2. The Parties enter into this Agreement in order to fully resolve all claims, demands, and allegations regarding the Notices and for the purpose of avoiding prolonged litigation. Nothing in this Agreement shall be construed as an admission of the Parties of any fact, issue of law, or violation of law, nor shall compliance with this Agreement constitute or be construed as an

Initials

admission by the Parties of any fact, issue of law or violation of law. Nothing in this Agreement or any document referred to shall be construed as giving rise to any presumption or inference of admission or concession by the Parties as to any fault, wrongdoing or liability. This Section shall not diminish or otherwise affect the obligations, responsibilities, and duties of the Parties under this Agreement.

### 3. INJUNCTIVE RELIEF, REFORMULATION, TESTING AND WARNINGS

In consideration of the following covenants and conditions contained in this Agreement, the Parties have provided the releases as set forth in Section 6 below:

**3.1** Beginning forty-five (45) days after the Effective Date (the "Compliance Date"), Healthy Goods shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, any Covered Product which exposes a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead per day unless it meets the warning requirements under Section 3.2.

**3.1.1** As used in this Agreement, the terms "Distributing into the State of California" and "Distributed into the State of California" shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that Healthy Goods knows or has reason to know will sell the Covered Product in California.

**3.1.2** For purposes of this Agreement, the "Daily Level Exposure Level," shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of recommended daily servings appearing on the label), which equals micrograms of lead exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

### 3.2 Clear and Reasonable Warnings

If Healthy Goods is required to provide a warning pursuant to Section 3.1, the following warning must be utilized ("Warning"):

**WARNING:** Consuming this product can expose you to chemicals including [lead] which is [are] known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

Healthy Goods shall use the phrase "cancer and" in the Warning only if the "Daily Lead Exposure Level" is greater than 15 micrograms of lead as determined pursuant to the quality control methodology set forth in Section 3.4 or if Healthy Goods has reason to believe that another Proposition 65 chemical is present at a level requiring the cancer warning.

Initials

The Warning shall be securely affixed to or printed upon the label of any Covered Product and it must be set off from other surrounding information and enclosed in a box. In addition, for any Covered Product sold over the internet, the Warning shall appear on the checkout page when a California delivery address is indicated for any purchase of any Covered Product. An asterisk or other identifying method must be utilized to identify which product on the checkout page is subject to the Warning. In no event shall any internet or website Warning be contained in or made through a link.

The Warning shall be at least the same size as the largest of any other health or safety warnings also appearing on the website or on the label and the word "WARNING" shall be in all capital letters and in bold print. No statements intended to or likely to have the effect of diminishing the impact of, or reducing the clarity of, the Warning on the average lay person shall accompany the Warning. Further, no statements may accompany the Warning that state or imply that the source of the listed chemical has an impact on or results in a less harmful effect of the listed chemical.

Healthy Goods must display the above Warning with such conspicuousness, as compared with other words, statements, or designs on the label, or on its website, as applicable, to render the Warning likely to be read and understood by an ordinary individual under customary conditions of purchase or use of the product.

For purposes of this Agreement, the term "label" means a display of written, printed or graphic material that is printed on or affixed to a Covered Product or its immediate container or wrapper.

### **3.3 Conforming Covered Products**

A Conforming Covered Product is a Covered Product for which the "Daily Lead Exposure Level" is no greater than 0.5 micrograms of lead per day as determined by the exposure methodology set forth in Section 3.1.2 and the quality control methodology described in Section 3.4, and that is not known by Healthy Goods to contain other chemicals that violate Proposition 65's safe harbor thresholds.

### **3.4 Testing and Quality Control Methodology**

**3.4.1** Beginning within one year of the Compliance Date, Healthy Goods shall arrange for lead testing of the Covered Products at least once a year for a minimum of three (3) consecutive years by arranging for testing of three (3) randomly selected samples of the Covered Products, in the form intended for sale to the end-user, which Healthy Goods intends to sell or is manufacturing for sale in California, directly selling to a consumer in California or "Distributing into the State of California." If tests conducted pursuant to this Section demonstrate that no Warning is required for any of the Covered Products during each of the three (3) consecutive years, then the testing requirements of this Section will no longer be required as to that Covered Product. However, if during or after the three-year testing period, Healthy Goods changes ingredient suppliers for the Covered Products and/or reformulates the

Initials

Covered Products, Healthy Goods shall test the applicable Covered Products annually for two (2) consecutive years after such change is made.

**3.4.2** For purposes of measuring the “Daily Lead Exposure Level,” the highest lead detection result of the three (3) randomly selected samples of the Covered Products will be controlling.

**3.4.3** All testing pursuant to this Agreement shall be performed using a laboratory method that complies with the performance and quality control factors appropriate for the method used, including limit of detection and limit of quantification, sensitivity, accuracy, and precision that meets the following criteria: Inductively Coupled Plasma-Mass Spectrometry (“ICP-MS”) achieving a limit of quantification of less than or equal to 0.010 mg/kg.

**3.4.4** All testing pursuant to this Agreement shall be performed by an independent third-party laboratory certified by the California Environmental Laboratory Accreditation Program or an independent third-party laboratory that is registered with the United States Food & Drug Administration.

**3.4.5** Nothing in this Agreement shall limit Healthy Goods’ ability to conduct, or require that others conduct, additional testing of the Covered Products, including the raw materials used in their manufacture.

