

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Ema Bell (“Bell”), Anthony Ferreiro (“Ferreiro”) (collectively, “Enforcers”) and Monoprice, Inc. (“Monoprice”). Together, Enforcers and Monoprice are collectively referred to as the “Parties.” Enforcers are individuals residing in the State of California that seek to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Enforcers allege that Monoprice is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Enforcers allege that Monoprice has exposed individuals to the chemicals di(2-ethylhexyl) phthalate (DEHP) and Bisphenol A (BPA) from its sales of Monoprice (i) Pure Outdoor dry bags and (ii) Rugged Slim iPhone cases without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and reproductive toxicity. BPA is listed pursuant to Proposition 65 as a chemical known to the State of California to cause reproductive toxicity.

1.3 Product Description. The products covered by this Settlement Agreement are Monoprice (i) Pure Outdoor dry bags and (ii) Rugged Slim iPhone cases (collectively, the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Monoprice.

1.4 Notices of Violation. On August 31, 2020 (dry bags), Bell served Monoprice, Overstock.com, Inc. (“Overstock”), and various public enforcement agencies with documents each entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Bell Notice”). On or about October 19, 2020 (iPhone cases), Ferreiro served Monoprice, Overstock, and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Ferreiro Notice”). The Bell Notice and Ferreiro Notices are collectively referred to herein as, the “Notices.”

The Notices provided Monoprice and such others, including public enforcers, with notice that alleged that Monoprice was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEHP and/or BPA. No public enforcer has diligently prosecuted the allegations set forth in the Notices.

1.5 No Admission. Monoprice denies the material factual and legal allegations contained in the Notices and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Monoprice of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Monoprice of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Monoprice. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notices, Monoprice maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS

2.1 Reformulation of Products. As of the Effective Date, and continuing thereafter, Products that Monoprice directly manufactures, imports, distributes, sells, or offers for sale in California shall either: (a) be Reformulated Products pursuant to §§ 2.2 or 2.3, below; or (b) be labeled with a clear and reasonable exposure warning pursuant to §§ 2.4 and 2.5, below. For purposes of this Settlement Agreement, “Reformulated Products” are Products that are in compliance with the standards set forth in §§ 2.2 and 2.3, below. The warning requirements set forth in §§ 2.4 and 2.5 shall not apply to any DEHP Reformulated Product or BPA Reformulated Product.

2.2 DEHP Reformulation Standard. “DEHP Reformulated Products” shall mean Products that contain concentrations less than or equal to 0.1% (1,000 parts per million (ppm)) of

DEHP when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining the phthalate content in a solid substance.

2.3 BPA Reformulation Standard. “BPA Reformulated Products” shall mean any Products subject to this Settlement Agreement that are demonstrated via an exposure assessment conducted in accordance with applicable Proposition 65 laws and regulations to result in a dermal exposure to BPA from solid materials that does not exceed the Maximum Allowable Dose Level for BPA of 3 micrograms per day. Any such exposure assessment shall, as part of the assessment, consider data obtained from Product wipe testing by a California State Certified Laboratory.

2.4 Clear and Reasonable Warning. As of the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Monoprice manufacturers, imports, distributes, sells, or offers for sale in California that is not a Reformulated Product. There shall be no obligation for Monoprice to provide an exposure warning for Products that entered the stream of commerce prior to the Effective Date.

2.4.1 For Products that expose a user to DEHP, the warning shall consist of either the **DEHP Warning** or **DEHP Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **DEHP Warning.** The “Warning” shall consist of the statement:

⚠ WARNING: This product can expose you to chemicals including di(2-ethylhexyl) phthalate (DEHP), which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b) **DEHP Alternative Warning:** Monoprice may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) (“**DEHP Alternative Warning**”) as follows:

⚠ WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

2.4.2 For Products that expose a user to BPA, the warning shall consist of either the **BPA Warning** or **BPA Alternative Warning** described in §§ 2.3(c) or (d), respectively:

(c) **BPA Warning.** The “Warning” shall consist of the statement:

⚠ WARNING: This product can expose you to chemicals including Bisphenol A (BPA), which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(d) **BPA Alternative Warning:** Monoprice may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(d) (“**BPA Alternative Warning**”) as follows:

⚠ WARNING: Reproductive Harm - www.P65Warnings.ca.gov.

(e) Monoprice may use any form of “safe harbor” warning set forth in Proposition 65 regulations that are adopted at the time it places a Product in the stream of commerce.

2.5 A **Warning** or **Alternative Warning** provided pursuant to § 2.4 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The warning shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, providing that the warning is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The warning may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Products and shall be at least the same size as those other safety warnings.

If Monoprice sells Products via an internet website to customers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which Products are displayed and/or described; (b) on the same page as the price for the Product; or (c) on one or more web pages displayed to a purchaser prior to purchase during the checkout process. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Products, if the warning statement appears elsewhere on

the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

2.6 Compliance with Warning Regulations. The Parties agree that Monoprice shall be deemed to be in compliance with this Settlement Agreement by adhering to §§ 2.2 - 2.5 of this Settlement Agreement or by complying with warning requirements adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") applicable to the products and the exposure at issue after the Effective Date.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Monoprice shall pay \$2,000.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Enforcers. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below. For all amounts due and owing that are not received within the payment times set forth below, Monoprice shall pay a late civil penalty payment fee equal to \$100/day to be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d).

4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Enforcers and their counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to her. The Parties thereafter reached an accord on the compensation due to Enforcers and their counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Monoprice shall reimburse Enforcers' counsel for fees and costs incurred as a result of investigating and bringing this matter to Monoprice's attention, and negotiating a settlement in the public interest. Within ten (10) days of the Effective Date, Monoprice shall issue a check payable to "Brodsky & Smith" in the amount of \$23,000.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of Monoprice and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Enforcers, acting on their own behalf, and Monoprice, of any violation of Proposition 65 that was or could have been asserted by Enforcers or on behalf of their past and current agents, representatives, attorneys, successors, and/or assigns ("Releasers") for failure to provide warnings for alleged exposures to DEHP and/or BPA from use of the Products, and Releasers hereby release any such claims against Monoprice and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Monoprice directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Overstock, and its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on exposure to DEHP and/or BPA from use of the Products that could have been alleged in the Notices.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Enforcers, on behalf of themselves, their past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that they may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DEHP and/or BPA from use of the Products that could have been alleged in the Notices.

5.2 Monoprice's Release of Enforcers. Monoprice, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Enforcers, their attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Enforcers and/or their attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notices and relating to the Products will develop or be discovered. Enforcers, on behalf of themselves only, on one hand, and Monoprice, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Enforcers and Monoprice each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Monoprice with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEHP and/or BPA from use of the Products.

5.5. Public Benefit. It is Monoprice's understanding that the commitments it has agreed to herein, and actions to be taken by Monoprice under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Monoprice that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Monoprice failure to provide a warning concerning exposure to DEHP and/or BPA prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Monoprice is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Monoprice shall provide written notice to Enforcers of any asserted change in the law, and shall have no further

obligations pursuant to this Settlement Agreement with respect to, and to the extent that, Products are so affected.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

9. COUNTERPARTS: SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or .pdf signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Enforcers agree to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

11. MODIFICATION

This Settlement Agreement may be modified only by a written agreement of the Parties.

12. ENTIRE AGREEMENT

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof.
