

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Intrend Global Corp (“IGC”), on the other hand, with EHA and IGC each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. IGC employs ten or more individuals and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that IGC manufactures, sells, and distributes for sale in California, Emma Jones Home King Sheet Set Super Soft / Wrinkle Free that contains Formaldehyde and that it does so without first providing the health hazard warning required by Proposition 65. Formaldehyde is listed pursuant to Proposition 65 as a chemical known to cause cancer.

1.3 Product Description

The product covered by this Settlement Agreement is defined as, and expressly limited to, Emma Jones Home King Sheet Set Super Soft / Wrinkle Free (“the Product”), that contains Formaldehyde and that is manufactured, sold or distributed for sale in California by IGC.

1.4 Notice of Violation

On October 30, 2020, EHA served IGC, The TJX Companies, Inc., Marshall’s of MA, Inc., the California Attorney General and other requisite public enforcers with a 60-Day Notice of Violation (“Notice”), alleging that IGC and others violated Proposition 65 when they failed to warn its customers and consumers in California of the health risks associated with exposures to Formaldehyde from the Product.

To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently

prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

IGC denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by IGC of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by IGC of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by IGC. This Section shall not, however, diminish or otherwise affect IGC's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean fourteen (14) days following the execution of this Settlement Agreement by the Parties.

2. INJUNCTIVE RELIEF

2.1 Clear and Reasonable Warnings

Commencing on the Effective Date, and continuing thereafter, IGC agrees to only manufacture for sale, purchase for sale, import for sale, or distribute for sale in or into California the Product that is sold with a health hazard warning as provided for in Section 2.2.

2.2 General Warning Requirements

IGC agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each Product sold in California by IGC that contains the following statements:

- 1) **WARNING:** This product can expose you to Formaldehyde, a chemical known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.
- 2) **WARNING:** Cancer – www.P65Warnings.ca.gov

The warning shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING”. If the warning statement is displayed on the Products’ packaging, it must be in a type size no smaller than the largest type size used for other consumer information on the product. In no case shall a warning statement displayed on the Products’ packaging appear in a type size smaller than 6-point type. The same warning shall be posted on any websites where IGC offers the Product for sale to individuals in California.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment or another authorized agency promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, or legislation is enacted by the California legislature, United States Congress or voters with such requirements or permission, IGC shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that warnings as to Formaldehyde in this product are no longer required, a lack of warning by IGC will not thereafter be a breach of this Agreement.

2.3 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Products that are already in the stream of commerce as of the Effective Date., which Products are expressly subject to the releases provided in Section 4.1.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of IGC

This Settlement Agreement is a full, final, and binding resolution of all claims under Proposition 65 between EHA, on its own behalf and not on behalf of the public, and IGC of any violation of Proposition 65 that was or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against IGC and its parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, each upstream entity from whom the Product was purchased by IGC, and each entity to whom IGC directly or indirectly distributes or sells the Product, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees, including The TJX Companies, Inc. and Marshalls of MA, Inc. ("Releasees"), based on the failure to warn about exposures to Formaldehyde required under

Proposition 65 in the Product manufactured, sold or distributed for sale in California by IGC before the Effective Date, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, EHA on its own behalf and not on behalf of the public, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against IGC and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to Formaldehyde required under Proposition 65 in the Product manufactured, distributed, sold or offered for sale by IGC, before the Effective Date.

EHA on behalf of itself only, on one hand, and IGC on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY

**AFFECTED HIS OR HER SETTLEMENT WITH THE
DEBTOR OR RELEASED PARTY.**
