

## SETTLEMENT AND RELEASE AGREEMENT

### 1. INTRODUCTION

#### 1.1. Ecological Alliance, LLC and Cornfields LLC

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Cornfields LLC ("Cornfields"), on the other hand, with Ecological and Cornfields collectively referred to as the "Parties."

#### 1.2. General Allegations

Ecological alleges that Nice! veggie sticks were distributed and offered for sale by Walgreen Co. ("Walgreens") in the State of California containing lead and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed lead under Proposition 65 as a chemical known to the State of California to cause cancer.

#### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as Nice! branded veggie sticks that have been sold, offered for sale or distributed in California and that contain lead. All such items shall be referred to herein as the "Products." Cornfields manufactures the Products for Walgreens.

#### 1.4. Notice of Violation

On or about June 1, 2021, Ecological served Walgreens and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Walgreens and such public enforcers with notice that Walgreens was allegedly in

violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to lead. Walgreens tendered the Notice to Cornfields. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning the Products' compliance with Proposition 65. Specifically, Cornfields denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 and any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Cornfields or Walgreens of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Cornfields or Walgreens of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Cornfields and Walgreens. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Cornfields under this Settlement Agreement.

**1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

## 2. INJUNCTIVE RELIEF: WARNING

### 2.1. Warning

No later than 90 days after the Effective Date, Cornfields shall only sell or offer for sale in California Products that are accompanied by a warning as described in Section 2.2 below unless the Product contains no more than 0.5 micrograms of lead per recommended daily serving (if the label contains no recommended daily servings, then the number of recommended daily servings shall be one). The warning requirement shall not apply to Products manufactured (based on the "manufactured on" date) within 90 days of the Effective Date.

### 2.2. Warning Language

Where required, Cornfields shall provide Proposition 65 warnings as follows:

- (a) Cornfields may use any of the following warning statements in full compliance with this Section:
  - (1) **WARNING:** Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more info go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).
  - (2) **WARNING:** Reproductive Harm— [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
- (b) If the warning is placed on the Product label, it must be set off from other surrounding information and enclosed in a box.
- (c) Any other clear and reasonable warning authorized by Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for lead or the Products should no longer be required, Cornfields shall have no further obligations pursuant to this Settlement Agreement.

3. **PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Cornfields shall pay a total of \$500 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Ecological. Ecological's counsel shall be responsible for delivering OEHHA's and Ecological's portions of any penalty payment made under this Settlement Agreement.

4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Cornfields shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Cornfields' attention. Cornfields shall pay Ecological's counsel \$15,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. **PAYMENT INFORMATION**

Within 10 business days of receipt of W-9s for the payees and the Effective Date, Cornfields shall make a total payment of Fifteen Thousand Five Hundred Dollars (\$15,500) for the civil penalties and attorney's fees / costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP via the wire transfer instructions provided separately for security.

Other than this payment, each side is to bear its own attorneys' fees and costs.

6. **RELEASE OF ALL CLAIMS**

6.1. **Release of Cornfields, Downstream Customers including Walgreens, and Upstream Vendors**

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, in its representative capacity, and on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against (a) Cornfields, (b) each of Cornfields' downstream distributors, wholesalers, vendors, licensors, licensees, auctioneers, retailers (including but not limited to Walgreens), franchisees, dealers, shareholders, cooperative members, customers, owners, purchasers, users, and (c) Cornfields' and Walgreens' parent companies, members, corporate affiliates, subsidiaries, and their respective officers, directors, attorneys, representatives, shareholders, agents, and employees, and sister and parent entities, and each of them (collectively "Releasces").

Ecological also, in its capacity, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees,

damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Cornfields and the other Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

**6.2. Cornfields Release of Ecological**

Cornfields waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed
