

SETTLEMENT AGREEMENT

BETWEEN

SARA HAMMOND

AND

PEARL WORLD INC.

Sara Hammond (“Hammond”) and PEARL WORLD INC. (“PW”) (Hammond and PW are collectively referred to as the “Parties”), enter into this agreement (“Settlement Agreement”) for the purpose of avoiding litigation to settle Hammond’s allegations that PW violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1. Introduction

- 1.1. Hammond alleges she is an individual who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products. PW previously either sold, offered for sale, imported, distributed, or manufactured at various times the Alchemy Living 5-piece bath set reusable case UPC 8 1002469913 1 (the “Alchemy Product”) and the Catherine Malandrino 3-piece kit reusable case SKU 09428634893500039915 (the “Malandrino Product”) (both products are referred to throughout as the “Covered Products”).
- 1.2. Hammond alleges that the Alchemy Product contains Diisononyl phthalate (“DINP”) and that the Malandrino Product contains Di(2-ethylhexyl)phthalate (“DEHP”), also known as Diethyl Hexyl Phthalate and Bis (2-ethylhexyl)

phthalate, and that PW did not provide a required warning in compliance with the California Safe Drinking Water and Toxic Enforcement Act of 1986 (Cal. Health & Safety Code § 25249.5, *et seq.* (“Proposition 65”)).

- 1.3. On January 1, 1988, the Governor of California added DEHP to the list of chemicals known to the State to cause cancer, and on October 24, 2003, the Governor added DEHP to the list of chemicals known to the State to cause developmental male reproductive toxicity. On December 20, 2013, the Governor of California added DINP to the list of chemicals known to the State to cause cancer. These additions took place more than twenty (20) months before Hammond served each of her “Sixty-Day Notice Of Violation Sent in Compliance With California Health & Safety Code § 25249.7(d)” which is further described below.
- 1.4. DEHP and DINP are individually referred to hereafter as a “Listed Chemical”.
- 1.5. On or about December 28, 2020 Hammond alleges she served PW, as well as Five Below Inc. and certain relevant public enforcement agencies with a Sixty-Day Notice of Violation that was sent pursuant to California Health & Safety Code § 25249.7(d) alleging the Alchemy Product contained DINP (the “Alchemy Notice”).
- 1.6. On or about May 7, 2021 Hammond alleges she served PW, as well as Burlington Coat Factory Warehouse and certain relevant public enforcement agencies with a Sixty-Day Notice of Violation that was sent pursuant to California Health &

Safety Code § 25249.7(d) alleging the Malandrino Product contained DEHP (the “Malandrino Notice”).

- 1.7. Each Notice alleged that the Covered Product violated Proposition 65 by failing to provide a warning to consumers in California that use of the Covered Product exposed persons to a Listed Chemical.
- 1.8. PW disputes and does not admit Hammond’s allegations described in this Settlement Agreement and in the Notices. PW specifically maintains that it has not knowingly manufactured, or caused to be manufactured, the Covered Products for sale in California in violation of Proposition 65.
- 1.9. The Parties enter into this Settlement Agreement to settle disputed claims between them concerning the Parties’ and the Covered Products’ compliance with Proposition 65 (the “Dispute”).
- 1.10. By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law against interest, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission against interest by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission against interest or evidence of fault, wrongdoing, or liability by PW, its officers, directors, employees, members, or parents, subsidiaries or affiliated corporations,

licensees, licensors, suppliers, manufacturers, importers, distributors or retailers of the Covered Products, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Hammond or PW may have in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2. Release

2.1. This Settlement Agreement is a full, final, and binding resolution between Hammond, acting in her individual capacity, on the one hand, and (a) PW, and its owners, parents, subsidiaries, affiliates, sister and related companies, licensees, licensors, suppliers, manufacturers, importers, employees, shareholders, members, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively “Releasees”) and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Products, including but not limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members, including without limitation Five Below Inc. and Burlington Coat Factory Warehouse and their respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (“Downstream Releasees”), on the other hand, of any violation(s) or alleged violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding

exposing persons to any Proposition 65 listed chemical or the failure to warn about exposure to any Proposition 65 listed chemical arising in connection with the Covered Products sold, offered for sale, manufactured, imported or otherwise distributed by PW up through and including the Effective Date, even if sold by Releasees or Downstream Releasees after the Effective Date.

