

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Cerebelly Inc.

This Settlement and Release Agreement ("Settlement Agreement") is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Cerebelly Inc. ("Cerebelly"), on the other hand, with Ecological and Cerebelly collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that Cerebelly manufactured and distributed and offered for sale in the State of California spinach-apple-sweet potato pouches containing lead, and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed lead under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as spinach-apple-sweet potato pouches that Cerebelly has sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On November 30, 2020, Ecological served Cerebelly, Whole Foods Market California, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Cerebelly and such public enforcers with notice that

Cerebelly was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Cerebelly's compliance with Proposition 65. Cerebelly denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Cerebelly of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Cerebelly of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Cerebelly on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Cerebelly under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

No later than twelve (12) months after the Effective Date, Cerebelly may, in its sole discretion, either cease selling, offering for sale or distributing the Products in California, or may

manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, unless such Products are labeled with a clear and reasonable Proposition 65 warning pursuant to Section 2.2 below. Products that were manufactured, supplied or contracted to be supplied to third parties by Cerebelly prior to 12 months after the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.1. Reformulation Standards

The Products shall be deemed to comply with Proposition 65 with regard to lead and be exempt from any Proposition 65 warning requirements for lead if the level of lead in the Products does not exceed 10 ppb (parts per billion).

2.2. Warning Language

If the Products do not comply with the standards set forth in Section 2.1 above within twelve (12) months of the Effective Date, Cerebelly shall provide Proposition 65 warnings on the Product's label as follows:

(a) Cerebelly may use either of the following warning statements in full compliance with this Section:

- (1) **WARNING:** Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food
- (2) **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov/food

(b) The requirements for warnings, set forth in subsection (a) above, are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(c) If Proposition 65 warnings for lead should no longer be required, Cerebelly shall have no further obligations pursuant to this Settlement Agreement.

3. **PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Cerebelly shall pay a total of \$4,000 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Cerebelly shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Cerebelly's attention. Cerebelly shall pay Ecological's counsel \$50,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. **PAYMENT INFORMATION**

By May 15, 2021, Cerebelly shall make a total payment of Fifty-Four Thousand Dollars (\$54,000) for the civil penalties and attorney's fees / costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

Bank: Bank of America, N.A.

Routing No.: 026009593

Account No.: 325104702031

Beneficiary: Custodio & Dubey LLP

Other than this payment, each side is to bear its own attorneys' fees and costs.

6. **RELEASE OF ALL CLAIMS**

6.1. **Release of Cerebelly, Downstream Customers and Upstream Vendors**

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against (a) Cerebelly, (b) Cerebelly's manufacturers, (c) each of Cerebelly's downstream distributors (including but not limited to Whole Foods Market California, Inc.), wholesalers, vendors, licensors, licensees, auctioneers, retailers, franchisees, dealers, shareholders, cooperative members, customers, owners, purchasers, users, (d) Cerebelly's parent companies, corporate affiliates, subsidiaries,

doing business as entities ("DBAs"), successor companies, and their respective officers, directors, attorneys, representatives, shareholders, agents, and employees, and sister and parent entities, and (c) any third-party re-seller(s) who sold, offered for sale or distributed the Products in California, whether such actions were authorized by Cerebelly or unauthorized (collectively "Releasees").

Ecological also, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Cerebelly and the Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

6.2. Cerebelly's Release of Ecological

Cerebelly waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been

taken or made) by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.
