

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Ema Bell (“Bell”) and Soft-Tex International, Inc. (“Soft-Tex”). Together, Bell and Soft-Tex are collectively referred to as the “Parties.” Bell is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Bell alleges that Soft-Tex is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Bell alleges that Soft-Tex has exposed individuals to the chemical di(2-ethylhexyl) phthalate (DEHP) from its sales of Soft-Tex bedding that are packaged in cases containing DEHP without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and reproductive toxicity.

1.3 Product Description. The products covered by this Settlement Agreement are any and all Soft-Tex bedding products packaged and sold in cases (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Soft-Tex.

1.4 Notice of Violation. On November 23, 2020, Bell served Soft-Tex, Ross Stores, Inc., and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided Soft-Tex and such others, including public enforcers, with notice that alleged that Soft-Tex was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEHP. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Soft-Tex denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and

distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Soft-Tex of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Soft-Tex of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Soft-Tex. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Soft-Tex maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Reformulation of Products. As of the Effective Date, and continuing thereafter, Products that Soft-Tex directly manufactures, imports, distributes, sells, or offers for sale in California shall either: (a) be Reformulated Products pursuant to § 2.2, below; or (b) be labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 and 2.4, below. For purposes of this Settlement Agreement, a “Reformulated Product” is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 and 2.4 shall not apply to any Reformulated Product.

2.2 Reformulation Standard. “Reformulated Products” shall mean Products that contain concentrations less than or equal to 0.1% (1,000 parts per million (ppm)) of DEHP when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining the phthalate content in a solid substance.

2.3 Clear and Reasonable Warning. As of the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Soft-Tex manufacturers, imports, distributes, sells, or offers for sale in California that is

not a Reformulated Product. There shall be no obligation for Soft-Tex to provide an exposure warning for Products that entered the stream of commerce prior to the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The “Warning” shall consist of the statement:

⚠ WARNING: This product can expose you to chemicals including di(2-ethylhexyl) phthalate (DEHP), which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b) **Alternative Warning:** Soft-Tex may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) (“**Alternative Warning**”) as follows:

⚠ WARNING: Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

2.4 A **Warning** or **Alternative Warning** provided pursuant to § 2.3 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The warning shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, providing that the warning is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The warning may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings.

If Soft-Tex sells Products via an internet website to customers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; or (c) on one or more web pages displayed to a purchaser prior to purchase during the checkout process. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price,

or checkout listing of the Product, if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

2.5 Compliance with Warning Regulations. The Parties agree that Soft-Tex shall be deemed to be in compliance with this Settlement Agreement by either adhering to §§ 2.3 and 2.4 of this Settlement Agreement or by complying with warning requirements adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") after the Effective Date.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In consideration of the foregoing conditions, promises, covenants, and undertakings contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, hereby agree as follows:

In settlement of all the claims including Released Claims (as defined below) referred to in this Settlement Agreement, Soft-Tex shall pay \$2,000.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Bell. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below. For all amounts due and owing that are not received within the payment times set forth below, Soft-Tex shall pay a late civil penalty payment fee equal to \$100/day to be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d). Bell and/or Brodsky Smith, as applicable, shall be solely responsible for federal, state and local taxes due on their respective portions of payments, and each specifically agrees to indemnify and hold Soft-Tex harmless for any and all claims involving federal, state or local taxes resulting from such responsibility.

3.1 Civil Penalty. Within thirty (30) days of the Effective Date, Soft-Tex shall issue two (2) separate checks for the Civil Penalty payment to (a) "OEHHA" in the amount of \$1,500.00; and to (b) "Brodsky Smith in Trust for Bell" in the amount of \$500.00. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Bell and her counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Bell and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this Settlement Agreement. Under these legal principles, Soft-Tex shall reimburse Bell’s counsel for fees and costs incurred as a result of investigating and bringing this matter to Soft-Tex’s attention, and negotiating a settlement in the public interest. Within thirty (30) days of the Effective Date, Soft-Tex shall issue a check payable to “Brodsky Smith” in the amount of \$17,500.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of Claims.

