

## SETTLEMENT AGREEMENT

### 1. INTRODUCTION

#### 1.1 Parties

This Settlement Agreement is entered into by and between EnviroProtect, LLC (“EP”) on the one hand and YNT Industrial Limited (“YNT”) on the other hand, with YNT and EP each individually referred to as a “Party” and collectively as the “Parties.”

#### 1.2 Introduction and General Allegations.

1.2.1 EP is a limited liability company duly organized and existing in the State of California, which seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products.

1.2.2 EP alleges that YNT and/or Ross Stores, Inc. (“Ross”), employ ten or more persons, and EP alleges that YNT is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2.3 EP alleges that YNT imported, sold, and/or distributed for sale in California Covered Products, as defined below, that contain Di-(2-ethylhexyl) phthalate (“DEHP”), a chemical pursuant to Proposition 65 listed by the State of California to cause cancer and reproductive toxicity. EP further alleges that YNT failed to provide the health hazard warning required by Proposition 65 for exposures to DEHP from the Covered Products.

#### 1.3 Product Description.

The products covered by this Settlement Agreement are the YNT Boy Zone Comforter Sets and carrying bags, which were imported, sold and/or distributed for sale in California by YNT (“Covered Products”).

#### **1.4 60 Day Notice of Violation and Exchange of Information.**

On May 26, 2021, EP served YNT, Ross, and the requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”), related to the Covered Products, alleging that YNT and Ross violated Proposition 65. The Notice alleged that YNT and Ross had failed to warn their customers and consumers in California of the health hazards associated with exposures to DEHP from the import, sale and/or distribution of the Covered Products.

EP subsequently provided YNT with test results in EP’s possession concerning its allegations. YNT provided EP with sales data related to the Covered Products. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

#### **1.5 No Admission.**

The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as set forth below concerning the Parties’ and the Covered Products’ compliance with Proposition 65. Specifically, EP alleges that YNT imported, manufactured, sold or distributed for sale in the state of California, Covered Products which contained DEHP without first providing the clear and reasonable exposure warning required by Proposition 65. YNT denies that such a warning is required under Proposition 65 or any otherwise applicable law.

YNT further denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has imported, manufactured and/or sold and distributed in California, including the Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by YNT of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by YNT of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by YNT. This Section shall not, however, diminish or otherwise affect YNT’s obligations, responsibilities, and duties under this Settlement Agreement.

## 1.6 **Effective Date.**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date the Agreement is fully executed by the Parties.

## 2. **INJUNCTIVE RELIEF: REFORMULATED PRODUCTS**

2.1 **Reformulation Standard.** Commencing on the Effective Date, and continuing thereafter, Covered Products that YNT imports, manufactures, ships to be sold or offers for sale or purchase in or into California, or sells in California shall be deemed to comply with Proposition 65, and be exempt from any Proposition 65 warning requirements with respect to DEHP if the Products meet the standard of "Reformulated Products." "Reformulated Products" shall mean Covered Products containing less than or equal to 1,000 parts per million (0.1%) DEHP in each Accessible Component when analyzed pursuant to Environmental Protection Agency testing methodologies 3580A and 8270C, CPSC-CH-C1001-09.3 or equivalent methodologies utilized by federal or state agencies for the purpose of determining DEHP content in a solid substance ("Reformulation Standard"). Covered Products, currently in the channels of distribution with distributors and retailers may continue to be sold-through. However, as of the Effective Date, YNT may not distribute or sell new Covered Products in California that are not Reformulated Products or do not contain the warnings set forth in Paragraph 2.3.

2.2 **Warning Option.** Covered Products that are not reformulated or do not meet the Reformulation Standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning shall only be required as to Covered Products that are sold or shipped out to consumers, retailers, or distributors in California after the Effective Date. No Proposition 65 warning for DEHP shall be required as to any Covered Products that are already in the stream of commerce as of the Effective Date.

2.3 **Warning Language.** Commencing on the Effective Date, YNT shall ensure that any unreformulated Covered Products that it ships to California retailers or for sale in California include a clear and reasonable warning. The warning shall be affixed to the packaging or labeling using language similar to the warnings below:

The warning shall be prominently displayed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user is reasonably likely to understand to which specific Product the warning applies, so as to minimize the risk of consumer confusion. In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, YNT shall be entitled to use, at its discretion, such other warning text and/or methods of transmission without being deemed in breach of this Agreement

#### **4. REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that EP and its counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving any fee reimbursement issue to be resolved after the material terms of the agreement had been settled. The parties reached an accord on the compensation due to EP and its counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure (CCP) § 1021.5, for all work performed through the mutual execution of this agreement. More specifically, YNT shall pay the total amount of \$16,500 for fees and costs incurred by EP as a result of investigating, bringing this matter to the attention of YNT, and negotiating a settlement. #### **5. RELEASE OF ALL CLAIMS**

##### **5.1 Full, Final and Binding Resolution of Proposition 65 Allegations.**

EP, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, releases YNT of any violation of Proposition 65 that was or could have been asserted by EP against YNT, Ross, and their parents, subsidiaries, affiliated entities that are under common ownership, directors, officers, employees, agents, principals, insurers, accountants, representatives, attorneys, predecessors, successors, assignees, licensors, each manufacturer or other entity supplying YNT with the Covered Products, and each entity to which YNT directly or indirectly distributes, ships or sells the Covered Products, including, but not limited to Ross, its downstream distributors, wholesalers, customers, retailers, franchisees,

cooperative members, and licensees and their owners, directors, officers, employees, agents, principals, insurers, accountants, representatives, attorneys, predecessors, successors, and assignees (collectively "Releasees") for any and all claims based on their alleged or actual failure to warn about alleged exposures to DEHP contained in the Covered Products that were allegedly manufactured, imported, distributed, sold and/or offered for sale by YNT and Ross either directly or through the Releasees) in California before the Effective Date. The Release shall also cover any Covered Products that were in the stream of commerce prior to the Effective. However, as of the Effective Date, no new Products shall be shipped to or distributed in California that are not Reformulated Products or contain the warnings set forth in Sections 2.2 and 2.3. This release is provided in EP's individual capacity and is not a release on behalf of the public.

In further consideration of the promises and agreements herein contained, EP on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, also hereby waives all of its rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims against YNT and Releasees including, but not limited to Ross, that it or they may have including, without limitation, all actions, and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, expenses, investigative fees, expert fees, and attorneys' fees for any and all claims arising under Proposition 65, and regarding the alleged or actual failure to warn about exposures to DEHP in the Covered Products allegedly manufactured, sold, or distributed for sale before the Effective Date by YNT or Releasees.

## **5.2 YNT'S Release of EP.**

YNT on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against EP, its attorneys and other representatives, for any and all actions taken or statements made by EP and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Covered Products.

### **5.3 Public Benefit.**

It is YNT's contention that the commitments it has agreed to herein, and actions to be taken by YNT under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of YNT that to the extent any other private party initiates any action alleging a violation of Proposition 65 with respect to YNT and/or the Releasees relating to the Covered Products they have manufactured, distributed, sold, or offered for sale in California and that are subject to this Settlement, such private party action would not confer a significant benefit on the general public provided that YNT is in material compliance with this Settlement Agreement.
