

SETTLEMENT AGREEMENT AND RELEASE OF ALL CLAIMS

BETWEEN

SARA HAMMOND

AND

SHIN'S TRADING CO. D/B/A CALA PRODUCTS

Sara Hammond (“Hammond”) and SHIN'S TRADING CO. D/B/A CALA PRODUCTS (“CALA”) (Hammond and CALA are collectively referred to as the “Parties”), enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle Hammond’s allegations that CALA violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

FOR AND IN CONSIDERATION OF the payment of the sum of Eighteen Thousand Dollars U.S. (\$18,000.00 U.S.) (the “Settlement Sum”), and in consideration of the releases set forth below, this Settlement Agreement and Release (the “Settlement Agreement”) is made and entered into on August 20, 2021,

The parties hereto agree that the Settlement Sum shall be paid as follows:

- a. An initial payment of \$9,000 which will include a \$1,000 civil penalty payment and a \$8,000 partial reimbursement payment to be made via overnight mail and received no later than Wednesday, August 25, 2021;

- b. A Second payment of \$6,000 received via overnight mail no later than September 25, 2021; and
- c. A final payment of \$3,000 received via overnight mail no later than October 25, 2021.

. However, it is expressly understood and agreed by the signatures of the parties below that if CALA defaults on any payment or otherwise fails to make payment in full, after appropriate notice of default, the release will be rendered null and void and Hammond will seek not only damages for default of the Settlement Agreement and failure to pay, but also on the original Proposition 65 cause of action and may bring an action against any and all available supply chain participants.

The parties further agree as follows:

1. Introduction

- 1.1. Hammond alleges she is an individual who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.
- 1.2. CALA previously either sold, offered for sale, imported, distributed, or manufactured at various times the CALA Rose Radiance 5 piece brush set and reusable pouch, SKU 128706922381900999, UPC 0616513768261 (referred to throughout as the “Covered Product”).
- 1.3. Hammond alleges that the Covered Product contains Di(2-ethylhexyl)phthalate (“DEHP”), also known as Diethyl Hexyl Phthalate and Bis (2-ethylhexyl) phthalate, and that CALA did not provide a required warning in compliance with

- 1.4. the California Safe Drinking Water and Toxic Enforcement Act of 1986 (Cal. Health & Safety Code § 25249.5, *et seq.* (“Proposition 65”)).
- 1.5. On January 1, 1988 the Governor of California added DEHP to the list of chemicals known to the State to cause cancer, and on October 24, 2003, the Governor added DEHP to the list of chemicals known to the State to cause developmental male reproductive toxicity. These additions took place more than twenty (20) months before Hammond served her “Sixty-Day Notice Of Violation Sent in Compliance With California Health & Safety Code § 25249.7(d)” which is further described below.
- 1.6. DEHP is referred to hereafter as the “Listed Chemical”.
- 1.7. On or about May 4, 2021 Hammond alleges she served CALA, as well as Marshalls, the TJX Companies, Inc. and Marmaxx Operating Corp. (“the Marshalls entities”), and certain relevant public enforcement agencies with a Sixty-Day Notice of Violation that was sent pursuant to California Health & Safety Code § 25249.7(d) alleging the Covered Product contained the Listed Chemical (the “Notice”).
- 1.8. The Notice alleged that the Covered Product violated Proposition 65 by failing to provide a warning to consumers in California that use of the Covered Product exposed persons to the Listed Chemical.
- 1.9. The Parties enter into this Settlement Agreement to settle disputed claims between them concerning the Parties’ and the Covered Product’s compliance with Proposition 65 (the “Dispute”).

