

# PROPOSITION 65 SETTLEMENT AGREEMENT

## 1. INTRODUCTION

### 1.1 The Parties

This Settlement Agreement (“**Agreement**”) is entered into by and between Keep America Safe & Beautiful (“**KASB**”) and 2Fold Supply LLC (“**2Fold**”), with KASB and 2Fold each individually referred to as a “**Party**” and collectively, as the “**Parties.**” KASB is a California-based non-profit organization proceeding in the public interest pursuant to California Health & Safety Code §§ 25249.7(d) to ensure that chemicals known to the State of California to cause cancer, birth defects or other reproductive harm are disclosed in or eliminated from consumer products sold in California. KASB contends 2Fold is a person in the course of doing business for purposes of California Health & Safety Code §§ 25249.11(b).

### 1.2 Consumer Product Description

KASB alleges that 2Fold manufactures, imports, sells and distributes for sale in California vinyl rolling mats containing di(2-ethylhexyl) phthalate (“**DEHP**”) including, but not limited to, Forged Dice Co. Scroll Tray and Rolling Mat – Grey Product No. X002FRAUDJ, UPC 8 10004 70250 9, referred to hereinafter as the “**Products,**” without providing the health hazard warning that KASB alleges is required by California Health & Safety Code §§ 25249.5 *et seq.* (“**Proposition 65**”). **DEHP** is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects and other reproductive harm.

### 1.3 Notice of Violation

On September 30, 2020, KASB served 2Fold, Amazon.com, Inc., the California Attorney General and the requisite public enforcement agencies with a 60-Day Notice of Violation (“**Notice**”), alleging Amazon.com, Inc. and 2Fold violated Proposition 65 when they failed to warn their customers and consumers in California that the Products can expose users to DEHP. 2Fold is the supplier of the Products. No public enforcer has commenced and is diligently prosecuting an action to enforce the allegations set forth in the Notice.

### 1.4 No Admission

2Fold denies the material, factual, and legal allegations contained in the Notice, and

maintains that all products it has sold or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Agreement shall be construed as, nor shall compliance with this Agreement constitute or be construed as, an admission by 2Fold of any fact, finding, conclusion of law, issue of law, or violation of law. This section shall not, however, diminish or otherwise affect 2Fold's obligations, responsibilities, and duties under this Agreement.

### **1.5 Effective Date**

For purposes of this Agreement, "**Effective Date**" shall mean April 30, 2021.

## **2. INJUNCTIVE RELIEF: REFORMULATION OR WARNINGS**

### **2.1 Reformulation Commitment**

Commencing on the Effective Date and continuing thereafter, each Product 2Fold manufactures, imports, sells or distributes for sale in or into California shall meet the Reformulation Standard for Reformulated Products, as defined by Section 2.2, or be accompanied by a clear and reasonable warning pursuant to Section 2.3.

### **2.2 Reformulation Standard**

For purposes of this Agreement, "Reformulated Products" are defined as Products which, if they contain di(2-ethylhexyl) phthalate ("**DEHP**"), di-n-butyl phthalate ("**DBP**"), diisononyl phthalate ("**DINP**"), butyl benzyl phthalate ("**BBP**"), di-isodecyl phthalate ("**DIDP**") and di-n-hexyl phthalate ("**DnHP**"), contain any or all such chemicals each in a maximum concentration of less than 0.1 percent (1,000 parts per million) when analyzed by a laboratory accredited by the State of California, a federal agency, or a nationally recognized accrediting organization.

For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission ("**CPSC**") methodology CPSC-CH-C1001.09.3 and analyzed using U.S. Environmental Protection Agency methodology 8270D, or other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

### 2.3 Clear and Reasonable Warnings

Commencing on or before the Effective Date, 2Fold shall provide clear and reasonable warnings for all Products provided for sale to consumers in California and to customers with retail outlets in California or nationwide distribution in accordance with this Section pursuant to Title 27 California Code of Regulations § 25600, et seq. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use and shall be provided in a manner such that it is clearly associated with the specific Product to which the warning applies.

(a) **Warning.** The Warning shall consist of the following statement:

 **WARNING:** This product can expose you to DEHP, which is known to the State of California to cause birth defects and other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(b) **Short-Form Warning.** 2Fold may, but is not required to, use the following short-form warning as set forth in this subsection 2.3(b) (“**Short-Form Warning**”), and subject to the additional requirements in Sections 2.5 and 2.6, as follows:

 **WARNING:** Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

(c) **Foreign Language Requirement.** Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

### 2.4 Product Warnings

2Fold shall affix a warning to the Product label or otherwise directly on Products provided for sale to consumers located in California and to customers with retail outlets in California or nationwide distribution. For the purpose of this agreement, “**Product label**” means a display of written, printed or graphic material that is printed on or affixed to each of the Products or its immediate container or wrapper. A warning provided pursuant to section 2.3(a) or (b) must print the word “**WARNING:**” in all capital letters and in bold font. The warning

symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the labeling does not use the color yellow, then the symbol may be in black and white. The entire warning shall appear in a type size of at least 6-point type and no smaller than the largest type size used for other consumer information on the Products. The warning shall consist of either the Warning, or the Short-Form Warning described in subsection 2.3(a) or (b), respectively.