- 2.2. Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against Releasees and/or the Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in connection with the Covered Products sold, offered for sale, manufactured, imported or otherwise distributed by PW up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' or Downstream Releasees' alleged exposure of persons to any Proposition 65 listed chemicals contained in the Covered Products or any failure by Releasees or Downstream Releasees to warn about exposures to any Proposition 65 listed chemical contained in the Covered Products up through and including the Effective Date.

2.3. Hammond acknowledges that she is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which she may have under, or which may be conferred on her by the provisions of California Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that she may lawfully waive such rights or benefits pertaining to the released matters up through and including the Effective Date. The release in this section shall have no force or effect until the full amount of payments set forth below are paid in full.

PW, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors and assignees, hereby waives any and all claims against Hammond and her attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products up through and including the Effective Date.

3. **PW's Duties**

- 3.1. Effective on and after the Effective Date, PW shall not sell the Covered Products for distribution in California unless the products are “Reformulated Covered Products” as defined in Paragraph 3.2 or unless PW provides a Compliant Warning as defined in Paragraph 3.3 for any non-reformulated Covered Product that it sells in California. Compliance with this Settlement Agreement by PW shall constitute compliance under Proposition 65 with regard to Covered Products sold, offered for sale, imported, manufactured or otherwise distributed after the Effective Date.
- 3.2. For purposes of this Settlement Agreement, “Reformulated Covered Products” are Covered Products containing no more than 1,000 parts per million (0.1%) DEHP or DINP in any accessible component (“accessible component” is defined as any component that could be touched by a person during reasonably foreseeable use). In order to determine compliance with this reformulation standard, PW may rely on third party testing from Intertek, Bureau Veritas or any other accredited laboratory.
- 3.3. The Parties agree that any of the following warnings shall constitute a “Compliant Warning” for each Listed Chemical in the Covered Products:
- For DEHP:
- (a) the text, “**WARNING:** This product can expose you to chemicals including Di(2-ethylhexyl)phthalate (DEHP), which is known to the State of California to cause cancer or reproductive harm. For more information go to

www.P65Warnings.ca.gov.” accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word “WARNING” as provided by regulations adopted on or about August 30, 2016; or

(b) the text, “**WARNING:** Cancer or Reproductive Harm –

www.P65Warnings.ca.gov.” accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word “WARNING” as provided by regulations adopted on or about August 30, 2016.

The triangular warning symbol specified in Section 3.3 shall be in yellow with a black exclamation mark; *provided however*, the symbol may be printed in black and white if the Covered Products label is not printed against a yellow background.

For DINP:

The triangular warning symbol specified in Section 3.3 shall be in yellow with a black exclamation mark; *provided however*, the symbol may be printed in black and white if the Covered Product label is not printed against a yellow background.

- 3.4. The Parties agree that the specifications for Compliant Warnings in this Settlement Agreement comply with Proposition 65 and its regulations as of the date of this Settlement Agreement, and with regulations adopted on or about August 30, 2016 and which became effective August 30, 2018.
- 3.5. If modifications or amendments to Proposition 65 or its “safe harbor” regulations after the Effective Date are adopted as to what constitutes a “clear and reasonable warning,” PW may modify the content and delivery methods of its warnings to conform to the modified or amended provisions of Proposition 65 or its regulations without violating Section 3 of this Settlement Agreement.
- 3.6. The Parties agree that compliance by PW with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to DINP and/or DEHP from use of the Covered Products.

4. **Payments**

4.1. PW agrees to pay a total of twenty-five thousand dollars (\$25,000.00) within 5 days of the Effective Date.

Unless otherwise agreed to by the parties, in writing, all payments required by this agreement shall be made by check and sent via overnight mail with tracking numbers provided to plaintiff's counsel and addressed as follows:

Joseph D. Agliozzo, Law Corporation

and further specified as follows:

4.1.1. Agliozzo, Law Corporation as Hammond's attorney, for reasonable investigation fees and costs, attorneys' fees, and other costs incurred as a result of investigating and bringing this matter to PW's attention. At PW's request, Hammond's counsel shall provide PW with a W-9 for Joseph D. Agliozzo, Law Corporation.

5. Public Benefit

Admin. Code tit. 11, § 3201. As such, it is the intent of PW that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to PW'S failure to provide a warning concerning exposure to DINP or DEHP prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that PW is in material compliance with this Settlement Agreement.
