

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties

This Settlement Agreement is hereby entered into by and between Maureen Parker ("Parker") and Evelyn Wimberley ("Wimberley") on the one hand and A-MAZE-N Products, Inc. (A-MAZE-N) on the other hand. Parker, Wimberley and A-MAZE-N are collectively referred to as the "Parties" and each of them as a "Party." Parker and Wimberley are individuals residing in California who seek to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products.

1.2 Allegations and Representations

(a) Parker and Wimberley allege that A-MAZE-N is a person in the course of doing business for purposes of Proposition 65, Cal. Health & Safety Code § 25249.6 et seq., and has offered for sale in the State of California and sold in California the "A-MAZE-N Gel Firestarter" that when used as intended produces combustion byproducts carbon monoxide and soot, and that such sales have not been accompanied by Proposition 65 warnings. Carbon Monoxide and Soot are listed under Proposition 65 as chemicals known to the State of California to cause cancer and reproductive harm. Parker and Wimberley have cited the "A-MAZE-N Gel Firestarter" as a specific example of the Firestarters that are the subject of Parker's allegations as set forth in the 60-day Notice of Violation described in Paragraph 1.4 herein.

(b) A-MAZE-N does not admit and denies the material, factual, and legal allegations contained in the Notice described in Paragraph 1.4 herein, and maintains that all products sold, distributed, or offered for sale in California are in compliance with all laws, including, without limitation, Proposition 65.

(c) The Parties enter into this Settlement Agreement to resolve all Proposition 65 claims concerning the Covered Products (defined below) set forth in Parker's Notice described in Paragraph 1.4 herein, including claims against Tractor Supply, Inc. and any and all other

manufacturers, distributors, customers, retailers, and affiliates, who allegedly violated Proposition 65 by distributing the Covered Products in California.

1.3 Covered Products

The products that are covered by this Settlement Agreement are defined as, "A-MAZE-N Gel Firestarter" manufactured, distributed, sold, or offered for sale by A-MAZE-N in the State of California ("Covered Products").

1.4 Notice of Violation

On or about June 23, 2021 Parker served A-MAZE-N, MEECO Manufacturing Company, Inc., Tractor Supply Company and all public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" (the "Notice") that provided A-MAZE-N, MEECO Manufacturing Company, Inc., Tractor Supply Company and such public enforcers with notice that alleged that A-MAZE-N, MEECO Manufacturing Company, Inc., and Tractor Supply Company were in alleged violation of Proposition 65 for failing to warn consumers and customers that the Covered Products exposed users in California to carbon monoxide and soot. No public enforcer diligently prosecuted the claims alleged in the Notice within sixty days plus service time relative to the provision of the Notice to them by Parker.

1.5 No Admission

A-MAZE-N denies the material allegations contained in Parker's Notice and maintains that it has not violated Proposition 65. Nothing in this Settlement Agreement shall be construed as an admission by A-MAZE-N of any fact, finding, issue of law, or violation of law, or any other statutory, regulatory, common law, or equitable doctrine; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by A-MAZE-N of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by A-MAZE-N.
