

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Hampton Products International Corporation

This Settlement Agreement is entered into by and between Ecological Alliance, LLC (“Ecological”), on the one hand, and Hampton Products International Corporation (“Hampton”), on the other hand, with Ecological and Hampton collectively referred to as the “Parties.”

1.2. General Allegations

Ecological alleges that Hampton distributed and offered for sale in the State of California bungee cords, including but not limited to UPC #051643705005, containing Di(2-ethylhexyl)phthalate (“DEHP”), and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code sections 25249.5 *et seq.* (“Proposition 65”). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects and other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as bungee cords that Hampton has sold or caused to be sold, offered for sale or distributed in California and that contain DEHP. All such items shall be referred to herein as the “Products.”

1.4. Notice of Violation

On or about February 11, 2021, Ecological served Wal-Mart Stores East, L.P. (“Walmart”), and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled “60-Day Notice of Violation” (“Notice”) that provided Walmart and such public enforcers with notice that

Walmart was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning compliance with Proposition 65 by Hampton and the "Releasees" (as defined herein). Specifically, Hampton denies the material factual and legal allegations contained in the Notice and maintains that the Products have been and are in compliance with Proposition 65. Nothing in this Settlement Agreement shall be construed as an admission by Hampton or the Releasees of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Hampton or the Releasees of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Hampton and the Releasees. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Hampton under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: WARNING

2.1. Warning

No later than 90 days after the Effective Date, Hampton shall only sell or offer for sale in California Products that are accompanied by a warning as described in Section 2.2 below unless

the Product contains no more than 1,000 parts per million DEHP. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold or shipped, in each case, for sale within the State of California. The warning requirement shall not apply to Products that are already in the stream of commerce as of the Effective Date or that Hampton places into the stream of commerce within ninety (90) days of the Effective Date.

2.2. Warning Language

Where required, Hampton Products shall provide Proposition 65 warnings as follows:

- (a) Hampton may use any of the following warning statements in full compliance with this Section:
 - (1) **WARNING:** This product can expose you to chemicals including Di(2-ethylhexyl)phthalate (DEHP), which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
 - (2) **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.
- (b) The warning shall also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word “WARNING”.
- (c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties

recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, Hampton shall have no further obligations pursuant to this Settlement Agreement.

(e) In the event that the California Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Hampton shall be entitled to use, at their discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH AND SAFETY CODE SECTION

25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Hampton shall pay a total of \$100 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health and Safety Code Section 25249.12(c)(1) and (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological.

Ecological's counsel shall be responsible for delivering OEHHA's and Ecological's portions of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Hampton shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Hampton's attention. Hampton shall pay

Ecological's counsel \$19,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. PAYMENT INFORMATION

On or before May 10, 2021, Hampton shall make a total payment of nineteen thousand, one hundred dollars (\$19,100.00) constituting all civil penalties and attorneys' fees and costs requiring pursuant to this Settlement Agreement, by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

Bank: Bank of America, N.A.

Routing No.: 026009593

Account No.: 325104702031

Beneficiary: Custodio & Dubey LLP

Other than this payment, each side is to bear its own attorneys' fees and costs.

6. RELEASE OF ALL CLAIMS

6.1. Release of Hampton and Releasees

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, in its representative capacity, and on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against (a) Hampton, (b) each of Hampton's

downstream retail customers and distributors (including but not limited to Walmart), wholesalers, vendors, licensors, licensees, auctioneers, retailers, franchisees, dealers, shareholders, cooperative members, customers, owners, purchasers, users, and (c) Hampton's parent companies, corporate affiliates, subsidiaries, and their respective officers, directors, attorneys, representatives, shareholders, agents, and employees, and sister and parent entities. (collectively "Releasees").

In addition, Ecological, in its capacity, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Hampton and the Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code Section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

6.2. Hampton's Release of Ecological

Hampton waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.
