

SETTLEMENT AND RELEASE AGREEMENT

1. **INTRODUCTION**

1.1. **Ecological Alliance, LLC and Orbit Irrigation Products, LLC**

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Orbit Irrigation Products, LLC ("Orbit"), on the other hand, with Ecological and Orbit collectively referred to as the "Parties."

1.2. **Orbit Allegations**

Ecological alleges that Orbit manufactured and distributed and offered for sale in the State of California circular sod cutters also known as donut cutters containing Di(2-ethylhexyl)phthalate ("DEHP"), and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. **Product Description**

The products that are covered by this Settlement Agreement are defined as circular sod cutter or donut cutters allegedly containing DEHP that Orbit has sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

1.4. **Notice of Violation**

On October 2, 2020, Ecological served Orbit, Lowe's Home Centers, LLC, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Orbit and such public enforcers with notice that Orbit was allegedly in

violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Orbit's compliance with Proposition 65. Orbit denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Orbit of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Orbit of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Orbit on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Orbit under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, Orbit shall manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, unless such Products are labeled with a clear and reasonable Proposition 65 warning

pursuant to Section 2.2 below or otherwise in conformance with the Prop 65 regulations, 27 CCR 25600 et seq. Products that were supplied to third parties by Orbit prior to the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.1. Reformulation Standards

“Reformulated Products” are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other methodology utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

2.2. Warning Language

Where required, Orbit shall provide Proposition 65 warnings on the Product’s label as follows:

(a) Orbit may use either of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product can expose you to chemicals including DEHP, which are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

(2) **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov.

(b) If Orbit uses either of the above warning statements to effectuate its compliance, it shall also include a symbol consisting of a black exclamation point

in a yellow equilateral triangle with a bold black outline. Where the label is not printed using the color yellow, the symbol may be printed in black and white.

The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING."

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, Orbit shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement Orbit shall pay a total of \$200 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney Orbit doctrine and principles of contract law. Under these legal principles, Orbit shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Orbit's attention. Orbit shall pay Ecological's counsel

\$9,800 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.
