

# SETTLEMENT AND RELEASE AGREEMENT

## 1. **INTRODUCTION**

### 1.1. **Ecological Alliance, LLC and IPS Corporation**

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and IPS Corporation ("IPS"), on the other hand, with Ecological and IPS collectively referred to as the "Parties."

### 1.2. **General Allegations**

Ecological alleges that IPS manufactured and/or distributed and/or offered for sale in the State of California rain collars containing Diisononyl phthalate [DINP], and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DINP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

### 1.3. **Product Description**

The products that are covered by this Settlement Agreement are defined as rain collars containing Diisononyl phthalate [DINP], that IPS has sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

### 1.4. **Notice of Violation**

On August 11, 2020, Ecological served The Home Depot U.S.A., Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that provided IPS and such public enforcers with notice that IPS was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers

that the Products exposed users in California to DINP. To the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning IPS's compliance with Proposition 65. Specifically, IPS denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by IPS of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by IPS of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by IPS. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of IPS under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

**2. INJUNCTIVE RELIEF: WARNING**

**2.1. Warning**

Products shall be accompanied by a warning as described in Section 2.2 below, no later than 90 days after the Effective Date. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The Parties agree that Products shall be accompanied by a warning as described in

Section 2.2 below unless the Product contains no more than 1,000 parts per million DINP. Products with less than 1,000 parts per million DINP shall be considered compliant with Proposition 65. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that IPS places into the stream of commerce within 90 days of the Effective Date.

## **2.2. Warning Language**

Where required, IPS shall provide Proposition 65 warnings as follows:

- (a) IPS may use any of the following warning statements in full compliance with this Section:
  - (1) **WARNING:** This product can expose you to chemicals including diisonomyl phthalate (DINP), which is known to the State of California to cause cancer. For more info go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
  - (2) **WARNING:** Cancer – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
- (b) If IPS elects to use the warning statements identified in either 2.2(a)(1) or (2), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".
- (c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties

recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DINP should no longer be required, IPS shall have no further obligations pursuant to this Settlement Agreement.

(e) In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, IPS shall be entitled to use, at their discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, IPS shall pay a total of \$250 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

**4. REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, IPS shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to IPS's attention. IPS shall pay Ecological's counsel

\$11,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.
