

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Triple Eight Distribution, LLC

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Ecological"), on the one hand, and Triple Eight Distribution, Inc. and Triple Eight Distribution, LLC (collectively, referred to herein as "Triple Eight"), on the other hand (Ecological and Triple Eight collectively are referred to herein as the "Parties.")

1.2. General Allegations

Ecological alleges that Triple Eight manufactured and/or distributed and/or offered for sale in the State of California products with cases for dry erase markers containing Di(2-ethylhexyl)phthalate [DEHP], and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed DEHP under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as cases for dry erase markers, including but not limited to UPC #604352040372 (Wipeout Dry Erase Helmet kit) and other similar products and kits, allegedly containing Di(2-ethylhexyl)phthalate [DEHP], that Triple Eight has sold, offered for sale, or distributed in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On June 7, 2021, Ecological served Triple Eight, Target Corporation, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that provided Triple Eight and such public enforcers with notice that Triple Eight was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to DEHP. To the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Triple Eight's compliance with Proposition 65. Specifically, Triple Eight denies the material factual and legal allegations contained in Ecological's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Triple Eight of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Triple Eight of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Triple Eight. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Triple Eight under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: WARNING

2.1. Warning

Products shall be accompanied by a warning as described in Section 2.2 below, no later than 180 days after the Effective Date. The warning requirements set forth in Section 2.2 below shall apply only to Products that are distributed, marketed, sold, or shipped for sale in the State of California. The Parties agree that Products shall be accompanied by a warning as described in Section 2.2 below unless the Product contains no more than 1,000 parts per million DEHP.

Products with less than 1,000 parts per million DEHP shall be considered compliant with Proposition 65. The warning requirement shall not apply to Products that are already in the stream of commerce or in the inventory stock of Triple Eight, its suppliers, or downstream distributors, or retailers as of the Effective Date, or that Triple Eight or its suppliers or downstream distributors or retailers place into the stream of commerce within 180 days of the Effective Date.

2.2. Warning Language

Where required, Triple Eight shall provide Proposition 65 warnings as follows:

- (a) Triple Eight may use any of the following warning statements in full compliance with this Section:

(1) **WARNING:** This product can expose you to DEHP, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more info go to www.P65Warnings.ca.gov.

(2) **WARNING:** Cancer and Reproductive
Harm – www.P65Warnings.ca.gov.

(b) If Triple Eight elects to use the warning statements identified in either 2.2(a)(1) or (2), it may also include a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline. Where the sign, label or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word

"WARNING."

(c) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations.

(d) If Proposition 65 warnings for DEHP should no longer be required, Triple Eight shall have no further obligations pursuant to this Settlement Agreement.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Triple Eight shall pay a total of \$1,000 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds to be remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty to be remitted to Ecological.

Ecological's counsel shall be responsible for delivering OEHHA's portion of any penalty payment made under this Settlement Agreement.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties reached an accord on the compensation due to Ecological and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Triple Eight shall reimburse Ecological's counsel for fees and costs, incurred as a result of investigating and bringing this matter to Triple Eight's attention. Triple Eight shall pay Ecological's counsel \$19,000 for all attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. PAYMENT INFORMATION

By August 10, 2021, Triple Eight shall make a total payment of Twenty Thousand Dollars (\$20,000) for the civil penalties and attorney's fees and costs by wire transfer to Plaintiff's counsel Custodio & Dubey LLP:

Bank: Bank of America, N.A.

Routing No.: 026009593

Other than this payment, each side is to bear its own attorneys' fees and costs.

6. RELEASE OF ALL CLAIMS

6.1. Release of Triple Eight, Downstream Distributors/Retailers, and Upstream Vendors

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Ecological, on behalf of itself, its past

and current agents, representatives, attorneys, successors and/or assignees, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims relating to the Products, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent (collectively "Claims"), against (a) Triple Eight, and (b) each of Triple Eight's downstream distributors, wholesalers, vendors, licensors, licensees, auctioneers, retailers (including but not limited to Target Corporation), franchisees, dealers, shareholders, cooperative members, customers, owners, purchasers, users, and (c) Triple Eight's parent companies, corporate affiliates, subsidiaries, and their respective officers, directors, attorneys, representatives, shareholders, agents, and employees, and sister and parent entities (collectively "Releasees").

Ecological also, in its capacity, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Triple Eight and the Releasees. Ecological acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS
THAT THE CREDITOR OR RELEASING PARTY DOES NOT
KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT
THE TIME OF EXECUTING THE RELEASE THAT, IF
KNOWN BY HIM OR HER WOULD HAVE MATERIALLY

AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR
OR RELEASED PARTY.

Ecological, in its capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

6.2. Triple Eight's Release of Ecological

Triple Eight waives any and all claims against Ecological, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Ecological and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Triple Eight shall have no further obligations pursuant to this Settlement Agreement.
