

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance, LLC and Disston Company

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Disston Company ("Disston"), on the other hand, with Ecological and Disston collectively referred to as the "Parties."

#### 1.2. General Allegations

Ecological alleges that Disston manufactured and/or distributed and/or offered for sale in the State of California screwdriver bit sets containing Di-n-butyl Phthalate [DBP], and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DBP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm. Disston denies Ecological's allegations.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as screwdriver bit sets containing DBP, that Disston has sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

#### 1.4. Notice of Violation

Ecological on November 17, 2020, served True Value Company, L.L.C., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that provided Disston and such public enforcers with notice that Disston was

allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DBP. To the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Disston's compliance with Proposition 65. Specifically, Disston denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Disston of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Disston of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Disston. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Disston under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped for sale in the State of California. The Parties agree that Products shall be accompanied by a warning as described in Section 2.2 below unless the Product contains no more than 1,000 parts per million DBP. Products with less than 1,000 parts per million DBP shall be considered compliant with Proposition 65. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date, or Products that Disston places into the stream of commerce within 90 days of the Effective Date.

yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.
