

SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release (“Agreement”) between Environmental Research Center, Inc. (“ERC”) and MINDBODYGREEN, LLC (“MINDBODYGREEN”) is effective on the date on which it is fully executed (“Effective Date”). ERC and MINDBODYGREEN are referred to individually as a “Party” and collectively as the “Parties.” The Parties agree as follows:

1. This matter arises out of the Notices of Violation of California Health & Safety Code §25249.5, *et seq.* (also known as “Proposition 65”) that ERC served on MINDBODYGREEN on October 22, 2020 and January 21, 2021 (the “Notices”) with regard to the following products identified below (referred to as the “Covered Products”):

- **Mindbodygreen by Thorne Grass-Fed Collagen+ Chocolate**
- **Mindbodygreen Organic Veggies+ (aka Mindbodygreen by Thorne Organic Veggies+)**

2. The Parties enter into this Agreement in order to fully resolve all claims, demands, and allegations regarding the Notices and for the purpose of avoiding prolonged litigation. Nothing in this Agreement shall be construed as an admission of the Parties of any fact, issue of law, or violation of law, nor shall compliance with this Agreement constitute or be construed as an admission by the Parties of any fact, issue of law or violation of law. Nothing in this Agreement or any document referred to shall be construed as giving rise to any presumption or inference of admission or concession by the Parties as to any fault, wrongdoing or liability. This Section shall not diminish or otherwise affect the obligations, responsibilities, and duties of the Parties under this Agreement.

3. INJUNCTIVE RELIEF, REFORMULATION, TESTING AND WARNINGS

In consideration of the following covenants and conditions contained in this Agreement, the Parties have provided the releases as set forth in Section 6 below:

3.1 Beginning on the Effective Date, MINDBODYGREEN shall be permanently enjoined from manufacturing for sale in the State of California, “Distributing into the State of California,” or directly selling in the State of California, any Covered Product which exposes a person to a “Daily Lead Exposure Level” of more than 0.5 micrograms of lead per day unless it meets the warning requirements under Section 3.2.

3.1.1 As used in this Agreement, the term “Distributing into the State of California” shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that MINDBODYGREEN knows or has reason to know will sell the Covered Product in California.

3.1.2 For purposes of this Agreement, the “Daily Level Exposure Level,” shall be measured in micrograms, and shall be calculated using the following formula: micrograms

of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of recommended daily servings appearing on the label), which equals micrograms of lead exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

3.2 Clear and Reasonable Warnings

If MINDBODYGREEN is required to provide a warning pursuant to Section 3.1, the following warning must be utilized (“Warning”):

WARNING: Consuming this product can expose you to chemicals including [lead] which is [are] known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

MINDBODYGREEN shall use the phrase “cancer and” in the Warning only if the “Daily Lead Exposure Level” is greater than 15 micrograms of lead as determined pursuant to the quality control methodology set forth in Section 3.4 or if MINDBODYGREEN has reason to believe that another Proposition 65 chemical is present at a level requiring the cancer warning.

The Warning shall be securely affixed to or printed upon the label of any Covered Product and it must be set off from other surrounding information and enclosed in a box. In addition, for any Covered Product sold over the internet, the Warning shall appear on the “Add to Cart” webpage based on the customer’s IP address when a California delivery address is indicated for any purchase of any Covered Product. An asterisk or other identifying method must be utilized to identify which product on the checkout “Add to Cart” page is subject to the Warning. In no event shall any internet or website Warning be contained in or made through a link.

The Warning shall be at least the same size as the largest of any other health or safety warnings also appearing on the website or on the label and the word “WARNING” shall be in all capital letters and in bold print. No statements intended to or likely to have the effect of diminishing the impact of, or reducing the clarity of, the Warning on the average lay person shall accompany the Warning. Further, no statements may accompany the Warning that state or imply that the source of the listed chemical has an impact on or results in a less harmful effect of the listed chemical.

MINDBODYGREEN must display the above Warning with such conspicuousness, as compared with other words, statements or designs on the label, or on its website, as applicable, to render the Warning likely to be read and understood by an ordinary individual under customary conditions of purchase or use of the product.

For purposes of this Agreement, the term “label” means a display of written, printed or graphic material that is printed on or affixed to the Covered Product or its immediate container or wrapper.

3.3 Conforming Covered Products

A Conforming Covered Product is a Covered Product for which the “Daily Lead Exposure Level” is no greater than 0.5 micrograms of lead per day as determined by the exposure methodology set forth in Section 3.1.2 and the quality control methodology described in Section 3.4, and that is not known by MINDBODYGREEN to contain other chemicals that violate Proposition 65’s safe harbor thresholds.

3.4 Testing and Quality Control Methodology

3.4.1 Beginning within one year of the Effective Date, MINDBODYGREEN shall arrange for lead testing of the Covered Products at least once a year for a minimum of five (5) consecutive years by arranging for testing of three (3) randomly selected samples of the Covered Products, in the form intended for sale to the end-user, which MINDBODYGREEN intends to sell or is manufacturing for sale in California, directly selling to a consumer in California or “Distributing into the State of California.” If tests conducted pursuant to this Section demonstrate that no Warning is required for the Covered Products during each of the five (5) consecutive years, then the testing requirements of this Section will no longer be required as to the Covered Products. However, if during or after the five-year testing period, MINDBODYGREEN changes ingredient suppliers for the Covered Products and/or reformulates the Covered Products, then MINDBODYGREEN shall test those Covered Products annually for at least four (4) consecutive years after such change is made.

