and be consistent with 2.3(c) above if it applies.

2.5 Mail Order Catalog Warnings

In the event that, after the Effective Date, the Settling Entity prints new catalogs and sells units of the Product, that is not a Reformulated Product, via mail order through such catalogs to California consumers or customers, the Settling Entity shall provide a warning for each unit of the Product in the catalog in a manner that clearly associates the warning with the specific Product being purchased. Any warning provided in a mail order catalog shall be in the same

type size or larger than other consumer information provided for the Product within the catalog and shall be provided on the same page and in the same location as the display and/or description of the Product. The catalog warning may use the Short-Form Warning content described in subsection 2.3(b) if the warning provided on the Product label also uses the Short-Form Warning content.

2.6 Internet Warnings

If, after the Effective Date, the Settling Entity offers for sale any units of the Product that is not a Reformulated Product, via the internet to customers or consumers located in California, the Settling Entity shall prominently display the warning to the consumer or customer prior to their completing the purchase or during the purchase of the Product without requiring the potential purchasers to seek out the warning. The warning or a clearly marked hyperlink to the warning using the word “**WARNING**” given in conjunction with the sale of the Products via the internet shall appear either: (a) on the same web page on which the Product is displayed; (b) on the same web page as the order form for the Product; or (c) on one or more web pages displayed to a purchaser during the checkout process. The warning shall appear in any of the above instances adjacent to or immediately following the display or description of the Product for which it is given in the same type size or larger than the Product description text. The internet warning may use the Short-Form Warning content described in subsection 2.3(b) if the warning provided on the Product label also uses the Short-Form Warning content. The Settling Entity shall also follow subsection 2.3(c) if applicable for such online warning.

2.7 Voluntary Compliance; Injunctive Relief – Related Products

The Parties agree that the Notice of Violation and this Settlement Agreement is addressed only to the Product described in subsection 1.3. Notwithstanding, Tasharina voluntarily agrees to comply with the terms and conditions set forth in Section 2 (Injunctive Relief) as to fishing weights containing lead sold by Tasharina (Related Products), unless they are Reformulated Products.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Fines

Pursuant to Health and Safety Code §25249.7(b), and in settlement of all claims alleged in the Notice, the Settling Entity agrees to pay a total of \$2,160 in civil fines. This payment will be allocated in accordance with California Health and Safety Code §25249.12(c)(1) and (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (OEHHA) and the remaining 25% of the penalty amount paid to and retained by Vinocur.

The Settling Entity will deliver its civil penalty payment to the address in subsection 3.3 by overnight courier, with a tracking number, such that payment is received by Vinocur's counsel on or before October 30, 2020. The Settling Entity shall provide two checks made payable to: (a) "OEHHA" in the amount of \$1,620; and (b) "Laurence Vinocur" in the amount of \$540. Thereafter, Vinocur's counsel shall send the portions of the penalties paid by the Settling Entity to OEHHA and Vinocur.

3.2 Reimbursement of Attorneys' Fees and Costs

The Parties acknowledge that Vinocur and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been finalized, the Settling Entity expressed a desire to resolve Vinocur's fees and costs. The Parties then negotiated a resolution of the compensation due to Vinocur's counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure §1021.5. For all work performed through the mutual execution of this agreement, the Settling Entity shall reimburse Vinocur's counsel \$16,130. The Settling Entity will deliver its payment to the address in subsection 3.3 by overnight courier, with a tracking number, such that payment is received by Vinocur's counsel on or before October 30, 2020, in the form of a check payable to "Chanler, LLC." The reimbursement shall cover all fees and costs incurred by Vinocur investigating, bringing this

matter to the Settling Entity's attention, and negotiating a settlement of the matter in furtherance of the public interest.

3.3 Payment Address

All payments required by this Settlement Agreement shall be delivered to the following address:

Chanler, LLC
Attn: Proposition 65 Controller
72 Huckleberry Hill Road
New Canaan, CT 06840

4. CLAIMS COVERED AND RELEASED

4.1 Vinocur's Release of The Settling Entity

This Settlement Agreement is a full, final and binding resolution between Vinocur, as an individual (and not on behalf of the public yet furthers its health interest), and the Settling Entity, of any violation of Proposition 65 that was or could have been asserted by Vinocur on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, against the Settling Entity, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, employees, attorneys, and each entity to whom the Settling Entity directly or indirectly distribute or sell the Product and Related Products including, but not limited, to downstream distributors, wholesalers, customers, retailers (such as Walmart, Inc.), franchisees, cooperative members, and licensees (collectively, Releasees), based on their failure to warn about alleged exposures to lead contained in the Product and Related Products that was manufactured, distributed, sold and/or offered for sale by the Settling Entity and its Releasees in California before the Effective Date, as alleged in the Notice and as referenced in Paragraph 2.7.

In further consideration of the promises and agreements herein contained, Vinocur as an individual on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of his rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that he may have including, without

limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, attorneys' fees as alleged in the Notice, sold by the Settling Entity before the Effective Date against the Settling Entity and its Releasees.

The Parties further understand and agree that this subsection 4.1 release shall not extend upstream to any entities that manufactured the Product or any component parts thereof, or any distributors or suppliers who sold the Product or any component parts thereof to the Settling Entity. Nothing in this subsection affects Vinocur's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve the Product.

4.2 The Settling Entity's Release of Vinocur

The Settling Entity, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against Vinocur and his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Vinocur and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 in connection with the Notice or Product.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Vinocur on behalf of himself only, on one hand, and Tasharina, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE THAT, IF KNOWN BY HIM OR HER, WOULD HAVE

MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH DEBTOR OR RELEASED PARTY.

Vinocur and Tasharina expressly relinquish any and all rights and benefits which it may have under, or which may be conferred on them by the provisions of Section 1542 of the California Civil Code as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters. In furtherance of such intention, the releases hereby given shall be and remain in effect as a full and complete release notwithstanding the discovery or existence of any such additional or different claims or facts arising out of the released matters.

5. SEVERABILITY

If, subsequent to its execution, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or if any of the provisions of this Settlement Agreement are rendered inapplicable by reason of law specifically as to the Products, then the Settling Entity shall provide written notice to Vinocur of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Product is so affected. Nothing in this Settlement Agreement shall be interpreted to relieve the Settling Entity from any obligation to comply with any pertinent state or federal toxics control law.

7. NOTICE

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and: (a) personally delivered; (b) sent by first-class (registered or certified mail) return receipt requested; or (c) sent by overnight courier, to one party by the other party at the following addresses:
