

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Endurance Brands, Inc.

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Endurance Brands, Inc. ("Endurance"), on the other hand, with Ecological and Endurance collectively referred to as the "Parties."

1.2. General Allegations

Ecological alleges that Endurance manufactured and distributed and offered for sale in the State of California speed jump ropes containing Di(2-ethylhexyl)phthalate ["DEHP"] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as speed jump ropes that Endurance has or caused to be sold, offered for sale or distributed in California and that contain DEHP. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On April 6, 2021, Ecological served Marshall's of CA, LLC, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" (the "Notice") that provided Endurance and such public enforcers with notice that Endurance was allegedly in

SETTLEMENT AND RELEASE AGREEMENT

violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Endurance's compliance with Proposition 65. Specifically, Endurance denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 and any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Endurance of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Endurance of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Endurance. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Endurance under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

The foregoing notwithstanding, the warning requirement shall not be required for Products that are already in the stream of commerce as of the Effective Date or that Endurance places into the stream of commerce within ninety (90) days of the Effective Date.

(c) The requirements for warnings, set forth in subsection: (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.
