

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and PixieStix Bakery, LLC (“PixieStix”), on the other hand, with EHA and PixieStix each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. PixieStix is a person doing business in California for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that PixieStix manufactures, sells, and distributes for sale in California, brownie thins that contain Acrylamide and that it does so without first providing the health hazard warning required by Proposition 65. Acrylamide is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

1.3 Product Description

The products covered by this Settlement Agreement is defined as, and expressly limited to, Lilabee Brownie Thins (“Products”), that contains Acrylamide and that are manufactured, sold or distributed for sale in California by PixieStix.

1.4 Notice of Violation

On September 1, 2020, EHA served PixieStix Bakery, LLC, Lunardi’s Supermarket, Inc., the California Attorney General and other requisite public enforcers with a 60-Day Notice of Violation (“Notice”), alleging that PixieStix and others violated Proposition 65 when they failed to warn its customers and consumers in California of the health risks associated with exposures to Acrylamide from the Product.

To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

PixieStix denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by PixieStix of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by PixieStix of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by PixieStix. This Section shall not, however, diminish or otherwise affect PixieStix' obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean sixty (60) days following the execution of this Settlement Agreement by the Parties.

2. INJUNCTIVE RELIEF

2.1 Clear and Reasonable Warnings

Commencing on the Effective Date, and continuing thereafter, PixieStix agrees to only manufacture for sale, purchase for sale, import for sale, or distribute for sale in or into California, Products sold with a health hazard warning as provided for in Section 2.2.

2.2 General Warning Requirements

PixieStix agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or consumption. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed to the packaging, label, tag, or directly to each Product sold in California by PixieStix that contains the following statements:

- 1) WARNING:** This product can expose you to chemicals including Acrylamide, which is known to the State of

California to cause cancer, birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

2) WARNING: Cancer and Reproductive Harm –
www.P65Warnings.cs.gov

The warning shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING”. The same warning shall be posted on any websites where the Products are sold in California.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment or another authorized agency promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, or legislation is enacted by the California legislature, United States Congress or voters with such requirements or permission, PixieStix shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that warnings as to Acrylamide in the Products are no longer required, or are required at safe harbor levels above the levels of the Products, a lack of warning by PixieStix will not thereafter be a breach of this Agreement.

2.3 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Products that are already in the stream of commerce as of the Effective Date, which Products are expressly subject to the releases provided in Section 4.1.

This Settlement Agreement is a full, final, and binding resolution between EHA, on its own behalf and not on behalf of the public, and PixieStix of any violation of Proposition 65 that was or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against PixieStix and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, each upstream entity from whom the Product was purchased by PixieStix, and each entity to whom PixieStix directly or indirectly distributes or sells the Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees,

cooperative members and licensees (“Releasees”), based on the failure to warn about exposures to Acrylamide in the Products manufactured, sold or distributed for sale in California by PixieStix before the Effective Date, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against PixieStix and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to Acrylamide in the Products manufactured, distributed, sold or offered for sale by PixieStix, before the Effective Date.

The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS
THAT THE CREDITOR OR RELEASING PARTY DOES NOT
