

## SETTLEMENT AGREEMENT AND RELEASE

CA Citizen Protection Group, LLC (“**CCPG**”) and Ema Bell (“**BELL**”, and together with CCPG collectively, the “**Claimants**”), on the one hand, and Silhouette, LLC (“**Silhouette**”), on the other hand, enter into this Settlement Agreement and Release (this “**Agreement**”). This Agreement is effective on the date on which it is fully executed (“**Effective Date**”). Claimants and Silhouette are referred to individually as a “**Party**” and collectively as the “**Parties.**” The Parties agree as follows:

1. The “**Matter**” arises out of the following notices of violations:
  - a. Sixty-Day Notice of Intent to Sue for Violations of the Safe Drinking Water and Toxic Enforcement Act of 1986, codified under California Health & Safety Code (“**HSC**”) §§25249.5, *et seq.* (referred to as “**Proposition 65**”), that CCPG served on 3072541 Canada Inc., Kendall Jenner, Inc., T.J. Maxx of CA, LLC and The TJX Companies, Inc., on July 07, 2022 (filed as AG No. 2021-01639) (the “**CCPG Notice**”), with respect to two products sold by Silhouette and the other noticed parties, namely: (i) Kendall + Kylie Clear Tote Bag (the “**Tote Bag**”), and (ii) Kendall + Kylie Clear Blue Backpack (the “**Backpack**”), each in all styles and colors. The CCPG Notice claims that Proposition 65 warnings are required for alleged Di-(2-ethylhexyl) phthalate (“**DEHP**”) exposures to the Tote Bag and the Backpack tested by CCPG; and
  - b. 60-Day Notice of Violation of California Safe Drinking Water and Toxic Enforcement Act, that BELL served on Silhouette, Kendall Jenner, Inc., and The TJX Companies, Inc., on May 18, 2021 (filed as AG No. 2021-01113) (the “**BELL Notice**”, and together with the CCPG Notice, collectively referred to as, the “**Notices**”), with respect to the product “Kendall + Kylie tote/purse” (UPC# 194295038944) in all styles and colors (the “**Purse**”). The BELL Notice claims that Proposition 65 warnings are required for alleged Di-isodecyl phthalate (“**DIDP**”) exposures to the Purse tested by BELL.
  - c. The Purse, the Tote Bag and the Backpack products manufactured, distributed and/or sold by Silhouette in all styles and colors are collectively referred to herein collectively, as the “**Covered Products**”, and each a “**Covered Product**”.

2. The Parties enter into this Agreement in order to fully resolve all claims, demands, and allegations regarding the Matter and for the purpose of avoiding prolonged litigation. Nothing in this Agreement shall be construed as an admission of the Parties of any fact, issue of law, or violation of law, nor shall compliance with this Agreement constitute or be construed as an admission by the Parties of any fact, issue of law, or violation of law including but not limited to Proposition 65. Nothing in this Agreement or any document referred to shall be construed as giving rise to any presumption or inference of admission or concession by the Parties as to any fault, wrongdoing, or liability. This Section 2 shall not diminish or otherwise affect the obligations, responsibilities, and duties of the Parties under this Agreement.

3. DEHP and DIDP Standards; Warnings.

3.1 On and after the date that is ninety (90) days after the Effective Date, Silhouette shall not sell in the State of California any Covered Product which does not qualify as a Reformulated Covered Product under Section 3.3, unless such Covered Product complies with the warning requirements of Section 3.2.

3.2 On and after ninety (90) days after the Effective Date, Silhouette shall provide on the Covered Products (to the extent each does not constitute a Reformulated Covered Product or sold in California) a warning that complies with the requirements of Sections 3.2.1, 3.2.2, or 3.2.3. The warning shall be displayed on the packaging of such Covered Product with such conspicuousness, as compared with other words, statements, or designs so as to render it likely to be read and understood by an ordinary individual purchasing or using the Covered Product.

Respecting the warnings defined in Sections 3.2.1 or 3.2.2, the warning must be in a type size no smaller than the largest type size used for other consumer information on the products. In no case shall the warning appear in a type size smaller than 6-point type.

3.2.1 Option 1.

For the Covered Product, the warning may state:

 **WARNING: This product can expose you to chemicals, including Phthalates, which are known to the State of California to cause cancer, and birth defects or other reproductive harm. For more information, go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).**

3.2.2 Option 2.

For the Covered Product, the warning may state:

 **WARNING: Cancer and Reproductive Harm – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).**

The pictogram specified in Section 3.2.1 and 3.2.2 shall be in yellow with a black exclamation mark; *provided however*, the pictogram may be in white instead of yellow if the Covered Product label does not contain the color commonly referred to as yellow.

