

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Ema Bell (“Bell”) and Miniso Depot CA, Inc. (“Miniso”). Together, Bell and Miniso are collectively referred to as the “Parties.” Bell is an individual who resides in the State of California and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Bell alleges that Miniso is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Bell alleges that Miniso has exposed individuals to diethanolamine (“DEA”) from its sales of Miniso We Bare Bears children’s hand soap without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. DEA is listed under Proposition 65 as a chemical known to the State of California to cause cancer.

1.3 Product Description. The products covered by this Settlement Agreement are Miniso We Bare Bears children’s hand soap, including UPC#6941501512958, (the “Products”) that Miniso has either imported, and/or distributed, and/or offered for sale and/or directly or indirectly sold in California.

1.4 Notice of Violation. On or about June 1, 2021 Bell served USA Miniso Depot, Inc.; Miniso International Hongkong Limited; Miniso Industries Co., Ltd.; Foshan Nanhai Greatwall Daily Chemical Factory; Smart Trade Group Inc.; Westfield, LLC, and various public enforcement agencies with documents entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (collectively, the “Notice”). The Notice provided Miniso and such others, including public enforcers, with notice that alleged that Miniso was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEA. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Miniso denies and disputes the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission against interest by Miniso of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission against interest by Miniso of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Miniso. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Miniso maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65. The Parties enter into this Settlement Agreement for the purposes of avoiding prolonged litigation.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date that both Parties are have notice that this Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS

2.1 Reformulation of Covered Products. As of the Effective Date, and continuing thereafter, Products that Defendant manufactures or imports for sale to wholesale or retail businesses, or individuals in California shall either: (a) be a Reformulated Product pursuant to § 2.2, below; or (b) be labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 and 2.4, below. The warning requirement set forth in §§ 2.3 and 2.4 shall not apply to any Reformulated Product. There shall be no obligation for Miniso to provide a warning for Products that entered the stream of commerce prior to the Effective Date whether or not it is a Reformulated Product.

2.3 DEA Free Reformulation Standard. “Reformulated Product” shall mean Product with measured DEA content that is either not detectable (i.e., zero) or below the Reporting Limit (defined herein) when analyzed pursuant to liquid chromatography/tandem mass spectrometry (LC/MS/MS), inductively coupled mass-spectroscopy (ICP-MS) or other method of analysis utilized

by the International Organization for Standardization (ISO) for qualitative and quantitative screening of cosmetics and cosmetic raw materials.

2.3.1 Reporting Limit. The “Reporting Limit” is the lowest concentration at which DEA can be reported in a sample of a Product by a commercially reasonable accredited testing laboratory employing LC/MS/MS analysis or other method of analysis utilized by the ISO for qualitative and quantitative screening of cosmetics and cosmetic raw materials.

2.4 Clear and Reasonable Warning. As of the Effective Date, and continuing thereafter, Miniso must provide a clear and reasonable exposure warning as set forth in this §§ 2.4 and 2.5 for all Products that Defendant manufacturers or imports for sale to wholesale or retail businesses in California that is not a Reformulated Product. The warning shall consist of either the **Warning** or **Alternative Warnings** described in §§ 2.3(a),(b) or (c), respectively:

(a) **Warning.** The “Warning” shall consist of the statement:

 **WARNING:** This product can expose you to chemicals including diethanolamine (DEA), which are known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

(b) **Alternative Warning:** Miniso may, but is not required to, use the alternative short-form warning as set forth in this § 2.4(b) (“**Alternative Warning**”) as follows:

 **WARNING:** Cancer - www.P65Warnings.ca.gov.

(c) **Alternative Warning:** Miniso may use any form of “safe harbor” warning set forth in Proposition 65 regulations applicable to the Product and the exposures at issue from the Product that is adopted at the time it places a Product in the stream of commerce.

2.5 A **Warning** or **Alternative Warning** provided pursuant to § 2.4 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The **Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process, providing that the

warning is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. The **Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings.

In addition to affixing the **Warning** or **Alternative Warning** to the Product's packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where Miniso offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink using the word "WARNING," appears on the product display page, or by otherwise prominently displaying the warning to a purchaser using a California delivery address prior to completing the purchase. To comply with this Section, Miniso shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers, in conformance with the methods set out in this paragraph, ; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of its third-party internet sellers, provide such sellers that it is aware of with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

2.6 Compliance with Warning Regulations. The Parties agree that Miniso shall be deemed to be in compliance with Proposition 65 and this Settlement Agreement by either adhering to §§ 2.3 or 2.4 of this Settlement Agreement or by complying with warning requirements adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") applicable to the Product and the exposures at issue for the Product that are in effect after the Effective Date.

The Parties thereafter reached an accord on the compensation due to Bell and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the Effective Date. Under these legal principles, Miniso shall reimburse Bell's counsel for fees and costs incurred as a result of investigating and bringing this matter to Miniso's attention, and negotiating a settlement in the public interest. 5. RELEASE OF ALL CLAIMS

5.1 Release of Miniso and Upstream and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Bell, acting on her own behalf, and Miniso, of any violation of Proposition 65 that was or could have been asserted by Bell or on

behalf of her past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”) for failure to provide warnings for alleged exposures to DEA from use of the Products, and Releasers hereby release any such claims against Miniso and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, including and not limited to USA Miniso Depot, Inc., Miniso International Hongkong Limited, and Miniso Industries Co. Ltd. and each entity to whom Miniso directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to its respective subsidiaries, affiliates and parents, and franchisees, cooperative members, lessors and licensees, including but not limited to Westfield, LLC, (collectively, the “Releasees”), from all claims for violations of Proposition 65 through the Effective Date based on exposure to DEA from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Bell, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to the chemical DEA from use of the Products.

5.2 Miniso’s Release of Bell. Miniso, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Bell, her attorneys and other representatives, for any and all actions taken or statements made by Bell and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to DEA from the Products up through the Effective Date.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Bell, on behalf of herself only, on the one hand, and Miniso, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Bell and Miniso each respectively acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Miniso with this Settlement Agreement constitutes compliance with Proposition 65, California Health & Safety Code section 25249.5 *et seq.*, with respect to exposure to DEA from use of the Products.

5.5. Public Benefit. It is the Parties' understanding that the commitments Miniso has agreed to herein, and the actions to be taken by Miniso under this Settlement Agreement, including payment of a civil penalty, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of the Parties that, to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Miniso's failure to provide a warning concerning exposure to DEA prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Miniso is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, or if DEA is delisted, Miniso shall provide written notice to Bell of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected. This Settlement Agreement is enforceable solely by the Parties hereto.

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any Party by the other Party to the following addresses:
