

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Jo-Ann Stores, LLC

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Jo-Ann Stores, LLC ("Jo-Ann"), on the other hand, with Ecological and Jo-Ann collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that Jo-Ann has sold and/or distributed for sale in the State of California jump ring mandrels containing Di(2-ethylhexyl)phthalate [DEHP], and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as hildie & jo jump ring mandrels containing Di(2-ethylhexyl)phthalate [DEHP], that Jo-Ann has sold or distributed for sale in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On October 6, 2020, Ecological served Jo-Ann and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that provided Jo-Ann and such public enforcers with notice that Jo-Ann was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the

Products exposed users in California to DEHP. To the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Jo-Ann's compliance with Proposition 65. Specifically, Jo-Ann denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has sold or distributed for sale in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Jo-Ann of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Jo-Ann of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Jo-Ann. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Jo-Ann under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: WARNING

2.1. Warning

Products shall be accompanied by a warning as described in Section 2.2 below, no later than 120 days after the Effective Date. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of

California. The Parties agree that Products shall be accompanied by a warning as described in Section 2.2 below unless the Product contains less than 0.1 percent (1,000 parts per million) DEHP. Products with less than 0.1 percent (1,000 parts per million) DEHP shall be considered compliant with Proposition 65. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Jo-Ann places into the stream of commerce within 120 days of the Effective Date, including but not limited to Products in distribution centers, in inventory or at retail locations.

2.2. Warning Language

Where required, Jo-Ann shall provide Proposition 65 warnings as follows:

(a) Jo-Ann may use any of the following warning statements in full compliance with this Section:

(2) **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov.

(b) If Jo-Ann elects to use the warning statements identified in either 2.2(a)(1) or (2), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, Jo-Ann shall have no further obligations pursuant to this Settlement Agreement.

(e) In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Jo-Ann shall be entitled to use, at their discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

investigating and bringing this matter to Jo-Ann's attention. Jo-Ann shall pay Ecological's counsel \$9,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal
