

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Audrey Donaldson (“Donaldson”) and Simply Girls Accys, LLC (“Simply Girls”), with Donaldson and Simply Girls each individually referred to as a “Party” and collectively as the “Parties.” Donaldson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Donaldson alleges that Simply Girls employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Donaldson alleges that Simply Girls manufactures, sells, and distributes for sale in California, ceramic mugs with exterior decorations containing lead. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Donaldson alleges that Simply Girls failed to provide the health hazard warning required by Proposition 65 for exposures to lead.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and limited to, the “*Simply Girls Accys ‘BE humble BE smart & Rule The World’ Ceramic Mug*”; *UPC/SKU 4 00192 94129 5*, and “*Simply Girls Accys ‘Color Fun 5 Pc. 1.4 Notices of Violation

On October 4, 2019, Donaldson served Simply Girls and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that Simply Girls

violated Proposition 65 when it failed to warn its customers and consumers in California of the health hazards associated with exposures to lead from its Products.

On October 9, 2020, Donaldson served Simply Girls and the requisite public enforcement agencies with a Supplemental 60-Day Notice of Violation, adding an exemplar product and alleging that Simply Girls violated Proposition 65 when it failed to warn its customers and consumers in California of the health hazards associated with exposures to lead from its Products. The October 4, 2019 and October 9, 2020 Notice of Violation shall be referred to collectively hereinafter as the “Notices.” No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notices.

1.5 No Admission

Simply Girls denies the material, factual, and legal allegations contained in the Notices and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Simply Girls of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Simply Girls of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Simply Girls. This Section shall not, however, diminish or otherwise affect Simply Girls’ obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean January 4, 2020.

2. INJUNCTIVE RELIEF: REFORMULATION

2.1 Reformulation Standards

“Reformulated Products” are defined as those Products that: (a) contain no more than 90 parts per million (“ppm”) lead in any accessible component (including any

exterior decoration) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B and 6010B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance; (b) yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol; *and* (c) yield a result of non-detect (defined as no more than 25 ppm (0.0025%) by weight of lead) for any decorations located in the upper 20 millimeters of a Product, i.e., the “Lip-and-Rim” area, when analyzed pursuant to EPA testing methodologies 3050B and 6010B, or equivalent methodologies used by state and federal agencies to determine lead content in a solid substance.

2.2 Reformulation Commitment

As of the Effective Date, Simply Girls shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless they are Reformulated Products pursuant to Section 2.1.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code section 25249.7(b)(2), and in settlement of all claims alleged in the Notices or referred to in this Settlement Agreement, Simply Girls agrees to pay \$2,000 in civil penalties no later than the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Donaldson, and delivered to the address in Section 3.3 herein. Simply Girls will provide its payment in two checks as follows: (1) “OEHHA” in the amount of \$1,500; and (2) “Audrey Donaldson” in the amount of \$500.

3.2 Attorneys' Fees and Costs

The Parties acknowledge that Donaldson and her counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Simply Girls expressed a desire to resolve Donaldson's fees and costs. The Parties reached an accord on the compensation due to Donaldson's counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, on or before the Effective Date, Simply Girls agrees to pay \$16,000, in the form of a check made payable to "Voorhees & Bailey, LLP," for all fees and costs incurred investigating, bringing this matter to the attention of Simply Girls' management, and negotiating a settlement.

3.3 Payment Address

All payments under this Settlement Agreement shall be delivered to the following address:

Voorhees & Bailey, LLP
990 Amarillo Avenue
Palo Alto, CA 94303

4. CLAIMS COVERED AND RELEASED

4.1 Donaldson's Release of Proposition 65 Claims

Donaldson acting on her own behalf, and *not* on behalf of the public, releases Simply Girls, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, agents employees, attorneys, and each entity to whom Simply Girls directly or indirectly distributes or sells Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, importers, and licensees (collectively, "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to lead in the Products. The Parties understand and agree that this Section 4.1 release shall

not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Simply Girls.

4.2 Donaldson's Individual Release of Claims

Donaldson, in her individual capacity only and *not* in her representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities, and demands of Donaldson of any nature, character, or kind, whether known or unknown, suspected or unsuspected, including but not limited to all failure to warn claims, arising out of alleged or actual exposures to lead in the Products manufactured, imported, distributed, or sold by Simply Girls prior to the Effective Date. The Parties understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Simply Girls. Nothing in this Section affects Donaldson's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Simply Girls' Products.

4.3 Simply Girls' Release of Donaldson

Simply Girls, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Donaldson and her attorneys and other representatives, for any and all actions taken or statements made by Donaldson and her attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.