## **2.5 Internet Warnings**

If, after the Effective Date, 2Fold sells Products via the internet to consumers located in California or to customers with nationwide distribution, 2Fold shall provide warnings for each Product both on the Product label in accordance with Section 2.4, and by prominently displaying the warning to the customer prior to completing the purchase or during the purchase of the Products without requiring customers to seek out the warning. The warning or a clearly marked hyperlink to the warning using the word “**WARNING**” given in conjunction with the sale of the Products via the internet shall appear either: (a) on the same web page on which the Products are displayed; (b) on the same web page as the order form for the Products; (c) on the same page as the price for the Products; or (d) on one or more web pages displayed to a purchaser during the checkout process. The warning shall appear in any of the above instances adjacent to or immediately following the display, description or price of the Products for which it is given in the same type size or larger than other consumer information provided for the Products. The internet warning may use the Short-Form Warning content described in Section 2.3(b) if the warning provided on the Product label also uses the Short-Form Warning content.

## **3. MONETARY SETTLEMENT TERMS**

### **3.1 Initial Civil Penalty**

Pursuant to Health and Safety Code § 25249.7(b), 2Fold agrees to pay a civil penalty of \$400 within five (5) days of the Effective Date. 2Fold’s civil penalty payment will be allocated according to Health and Safety Code §§ 25249.12(c)(1) and (d), with seventy-five percent (75%) of the penalty paid to the California Office of Environmental Health Hazard Assessment

(“OEHHA”), and the remaining twenty-five percent (25%) retained by KASB. 2Fold shall issue its payment in two checks made payable to: (a) “OEHHA” in the amount of \$400; and (b) “Keep America Safe & Beautiful” in the amount of \$100. KASB’s counsel shall deliver to OEHHA and KASB their respective portion of the penalty payment.

### **3.2 Reimbursement of Attorneys’ Fees and Costs**

KASB and its counsel offered to resolve the allegations in the Notice without reaching terms on the amount of reimbursement of attorneys’ fees and costs. Shortly after the Parties finalized the other material settlement terms, they negotiated and reached an accord on the amount of reimbursement to be paid to KASB’s counsel, under general contract principles and the private attorney general doctrine, codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution and reporting of this Agreement to the Office of the California Attorney General. On or before April 30, 2021, and on or before May 31, 2021, 2Fold shall issue two separate checks each in the amount of \$3,750 payable to “Seven Hills LLP” for a total amount of \$7,500 in reimbursement for all fees and costs incurred investigating, bringing this matter to 2Fold’s attention, negotiating a settlement in the public interest, and reporting its terms to Office of the California Attorney General pursuant to Section 9.

### **3.3 Payments**

All payments payable and due under this Agreement shall be delivered to KASB’s counsel at following address:

Seven Hills LLP  
Attn: Laralei Paras  
4 Embarcadero Center, Suite 1400  
San Francisco, CA 94111

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 KASB’s Release of 2Fold**

This Agreement is a full, final and binding resolution between KASB, as an individual and *not* on behalf of the public, and 2Fold, of any violation of Proposition 65 that was or could have been asserted by KASB on behalf of itself, its past and current agents, representatives,

attorneys, successors, and/or assignees, against 2Fold, its past and present parents, subsidiaries, affiliated entities under common ownership, directors, officers, employees, attorneys, and each entity to whom 2Fold directly or indirectly distributes or sells Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (collectively, “**Releasees**”), based on their failure to warn about alleged exposures to DEHP contained in the Products that were manufactured, distributed, sold and/or offered for sale by 2Fold in California before the Effective Date, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, KASB as an individual and *not* on behalf of the public, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of KASB’s rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that KASB may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, investigation fees, expert fees, and attorneys’ fees arising under Proposition 65 with respect to DEHP, DBP, DINP, BBP, DIDP and/or DnHP in Products manufactured, distributed, sold and/or offered for sale by 2Fold, before the Effective Date (collectively, “**Claims**”), against 2Fold and Releasees.

The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to 2Fold. Nothing in this Section affects KASB’s right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve 2Fold’s Products.

#### **4.2 2Fold’s Release of KASB**

2Fold, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against KASB and its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by KASB and its attorneys and other representatives, whether in the course

of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

**5. SEVERABILITY**

If, subsequent to the execution of this Agreement, any provision of this Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

**6. GOVERNING LAW**

The terms of this Agreement shall be governed by the laws of the State of California and apply within California. In the event that Proposition 65 is repealed, preempted, or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then 2Fold may provide KASB with written notice of any asserted change in the law, and shall have no further injunctive obligations pursuant to this Agreement, with respect to, and to the extent that, the Products are so affected. Nothing in this Agreement shall be interpreted to relieve 2Fold from its obligation to comply with any pertinent state or federal law or regulation.