- 1.10. CALA disputes and does not admit Hammond's allegations described in this Settlement Agreement and in the Notice.
- 1.11. By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law against interest, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission against interest by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission against interest or evidence of fault, wrongdoing, or liability by CALA, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, licensees, licensors, suppliers, manufacturers, importers, distributors or retailers of its products, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Hammond or CALA may have in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2. Release

- 2.1. This Settlement Agreement is a full, final, and binding resolution between Hammond, acting in her individual capacity, on the one hand, and (a) CALA, and its owners, parents, subsidiaries, affiliates, sister and related companies, licensees,

licensors, suppliers, manufacturers, importers, employees, shareholders, members, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively “Releasees”) and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Product, including but not limited to the Marshall’s entities.; and distributors, wholesalers, customers, retailers, franchisees, and cooperative members (“Downstream Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to any Proposition 65 listed chemical or the failure to warn about exposure to any Proposition 65 listed chemical arising in connection with the Covered Product sold, offered for sale, manufactured, imported or otherwise distributed by CALA up through and including the Effective Date, even if sold by Releasees or Downstream Releasees after the Effective Date.

- 2.2. Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Product all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys’ fees) (collectively “Claims”), against Releasees and the Downstream Releasees that arise under Proposition 65 or any other

statutory or common law claims that were or could have been asserted in connection with the Covered Product sold, offered for sale, manufactured, imported or otherwise distributed by CALA up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' or Downstream Releasees' alleged exposure of persons to any Proposition 65 listed chemicals contained in the Covered Product or any failure by Releasees or Downstream Releasees to warn about exposures to any Proposition 65 listed chemical contained in the Covered Product up through and including the Effective Date.

- 2.3. Hammond acknowledges that she is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which she may have under, or which may be conferred on her by the provisions of California Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that she may lawfully waive such rights or benefits pertaining to the released matters up through and including the Effective Date. The release in this

section shall have no force or effect until the full amount of payments set forth below are paid in full.

2.4. CALA's release of Hammond

CALA on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors and assignees, hereby waives any and all claims against Hammond and her attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Product up through and including the Effective Date.

3. **CALA's Duties**

3.1. Effective on and after the Effective Date CALA shall not sell the Covered Product for distribution in California unless the product is a "Reformulated Covered Product" as defined in Paragraph 3.2 or unless CALA provides a Compliant Warning as defined in Paragraph 3.3 for any non-reformulated Covered Product that it sells in California. Compliance with this Settlement Agreement by CALA shall constitute compliance under Proposition 65 with regard to Covered products sold, offered for sale, imported, manufactured or otherwise distributed after the Effective Date.

3.2. For purposes of this Settlement Agreement, "Reformulated Covered Products" are Covered Products containing no more than 1,000 parts per million (0.1%) DEHP in any accessible component ("accessible component" is defined as any component that could be touched by a person during reasonably foreseeable use).

In order to determine compliance with this reformulation standard, CALA may rely on third party testing from an accredited laboratory.

3.3. The Parties agree that any of the following warnings shall constitute a “Compliant Warning” for the Listed Chemical in the Covered Product:

(a) the text, "**WARNING:** This product can expose you to chemicals including Di(2-ethylhexyl)phthalate (DEHP), which is known to the State of California to cause cancer or reproductive harm. For more information go to www.P65Warnings.ca.gov." accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word “WARNING” as provided by regulations adopted on or about August 30, 2016; or

(b) the text, “**WARNING:** Cancer or Reproductive Harm – www.P65Warnings.ca.gov.” accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word “WARNING” as provided by regulations adopted on or about August 30, 2016.

The triangular warning symbol specified in Section 3.3 shall be in yellow with a black exclamation mark; *provided however*, the symbol may be printed in black and white if the Covered Product label is not printed against a yellow background.

3.4. The Parties agree that the specifications for Compliant Warnings in this Settlement Agreement comply with Proposition 65 and its regulations as of the

date of this Settlement Agreement, and with regulations adopted on or about August 30, 2016 and which became effective August 30, 2018.

- 3.5. If modifications or amendments to Proposition 65 or its “safe harbor” regulations after the Effective Date are adopted as to what constitutes a “clear and reasonable warning,” Defendant may modify the content and delivery methods of its warnings to conform to the modified or amended provisions of Proposition 65 or its regulations.

damages for default of the Settlement Agreement and failure to pay, but also on the original Proposition 65 cause of action and may bring an action against any and all available supply chain participants.