This Settlement Agreement is a full, final and binding resolution between the Parties, acting on their own behalf, and on behalf of their grantees, agents, representatives, heirs, devisees, trustees, assigns, assignors, attorneys or any other entities in which the Parties have an interest (collectively, the “Releasing Parties”), hereby agree to release and forever discharge the other Party and their past and present agents, employees, representatives, officers, directors, shareholders, attorneys, accountants, insurers, receivers, advisors, consultants, partners, partnerships, parents, divisions, subsidiaries, affiliates, assigns, agents, independent contractors, successors, heirs, predecessors in interest, joint ventures, commonly controlled corporations, and each entity to whom Soft-Tex directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Ross Stores, Inc., and its respective subsidiaries,

affiliates and parents, franchisees, cooperative members and licensees (collectively, the “Released Parties”) from all liabilities, causes of action, charges, complaints, suits, claims, obligations, costs, losses, damages, rights, judgments, attorneys’ fees, expenses, bonds, bills, penalties, fines, and all other legal responsibilities of any form whatsoever, whether known or unknown, whether presently existing or arising in the future, whether suspected or unsuspected, whether fixed or contingent, including those arising under any theory of law, whether common, constitutional, statutory, or other of any jurisdiction, foreign or domestic, whether in law or in equity, which the Releasing Parties had or may claim to have against any of them, including, without limitation, those arising out of or relating to (i) the subject matter of this Settlement Agreement and the Products for alleged failure to provide warnings for any violation of Proposition 65 for the Products including, but not limited to, the alleged exposures to DEHP from use of the Products; (ii) any acts or omissions by the Released Parties occurring, or conditions existing, prior to the Effective Date; and (iii) any costs, attorneys’ fees, expert fees, consultant fees, or any expenses incurred by the Releasing Parties in connection with the subject matter hereof prior to the Effective Date (collectively, the “Released Claims”).

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Bell, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DEHP from use of the Products. The Releasing Parties hereby acknowledge and agree that, except as expressly set forth in this Settlement Agreement, the Released Parties have no other liabilities or obligations, of any kind or nature, owed to the Releasing Parties, in connection with or relating to the Released Claims or otherwise.

5.2 Soft-Tex's Release of Bell. Soft-Tex, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Bell, her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Bell and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Bell on behalf of herself only, on one hand, and Soft-Tex, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Bell and Soft-Tex each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Soft-Tex with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DEHP from use of the Products.

5.5 Public Benefit. It is Soft-Tex's understanding that the commitments it has agreed to herein, and actions to be taken by Soft-Tex under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Soft-Tex that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Soft-Tex's alleged failure

to provide a warning concerning exposure to DEHP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Soft-TeX is in material compliance with this Settlement Agreement.

5.6 Investigation. Each of the Parties has made such investigation of the facts pertaining to the subject matter of this Settlement Agreement as it deems necessary. The Parties understand that if any fact with respect to any matter covered by this Settlement Agreement is found hereafter to be in addition to, other than, or different from, the facts now believed by the Parties to be true, each Party expressly accepts and assumes the risk of such possible additional or different facts and agrees that this Settlement Agreement shall be and remain effective notwithstanding such additional or different facts.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Soft-TeX shall provide written notice to Bell of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class

Either party, from time to time, may specify in writing to the other party a change of address to which all notices and other communications shall be sent.

9. COUNTERPARTS: SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or .pdf signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Bell agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

11. MODIFICATION

This Settlement Agreement may be modified only by a written agreement of the Parties.

12. ENTIRE AGREEMENT

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it. Bell represents and warrants that to the best of her knowledge, information and belief, she has no actual or potential claims against Soft-Tex and/or the Released Parties that are not included in the

Released Claims. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof.

13. AUTHORIZATION

The undersigned are authorized to execute this Settlement Agreement and have read, understood and agree to all of the terms and conditions contained of this Settlement Agreement.

14. WARRANTY REGARDING OTHER POTENTIAL CLAIMANTS

Brodsky Smith does not represent any clients, or have knowledge of any potential clients, with claims or potential claims against Soft-Tex aside from Bell. Bell and Brodsky Smith each represent and warrant that neither of them is aware of any potential plaintiff other than Bell, or any attorney other than Brodsky Smith, who intends to make demands or bring litigation against Soft-Tex. Bell and Brodsky Smith each further represent and warrant that none of them have been notified or otherwise informed of any such intention or consideration thereof.
