

PROPOSITION 65 SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties

This Settlement Agreement (“**Agreement**”) is entered into by and between Keep America Safe and Beautiful (“**KASB**”) and Anaissance Corporation, *dba* DuraChoice Co. and *dba* DirectMaterial.com (“**Anaissance Corporation**”), with KASB and Anaissance Corporation each individually referred to as a “**Party**” and collectively, as the “**Parties**.” KASB, is a person in the State of California proceeding in the public interest pursuant to California Health & Safety Code §§ 25249.7(d) to ensure that chemicals known to the State of California to cause cancer, birth defects or other reproductive harm are disclosed in or eliminated from consumer products sold in California. KASB alleges Anaissance Corporation is a person in the course of doing business for purposes of California Health & Safety Code §§ 25249.11(b).

1.2 Allegations and Chemical

KASB alleges that Anaissance Corporation manufactures, imports, sells and distributes for sale in California tools with grips containing di(2-ethylhexyl) phthalate (“**DEHP**”) without providing the health hazard warning that KASB alleges is required by California Health & Safety Code §§ 25249.5 *et seq.* (“**Proposition 65**”). DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects and other reproductive harm.

1.3 Consumer Product Description

The Consumer Products that are the subject of this Agreement are tools with grips containing DEHP that are manufactured, imported, distributed, sold or offered for sale by Anaissance Corporation and are specifically limited those tools with grips sold by and through Walmart, Inc., including the *1/2” Stainless Steel (316) Male x Female Ball Valve (2-part), VBS02MF050, Model #1000WOG, UPC #7 83583 83831 3* (hereinafter “**Products**”).

1.4 Notice of Violation

On October 7, 2020, KASB served DirectMaterial.com, Durachoice Co. (collectively “**Anaissance Corporation**”), Walmart, Inc., the California Attorney General and the requisite public enforcement agencies with a 60-Day Notice of Violation (“**Notice**”), alleging Anaissance

Corporation violated Proposition 65 when it failed to provide a clear and reasonable warning to its customers and to consumers in California that its Products can expose users to DEHP, a known developmental and reproductive toxin. No public enforcer has commenced and is diligently prosecuting an action to enforce the allegations set forth in the Notice.

1.5 No Admission

Anaissance Corporation denies the material, factual, and legal allegations contained in the Notice, including that it is a person within the course of doing business, and maintains all products it sold or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Agreement shall be construed as, nor shall compliance with this Agreement constitute or be construed as, an admission by Anaissance Corporation of any fact, finding, conclusion of law, issue of law, or violation of law. This section shall not, however, diminish or otherwise affect Anaissance Corporation's obligations, responsibilities, and duties under this Agreement.

1.6 Effective Date

For purposes of this Agreement, the term "**Effective Date**" shall mean March 30, 2021.

2. INJUNCTIVE RELIEF: REFORMULATION OR WARNINGS

2.1 Reformulation Commitment

Commencing on the Effective Date, and continuing thereafter, each Product Anaissance Corporation manufactures, imports, or distributes for sale or otherwise sells, directly or through third parties, to consumers in California shall meet the Reformulation Standard for Reformulated Products, as defined by Section 2.2, or be accompanied by a clear and reasonable warning pursuant to Section 2.3.

2.2 Reformulation Standard

For purposes of this Agreement, "**Reformulated Products**" are defined as Products which, if they contain di(2-ethylhexyl)phthalate ("**DEHP**"), di-n-butyl phthalate ("**DBP**"), diisononyl phthalate ("**DINP**"), butyl benzyl phthalate ("**BBP**"), di-isodecyl phthalate ("**DIDP**") and/or di-n-hexyl phthalate ("**DnHP**"), contain any or all of such chemicals each in a

maximum concentration of less than 0.1 percent (1,000 parts per million) in any accessible component (i.e. any component that may be touched during a reasonably foreseeable use of the Product when utilized according to its intended purpose) when analyzed by a laboratory accredited by the State of California, a federal agency, or a nationally recognized accrediting organization (“**Reformulation Standard**”).

For purposes of compliance with this Reformulation Standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission (“**CPSC**”) methodology CPSC-CH-C1001.09.3 and analyzed using U.S. Environmental Protection Agency methodology 8270D or other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

2.3 Clear and Reasonable Warnings

Commencing on or before the Effective Date, Anaissance Corporation shall provide clear and reasonable warnings for all Products provided for sale to customers in California, in accordance with this Section, pursuant to Title 27 California Code of Regulations § 25600, *et seq.* Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use and shall be provided in a manner such that it is clearly associated with the specific Product to which the warning applies such that the consumer does not have to search for the warning. For purposes of this Agreement, the Parties agree the following warnings are clear and reasonable:

(a) **Warning.** The Warning shall consist of the following statement:

 **WARNING:** This product can expose you to DEHP, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b) **Short-Form Warning.** Anaissance Corporation may, but is not required to, use the following short-form warning as set forth in this subsection 2.3(b) (“**Short-Form Warning**”), subject to the additional requirements in Sections 2.5 and 2.6, as follows:

 **WARNING:** Reproductive Harm - www.P65Warnings.ca.gov.

(c) **Foreign Language Requirement.** Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in a language other than English, the warning must also be provided in that language in addition to English.

2.4 Product Warnings

Anaissance Corporation shall affix a warning to the Product label or otherwise directly on each individual Product provided for sale in retail stores, sold via mail order catalog, and/or sold via the internet to customers located in California. The Product label warning shall consist of either the Warning or the Short-Form Warning, as described in Section 2.3, above. For purposes of this Agreement, “**Product label**” means a display of written, printed or graphic material that is printed on or affixed to a Product or its immediate container or wrapper. Any warning provided must print the word “**WARNING:**” in all capital letters and in bold font. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except, if the labeling does not use the color yellow, then the symbol may be in black and white. The entire warning shall appear in a type size of at least 6-point type and in no event smaller than the largest type size used for other consumer information on the product.

2.5 Mail Order Catalog Warnings

If, after the Effective Date, Anaissance Corporation prints new catalogs and sells Products via mail order through such catalogs to customers located in California, Anaissance Corporation shall provide a warning for each Product both on the Product label, in accordance with Section 2.4, and in the catalog in a manner clearly associating the warning with the specific Product being purchased. Any warning provided in a mail order catalog shall be in the same type size or larger than other consumer information provided for the Product within the catalog and shall be provided on the same page and in the same location as the display and/or description of the Product. The catalog warning may use the Short-Form Warning content described in Section 2.3(b), if the warning provided on the Product label also uses the Short-Form Warning content.

Where it is impracticable to provide the warning on the same page and in the same location as the display and/or description of the Product, Anaissance Corporation may utilize a designated symbol of Anaissance Corporation's choosing to cross reference the applicable warning and shall define the meaning of the designated symbol with the following language on the inside of the front cover of the catalog or on the same page as any order form for the Product(s):

 **WARNING:** Certain products identified with this symbol [▼] and offered for sale in this catalog can expose you to di(2-ethylhexyl) phthalate, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

The designated symbol must appear on the same page and in close proximity to the display and/or description of the Product. On each page where the designated symbol appears, Anaissance Corporation must provide a header or footer directing the consumer to the warning language and definition of the designated symbol.

2.6 Internet Warnings

If, after the Effective Date, Anaissance Corporation sells Products via the internet to customers located in California, Anaissance Corporation shall provide warnings for each Product both on the Product label, in accordance with Section 2.4, and by prominently displaying the warning to the customer prior to completing the purchase or during the purchase of the Products without requiring customers to seek out the warning. The warning, or a clearly marked hyperlink to the warning using the word “**WARNING**”, given in conjunction with the sale of the Products via the internet shall appear either: (a) on the same web page on which the Product is displayed; (b) on the same web page as the order form for the Product; (c) on the same page as the price for any Product; or (d) on one or more web pages displayed to a purchaser during the checkout process. The warning shall appear in any of the above instances adjacent to or immediately following the display, description or price of the Product for which it is given in the same type size or larger than other consumer information provided for the Product. The internet

warning may use the Short-Form Warning content described in Section 2.3(b), if the warning provided on the Product label also uses the Short-Form Warning content.

2.6 Compliance with Warning Regulations

Anaissance may comply with the warning requirements of this Section by any other means authorized pursuant to Health and Safety Code 25249.5 *et seq.* and/or by adhering to the safe harbor guidelines published by the Office of Environmental Health Hazard Assessment as set forth in Title 27, Div. 4, Chap. 1, Ar. 6 of the California Code of Regulations, commencing at § 25600 *et seq.*, as may be amended from time to time.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payments

Pursuant to Health and Safety Code § 25249.7(b), Anaissance Corporation agrees to pay a civil penalty of \$750 within five (5) days of the Effective Date. Anaissance Corporation's civil penalty payment will be allocated according to Health and Safety Code §§ 25249.12(c)(1) and (d), with seventy-five percent (75%) of the penalty paid to the California Office of Environmental Health Hazard Assessment ("OEHHA"), and the remaining twenty-five percent (25%) retained by KASB. Anaissance Corporation shall issue its payment in two checks made payable to: (a) "OEHHA" in the amount of \$562.50; and (b) "Keep America Safe and Beautiful" in the amount of \$187.50. KASB's counsel shall deliver to OEHHA and KASB their respective portion of the penalty payment. The civil penalty payments shall be delivered to the address listed below, in Section 3.3.

3.2 Reimbursement of Attorneys' Fees and Costs

KASB and its counsel offered to resolve the allegations in the Notice without reaching terms on the amount of reimbursement of attorneys' fees and costs. Shortly after the Parties finalized the other material settlement terms, they negotiated and reached an accord on the amount of reimbursement to be paid to KASB's counsel, under general contract principles and the private attorney general doctrine, codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution and reporting of this Agreement to the

Office of the California Attorney General. Within five (5) days of the Effective Date, Anaissance Corporation agrees to issue a check in the amount of \$7,500, payable to “Seven Hills LLP”, for all fees and costs incurred investigating, bringing this matter to Anaissance Corporation’s attention, negotiating a settlement in the public interest, and reporting its terms to Office of the California Attorney General, pursuant to Section 9. The Attorneys’ fees and costs Payment shall be delivered to the address listed in the following Section 3.3.

3.3 Payments

All payments payable and due under this Agreement shall be delivered to KASB’s counsel at following address:

Seven Hills LLP
Attn: Kimberly Gates Johnson
4 Embarcadero Center, Suite 1400
San Francisco, CA 94111

4. CLAIMS COVERED AND RELEASED

4.1 KASB’s Release of Anaissance Corporation

This Agreement is a full, final and binding resolution between KASB, as an individual and *not* on behalf of the public, and Anaissance Corporation, of any violation of Proposition 65 that was or could have been asserted by KASB on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees (“**Releasors**”), against Anaissance Corporation, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, employees, attorneys, and the specific retail entity named in the Notice, Walmart, Inc., as it pertains to this specific Product, as that term is defined in Section 1.3, Consumer Product Description, *supra*, by and through which Anaissance Corporation directly or indirectly distributes or sells Products, (“**Releasees**”), based on the failure to warn about alleged exposures to DEHP contained in Products that were manufactured, distributed, sold and/or offered for sale by Anaissance Corporation and sold or offered for sale by Walmart, Inc. in California prior to the Effective Date, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, KASB as an individual and *not* on behalf of the public, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of KASB's rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims KASB may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses, investigation fees, expert fees, and attorneys' fees arising under Proposition 65 with respect to DEHP, DBP, DINP, BBP, DIDP and DnHP in the Products, as defined by and in Section 1.3, *supra*, manufactured, distributed, sold and/or offered for sale by Anaissance Corporation and sold by and through Walmart, Inc. prior to the Effective Date (collectively, "**Claims**"), against Anaissance Corporation and Releasees.

The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or to any distributors or suppliers who sold the Products or any component parts thereof to Anaissance Corporation. Nor shall this Section 4.1 release apply to sales of Products by Anaissance outside of the defined Consumer Product Description. Nothing in this Section affects KASB's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Anaissance Corporation's Products.

4.2 Anaissance Corporation's Release of KASB

Anaissance Corporation, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against KASB and its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by KASB and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

5. SEVERABILITY

If, subsequent to the execution of this Agreement, any provision of this Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

6. GOVERNING LAW

The terms of this Agreement shall be governed by the laws of the State of California and apply within California. In the event that Proposition 65 is repealed, preempted, or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Anaissance Corporation may provide KASB with written notice of any asserted change in the law, and shall have no further injunctive obligations pursuant to this Agreement, with respect to, and to the extent that, the Products are so affected. Nothing in this Agreement shall be interpreted to relieve Anaissance Corporation from its obligation to comply with any pertinent state or federal law or regulation.
