## **1. INTRODUCTION**

### **1.1 Vinocur and Tasharina Corp.**

This settlement agreement (Settlement Agreement) is entered into by and between Laurence Vinocur and Tasharina Corp. (Settling Entity) with Vinocur and the Settling Entity referred to as the “Parties.” Vinocur is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. The Settling Entity is a responsible party selling the products at issue set forth in subsection 1.3 below to California consumers, or downstream entities in the course of doing business which the Settling Entity has reason to believe sell into the California marketplace (Customers), California Health & Safety Code §§25249.5, *et seq.* (Proposition 65).

### **1.2 General Allegations**

The Settling Entity enters into this Settlement Agreement on behalf of the noticed violator described in subsection 1.4 below, with whom such Settling Entity has a contract for one or more of the products at issue which contains indemnity and defense clauses. The Settling Entity has accepted a tender from the noticed violator. Additionally, the Settling Entity approached Vinocur to resolve the noticed violator’s alleged liability. And the Settling Entity is making commitments in furtherance of the public interest set forth below.

Vinocur alleges that the Settling Entity manufactures, imports, distributes, retails and/or otherwise facilitates for sale in California the products defined below, and that it does so without providing the health hazard warning required by Proposition 65 for consumer exposures to lead. Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer, and birth defects or other reproductive harm.

### 1.3 Product Description

The products covered by this Settlement Agreement are lead solder wire offered for sale by the Settling Entity including, but not limited to, *Unique Bargains Roll of DMiotech Imm Diameter 63/37 Rosin Core Flux 1.8% Tin Lead SolderWire* and *Unique Bargains 0.6mm 400G 60/40 Rosin Core Tin Lead Roll Soldering Solder Wire Silver Tone* offered at walmart.com, hereinafter the “Product” or “Products.”

### 1.4 Notices of Violation

On or about February 5, March 11 and April 29, 2021, Vinocur served Walmart Inc. and certain requisite public enforcement agencies with 60-Day Notices of Violation (notices), alleging that Walmart Inc. violated Proposition 65 when it failed to warn Customer or consumers in California that the Products expose users to lead. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the notices.

### 1.5 No Admission

The Settling Entity (and on behalf of the noticed violator described in subsection 1.4 above) denies the material, factual and legal allegations contained in the notices and maintains that all Products that were sold and distributed in California have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by the Settling Entity (and/or Walmart Inc., Wal-Mart Stores East L.P., Wal-Mart Stores, Inc., each of their respective parents, subsidiaries, affiliates, past and current agents, directors, officers, employees, representatives, attorneys, successors, assignees, and/or anyone else acting on their behalf, collectively “Walmart”) of any fact, finding, issue of law or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by the Settling Entity (and/or Walmart) of any fact, finding, conclusion, issue of law or violation of law. This subsection shall not, however, diminish or otherwise affect the obligations, responsibilities, and duties under this Settlement Agreement.

## 1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean August 13, 2021.

## 2. INJUNCTIVE RELIEF: WARNINGS OR REFORMULATION

### 2.1 Injunctive Relief

The Settling Entity agrees that all Products, unless reformulated, shall be labeled with a clear and reasonable warning as set forth in subsections 2.3 through 2.6 below.

### 2.2 Reformulation Standards

A “reformulated” product (a) contains lead in concentrations that do not exceed 90 parts per million, equivalent to 0.009%, in any exterior parts analyzed pursuant to U.S. Environmental Protection Agency (EPA) methodologies 3050B and 6010B and (b) yield a result of no more than 1.0 micrograms of lead when sampled according to NIOSH 9100 protocol and analyzed according to EPA 6010B. In addition to the above tests, the Settling Entity may use equivalent methods utilized by any California or federal agency to determine lead content in a solid substance or the amount of the bioavailability of the toxicant through a wipe test, respectively.

### 2.3 Clear and Reasonable Warnings

Commencing on or before August 30, 2021 (the compliance date), the Settling Entity shall provide clear and reasonable warnings for all non-reformulated units of the Products offered for sale to California consumers or its Customer. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use.

(a) **Warning.** The warning shall consist of the following statement (Warning):

 **WARNING:** This product can expose you to lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

or

**(b) Short-Form Warning.** The Settling Entity may, but is not required to, use the following short-form warning as set forth in this subsection 2.3(b) (Short-Form Warning) so long as it is consistent with the implementing regulations, and subject to the additional requirements in subsections 2.5 and 2.6, as follows:

 **WARNING:** Reproductive Harm – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

or

 **WARNING:** Cancer and Reproductive Harm – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

**(c) Foreign Language Requirement.** Where a product label used to provide a warning includes consumer information in a language other than English, the warning shall also be provided in such language.