**3.4.6** Within thirty (30) days of ERC’s written request, Healthy Goods shall deliver lab reports obtained pursuant to Section 3.4, and related documentation, to ERC. Healthy Goods shall retain all such lab reports and related documentation for a period of five years from the date of each test. Any request by ERC for lab reports and related documentation shall be made prior to the expiration of the five-year time period identified in this section 3.4.6.

**3.4.7** The testing requirements of Section 3.4 of this Agreement shall not apply to any Covered Product for which a Warning is provided, continuously and without interruption from the Compliance Date, in accordance with Section 3.2. In the event a Warning is provided after the Compliance Date but Healthy Goods thereafter ceases to provide the Warning, the testing requirements of Section 3.4 of this Agreement shall apply beginning one year after Compliance Date or the date the Warning ceases to be provided, whichever date is later, unless the cessation in providing the Warning was a temporary error that was resolved when discovered.

### **3.5 Stream of Commerce**

The requirements of Sections 3.1 and 3.2 do not apply to Covered Products that “enter the stream of commerce” prior to the Compliance Date. For purposes of this Agreement, the term “enter the stream of commerce” means that manufactured Covered Products are put into final packaging for consumer sale and (1) have been Distributed into the State of California or

Initials

sold in the State of California by Healthy Goods or (2) are no longer in the possession of or under the control of Healthy Goods.

4. Healthy Goods shall make a total payment of \$25,000.00 ("Total Settlement Amount") by wire transfer to ERC, with an initial payment of \$12,500.00 ("First Payment") to be paid within 14 days of the Effective Date and \$12,500.00 ("Second Payment") to be paid within 44 days of the Effective Date (these payments are collectively referred to as "Periodic Payments"). Healthy Goods shall make these Periodic Payments by wire transfer to ERC's account, for which ERC will give Healthy Goods the necessary account information. The Total Settlement Amount shall be allocated as follows:

a. \$1,000.00 shall be considered a civil penalty pursuant to California Health and Safety Code §25249.7(b)(1). ERC shall remit 75% (\$750.00) of the civil penalty to the Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety Code §25249.12(c). ERC will retain the remaining 25% (\$250.00) of the civil penalty.

b. \$9,020.75 shall be considered a reimbursement to ERC for its costs incurred as a result of bringing this matter to Healthy Goods' attention and negotiating a settlement.

c. \$14,979.25 shall be distributed to ERC for its in-house legal fees.

d. In the event that Healthy Goods fails to remit, in full, any Periodic Payment owed under Section 4 of this Agreement on or before the applicable Due Date, Healthy Goods shall be deemed to be in material breach of its obligations under this Agreement. ERC shall provide written notice of the delinquency to Healthy Goods via electronic mail. If Healthy Goods fails to deliver the delinquent payment within five days from receipt of the written notice, the Total Settlement Amount, less any amounts previously paid pursuant to Section 4 of this Agreement, shall become immediately due and payable and shall accrue interest at the statutory judgment interest rate provided in the Code of Civil Procedure section 685.010. Additionally, Healthy Goods agrees to pay ERC's reasonable attorneys' fees and costs for any efforts to collect the payment(s) due under this Agreement.

5. Except as expressly set forth in Section 4, the Parties shall bear their own costs, expenses, and attorneys' fees related to the Notices.

## 6. **Binding Effect; Claims Covered and Released**

6.1. This Agreement is a full, final, and binding resolution between ERC, on behalf of itself, and Healthy Goods and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, suppliers, franchisees, licensees, customers (not including private label customers of Healthy Goods), distributors, wholesalers, retailers, and all other upstream and downstream entities in the distribution chain of the Covered Products, and the predecessors, successors, and assigns of any of them (collectively, "Released Parties") with respect to the Covered Products. ERC, on behalf of itself and in the public interest, hereby

Initials

fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted from the handling, use, or consumption of the Covered Products, as to any alleged violation of Proposition 65 or its implementing regulations arising from the failure to provide Proposition 65 warnings on the Covered Products regarding lead up to and including the Effective Date.

**6.2** ERC on its own behalf only, and Healthy Goods on its own behalf only, further waive and release any and all claims they may have against each other for all actions or statements made or undertaken in the course of seeking or opposing enforcement of Proposition 65 in connection with the Notices up through and including the Effective Date, provided, however, that nothing in Section 6 shall affect or limit any Party's right to seek to enforce the terms of this Agreement.

**6.3** It is possible that other claims not known to the Parties, arising out of the facts alleged in the Notices, and relating to the Covered Products, will develop or be discovered. ERC, on behalf of itself only, and Healthy Goods, on behalf of itself only, acknowledge that this Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore. ERC and Healthy Goods acknowledge that the claims released in Sections 6.1 and 6.2 above may include unknown claims, and the Parties nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

(i) A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

ERC, on behalf of itself only, and Healthy Goods, on behalf of itself only, acknowledge and understand the significance and consequences of this specific waiver of California Civil Code section 1542.

**6.4** Compliance with the terms of this Agreement shall be deemed to constitute compliance with Proposition 65 by any of the Released Parties regarding alleged exposures to lead in the Covered Products as set forth in the Notices.

**6.5** Nothing in this Agreement is intended to apply to any occupational or environmental exposures arising under Proposition 65, nor shall it apply to any of Healthy Goods' products other than the Covered Products.

**7.** Nothing herein shall be construed as diminishing Healthy Goods' continuing obligations to comply with Proposition 65.

**8.** All notices required to be given to either Party to this Agreement by the other shall be in

writing and sent to the following agents listed below via first-class mail, or via electronic mail where required. Courtesy copies of notices sent via first-class mail may also be sent via email.