3.4.2 For purposes of measuring the “Daily Lead Exposure Level,” the highest lead detection result of the three (3) randomly selected samples of the Covered Products will be controlling.

3.4.3 All testing pursuant to this Agreement shall be performed using a laboratory method that complies with the performance and quality control factors appropriate for the method used, including limit of detection, limit of quantification, sensitivity, accuracy, and precision that meets the following criteria: Inductively Coupled Plasma-Mass Spectrometry (“ICP-MS”) achieving a limit of quantification of less than or equal to 0.010 mg/kg.

3.4.4 All testing pursuant to this Agreement shall be performed by an independent third-party laboratory certified by the California Environmental Laboratory Accreditation Program or an independent third-party laboratory that is registered with the U.S. Food and Drug Administration.

3.4.5 Nothing in this Agreement shall limit MINDBODYGREEN’s ability to conduct, or require that others conduct, additional testing of the Covered Products, including the raw materials used in their manufacture.

3.4.6 Within thirty (30) days of ERC’s written request, MINDBODYGREEN shall deliver lab reports obtained pursuant to Section 3.4, and related documentation, to ERC.

MINDBODYGREEN shall retain all such lab reports and related documentation for a period of five years from the date of each test. Any request by ERC for lab reports and related documentation shall be made prior to the expiration of the five-year time period identified in this section 3.4.6.

4. It is acknowledged and agreed by the Parties and Thorne Research, Inc., ("THORNE") that THORNE, on behalf of MINDBODYGREEN shall make a total payment of \$15,000.00 ("Total Settlement Amount") by wire transfer to ERC's account within five (5) days of the Effective Date ("Due Date"), for which ERC will give THORNE and MINDBODYGREEN the necessary account information. The Total Settlement Amount shall be allocated as follows:

a. \$6,691.26 shall be considered a civil penalty pursuant to California Health and Safety Code §25249.7(b)(1). ERC shall remit 75% (\$5,018.44) of the civil penalty to the Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety Code §25249.12(c). ERC will retain the remaining 25% (\$1,672.82) of the civil penalty.

b. \$1,203.23 shall be considered a reimbursement to ERC for its costs incurred as a result of bringing this matter to MINDBODYGREEN's attention and negotiating a settlement.

c. \$1,085.00 shall be distributed to Wraith Law as reimbursement of ERC's attorney fees, and \$6,020.51 shall be distributed to ERC's for its in-house legal fees.

d. In the event that THORNE fails to remit the Total Settlement Amount owed under Section 4 of this Agreement on or before the Due Date, MINDBODYGREEN shall be deemed to be in material breach of its obligations under this Agreement. ERC shall provide written notice of the delinquency to MINDBODYGREEN via electronic mail. If MINDBODYGREEN fails to deliver the Total Settlement Amount within five days from the written notice, the Total Settlement Amount shall become immediately due and payable and shall accrue interest at the statutory judgment interest rate provided in the Code of Civil Procedure section 685.010. In addition, MINDBODYGREEN agrees to pay ERC's reasonable attorneys' fees and costs for any efforts to collect the payment due under this Agreement. The Parties acknowledge that THORNE is obligated to indemnify MINDBODYGREEN for all amounts that are now owed or that might be owed under Section 4 of this Agreement, and that ERC is an intended third-party beneficiary of this indemnification agreement between THORNE and MINDBODYGREEN.

5. Except as expressly set forth in Section 4, the Parties shall bear their own costs, expenses, and attorneys' fees related to the Notices.

6. Binding Effect; Claims Covered and Released

6.1. This Agreement is a full, final, and binding resolution between ERC, on behalf of itself, and MINDBODYGREEN and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, suppliers, franchisees, licensees, customers (not including private label customers of MINDBODYGREEN), distributors, wholesalers,

retailers, and all other upstream and downstream entities in the distribution chain of the Covered Products, and the predecessors, successors, and assigns of any of them (collectively, "Released Parties") with respect to the Covered Products. ERC, on behalf of itself and in the public interest, hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted from the handling, use, or consumption of the Covered Products, as to any alleged violation of Proposition 65 or its implementing regulations arising from the failure to provide Proposition 65 warnings on the Covered Products regarding lead up to and including the Effective Date.

6.2 ERC on its own behalf only, and MINDBODYGREEN on its own behalf only, further waive and release any and all claims they may have against each other for all actions or statements made or undertaken in the course of seeking or opposing enforcement of Proposition 65 in connection with the Notices up through and including the Effective Date; provided, however, that nothing in Section 6 shall affect or limit any Party's right to seek to enforce the terms of this Agreement.

6.3 It is possible that other claims not known to the Parties, arising out of the facts alleged in the Notices, and relating to the Covered Products, will develop or be discovered. ERC, on behalf of itself only, and MINDBODYGREEN, on behalf of itself only, acknowledge that this Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore. ERC and MINDBODYGREEN acknowledge that the claims released in Sections 6.1 and 6.2 above may include unknown claims, and the Parties nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

(i) A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

ERC, on behalf of itself only, and MINDBODYGREEN, on behalf of itself only, acknowledge and understand the significance and consequences of this specific waiver of California Civil Code section 1542.

6.4 Compliance with the terms of this Agreement shall be deemed to constitute compliance with Proposition 65 by any of the Released Parties regarding alleged exposures to lead in the Covered Products as set forth in the Notices.

6.5 Nothing in this Agreement is intended to apply to any occupational or environmental exposures arising under Proposition 65, nor shall it apply to any of MINDBODYGREEN's products other than the Covered Products.
