

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Dennis Johnson (“Johnson”) and Ten Strawberry Street (“Ten Strawberry”), with Johnson and Ten Strawberry each individually referred to as a “Party” and collectively as the “Parties.” Johnson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Johnson alleges that Ten Strawberry employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Johnson alleges that Ten Strawberry manufactures, sells, and distributes for sale in California, ceramic cannisters and spoon rest with decorations containing lead. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Johnson alleges that Ten Strawberry failed to provide the health hazard warning required by Proposition 65 for exposures to lead.

1.3 Product Description

The products covered by this Settlement Agreement are specifically defined as, and limited to the following products that are manufactured, sold, or distributed for sale in California by Ten Strawberry: (i) *Ten Strawberry Mandarin Home Ceramic Cannister*, UPC: 0 17794 47181; (ii) *Ten Strawberry “The Joy of the Lord is my Strength” ceramic spoon rest*, SKU: 17794 49503 5; and (3) *Ten Strawberry “One Fine Apple” Ceramic Mug*; UPC: 0 17794 49704 7 (hereinafter collectively referred to as the “Products”).

1.4 Notice of Violation

On May 6, 2021, Johnson served Ten Strawberry and the requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”), alleging that Ten Strawberry violated Proposition 65 when it failed to warn its customers and consumers in California of the health hazards associated with exposures to lead from the ceramic cannister product. Johnson also identified the spoon rest and ceramic mug products as lead-containing, and Ten Strawberry indicated it would like to resolve those products in this Settlement Agreement. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

Ten Strawberry denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Ten Strawberry of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Ten Strawberry of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Ten Strawberry. This Section shall not, however, diminish or otherwise affect Ten Strawberry’s obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean August 5, 2021.

2. INJUNCTIVE RELIEF: REFORMULATION/WARNING

2.1 Reformulation Standards

“Reformulated Products” are defined as those Products that: (a) contain no more than 90 parts per million (“ppm”) lead in any decoration, colored artwork, designs and/or

marking on the surface of the Products when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance; (b) yield a result of non-detect (defined as no more than 25 ppm (0.0025%) by weight of lead) for any decorations located in the upper 20 millimeters of the *One Fine Apple* ceramic mug Product, i.e., the “Lip-and-Rim” area, when analyzed pursuant to EPA testing methodologies 3050B and 6010B, or equivalent methodologies used by state and federal agencies to determine lead content in a solid substance; and (c) yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol.

If the decoration is tested after it is affixed to the Product, the percentage of the lead by weight must related only to the decorating materials and must not include any quantity attributable to non-decorating material (e.g., glass/ceramic substrate).

2.2 Reformulation/Warning Commitment

As of the Effective Date, Ten Strawberry shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless they are Reformulated Products pursuant to Section 2.1. or contain appropriate health-hazard warnings pursuant to Section 2.3.

2.3 Product Warnings

As of the Effective Date, all Products Ten Strawberry distributes for sale, sells or offers for sale in California, that do not qualify as Reformulated Products per Section 2.2, shall bear a clear and reasonable warning pursuant to this Section. The warning will be prominently placed with such conspicuousness when compared with other words, statements, designs or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of use. For purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning

affixed directly to the product or product packaging, label, or tag, and contain one of the following statements:

⚠ WARNING: Reproductive Harm- www.P65Warnings.ca.gov

OR

⚠ WARNING: This product can expose you to chemicals including lead, which are known to the State of California to cause birth defects and other reproductive harm. For more information go to www.P65Warnings.ca.gov.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in sections 4.1 and 4.2, Ten Strawberry agrees to pay \$1,800 in civil penalties no later than the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Johnson, and delivered to the address in Section 3.3 herein. Ten Strawberry will provide its payment in two checks as follows: (1) “OEHHA” in the amount of \$1,350; and (2) “Dennis Johnson” in the amount of \$450.

3.2 Attorneys’ Fees and Costs

The Parties acknowledge that Johnson and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Ten Strawberry expressed a desire to resolve Johnson’s fees and costs. The Parties reached an accord on the compensation due to Johnson’s counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, on or before the Effective Date, Ten Strawberry agrees to pay \$24,200, in the form of a check made payable to

“Voorhees & Bailey, LLP,” for all fees and costs incurred investigating, bringing this matter to the attention of Ten Strawberry’s management, and negotiating a settlement.

3.3 Payment Address

All payments under this Settlement Agreement shall be delivered to the following address:

Voorhees & Bailey, LLP
990 Amarillo Avenue
Palo Alto, CA 94303

4. CLAIMS COVERED AND RELEASED

4.1 Johnson’s Release of Proposition 65 Claims

Johnson acting on his own behalf, and *not* on behalf of the public, releases Ten Strawberry, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, agents employees, attorneys, and each entity to whom Ten Strawberry directly or indirectly distributes or sells the Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers including, but not limited to The TJX Companies, Inc., franchisees, cooperative members, importers, and licensees (collectively, “Releasees”), from all claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to lead in the Products. The Parties understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Ten Strawberry.

4.2 Johnson’s Individual Release of Claims

Johnson, in his individual capacity only and *not* in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys’ fees, damages, losses, claims, liabilities, and demands of Johnson and his attorneys, Voorhees & Bailey, LLP, of any nature, character, or kind, whether known or

unknown, suspected or unsuspected, including but not limited to all failure to warn claims, arising out of alleged or actual exposures to lead in the Products manufactured, imported, distributed, or sold by Ten Strawberry prior to the Effective Date. The Parties understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Ten Strawberry. Nothing in this Section affects Johnson's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Ten Strawberry's Products.

4.3 Ten Strawberry's Release of Johnson

Ten Strawberry, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Johnson and his attorneys and other representatives, for any and all actions taken or statements made by Johnson and his attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Ten Strawberry may provide written notice to Johnson of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