#### 2.4 On-Product Warnings

The Settling Entity shall affix a warning to the product label or otherwise directly on each unit of the Product provided through in-store retail outlets in California or sold online to Customer or consumers in California. For the purpose of this Settlement Agreement, “product label” means a display of written, printed or graphic material that is printed on or affixed to a Product or its immediate container. The entire warning shall appear in a type size of at least 6-point type and no smaller than the largest type size used for other consumer information on the product. The warning language shall consist of either the Warning, or the Short-Form Warning described above in subsection 2.3(a) or (b), respectively, and be consistent with 2.3(c) above if it applies.

#### 2.5 Mail Order Catalog Warnings

In the event that, the Settling Entity prints new catalogs and sells units of the Products via mail order through such catalogs to California consumers or Customer, the Settling Entity shall

provide a warning for each unit of such Product both on the label in accordance with subsection 2.4 above, and in the catalog in a manner that clearly associates the warning with the specific Product being purchased. The catalog warning may use the Short-Form Warning content described in subsection 2.3(b) if the language provided on the Product label also uses the Short-Form Warning.

## 2.6 Internet Warnings

If the Settling Entity offers for sale any of the Products through online retail sellers, it shall ensure that the required warning (with the language set forth in subsection 2.3 above) is prominently displayed to the purchaser prior to completion of the transaction without requiring the potential buyer to use considerable effort to be made aware of the health hazard advisory. The warning (or a clearly marked hyperlink to the warning using the word “**WARNING**”) given in conjunction with the online sale of the Products shall appear either: (a) prominently placed on the page in which the Product’s initial photograph and price are displayed; (b) on the same web page as the order form for the Products; or (c) on a web page or pop-up displayed to the purchaser during the checkout process. The Settling Entity may also place the symbol “” adjacent to “**WARNING.**” The internet warning may use the Short-Form Warning content described in subsection 2.3(b) if the warning provided on the product label also uses the Short-Form Warning content.

Thereafter, Vinocur's counsel shall send the portions of the penalties paid by the Settling Entity to OEHHA and Vinocur.

### 3.2 Reimbursement of Attorneys' Fees and Costs

The Parties acknowledge that Vinocur and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been finalized, the Settling Entity expressed a desire to resolve Vinocur's fees and costs. The Parties then negotiated a resolution of the compensation due to Vinocur's counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure §1021.5. For all work performed through the mutual execution of this agreement, the Settling Entity shall reimburse Vinocur's counsel \$11,700. The Settling Entity will deliver its non-electronic payment to the address in subsection 3.3 by overnight courier, with a tracking number, in the form of a check payable to "Chanler, LLC," or through an automatic electronic transfer, such that payment is received by Vinocur's counsel on or before the Effective Date. The reimbursement shall cover all fees and costs incurred by Vinocur investigating, bringing this matter to the Settling Entity's attention and negotiating a settlement of the matter in furtherance of the public interest.

This Settlement Agreement is a full, final and binding resolution between Vinocur, as an individual (and not on behalf of the public yet furthers its health interest), and the Settling Entity, of any violation of Proposition 65 that was or could have been asserted by Vinocur on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, against the Settling Entity and each of its parents, subsidiaries, affiliated entities under common ownership, directors, officers, employees, attorneys, and each entity to whom the Settling Entity directly or indirectly distributes or sells the Products including, but not limited, to downstream distributors, wholesalers, customers, online and brick & mortar retailers such as Walmart, franchisees, cooperative members, and licensees (releasees), based on their failure to warn about alleged exposures to lead contained in the Products that were sold and/or offered for sale in California before the Effective Date, as alleged in the notices.

In further consideration of the promises and agreements herein contained, Vinocur as an individual and not on behalf of the public, on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of his rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, investigation fees, expert fees, and attorneys' fees arising under Proposition 65 with respect to lead in the Products, sold and/or offered for sale by the Settling Entity, before the Effective Date, against the Settling Entity and the releasees.

The Parties further understand and agree that this subsection 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors, importers or suppliers who sold the Products to the Settling Entity. The Parties agree that if the Office of Environmental Health Hazard Assessment (OEHHA) changes its warning regulations affecting subsections 2.3 through 2.6 above, then the Settling Entity may either conform with the revised law or continue to conform with the terms provided in this Settlement Agreement if the new implementing regulations so allow. In doing so, the Settling Entity will be in compliance with this Settlement Agreement as long as it continues to fulfill any warning obligations unaffected by such new changes.

In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or if any of the provisions of this Settlement Agreement are rendered