3.2.3 Option 3.

The Covered Product may also be affixed with any warning authorized by any Proposition 65 law or regulation in effect on or after the Effective Date.

3.3 Reformulated Covered Product. A Reformulated Covered Product is one for which the concentration of DEHP or DIDP is less than 0.1% by weight (1,000 parts per million (ppm)) as tested by an approved laboratory and methods in compliance with Section 3.4 below. For a Covered Product that contains (any part of the product/packaging) more than 0.1% by weight (1,000 ppm) DEHP or DIDP, Silhouette shall provide the warnings set forth in Section 3.2.

3.4. Formula, Testing and Quality Control Methodology.

3.4.1 For purposes of this Agreement, exposure levels shall be measured in parts per million (milligrams/kilogram or mg/kg) by generally accepted scientific standards. The testing requirements do not apply to any Covered Product for which Silhouette has provided a warning as specified in Section 3.2.

3.4.2 Silhouette shall not be required to engage in testing pursuant to this Agreement unless Silhouette sells into California any of the Covered Products without a warning as required herein. All testing pursuant to this Agreement shall be performed using a laboratory method that complies with any United States Environmental Protection Agency (“USEPA”) or California Environmental Protection Agency (“CAEPA”) approved testing method.

3.4.3 Unless warnings are affixed consistent with the requirements of Section 3.2, all testing pursuant to this Agreement shall be performed by an independent third-party laboratory approved by, accredited by, or registered with the CAEPA or USEPA. Testing shall be performed prior to Silhouette’s “first sale” in California of any Covered Product ordered for production after the Effective Date, and testing shall continue thereafter at least once per year for three (3) consecutive years after the Effective Date (the “**Testing Period**”), after which time, no further testing shall be required under this Agreement, unless, after the Testing Period, Silhouette changes suppliers for any Covered Product, then Silhouette shall test the Covered Product at least once after such change is made.

3.5 Silhouette and the “Releasees” (as defined in Section 5.1 below) shall have no obligation or liability with respect to Covered Products that are sold or distributed in California after the date of this Agreement and the Notice, except as otherwise set forth in this Agreement.

4. Silhouette shall pay the total settlement amount of Twenty-Seven Thousand Five Hundred dollars (\$27,500) (the “**Settlement Amount**”) as follows: (i) first payment of \$12,500 within ten (10) days of the Effective Date; (ii) second payment of \$7,500.00 within forty (40) days of the Effective Date; and (iii) third payment of \$7,500.00 within seventy (70) days of the Effective Date. Silhouette shall pay the Settlement Amount payments by wire transfer (via account wire instructions provided by CCPG’s counsel upon request), or check made payable to “*Khansari Law Corporation – Client Trust Account*” and sent via overnight (or Express mail) to the mailing address below on behalf of Claimants:

Khansari Law Corporation  
16133 Ventura Blvd., Suite 1200  
Encino, CA 91436

Claimants shall be solely responsible for allocating the payment pursuant to Sections 4.1 and 4.2. Upon request, CCPG’s counsel shall supply Silhouette with a completed W9 form on behalf of itself or Claimants, as applicable. The Settlement Amount shall be allocated as follows:

4.1. \$1,000 shall be considered a “civil penalty”, of which Claimants shall remit seventy-five percent (75%) to the “Safe Drinking Water and Toxic Enforcement Fund” managed by the State of California’s Office of Environmental Health Hazard Assessment. The twenty-five percent (25%) balance shall be remitted to Claimants in equal amounts.

4.2. \$26,500 shall be considered reimbursement of Claimants’ attorneys’ fees and costs related to the Matter and allocated in the amount of \$16,000 for CCPG’s legal fees and costs, and

\$10,500 for BELL's legal fees and costs.

4.3 Except as expressly set forth in Section 4, the Parties shall bear their own costs, expenses, and attorneys' fees related to this Matter.

5. Binding Effect; Claims Covered and Released.

5.1. Claimants, on behalf of themselves and their respective owners, principals, shareholders, officers, directors, employees, agents, parents, subsidiaries, successors, assigns, and legal representatives (collectively referred to as "**Claimants Releasors**") fully release and waive any right to participate (directly or indirectly) in any litigation against (a) Silhouette, and its respective equity owners, parents, subsidiaries, affiliates, sister and related companies, (b) its upstream suppliers, and all downstream entities in the stream of commerce including but not limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (including specifically, and without limitation, 3072541 Canada Inc., Kendall Jenner, Inc., T.J. Maxx of CA, LLC, and the TJX Companies, Inc.)(the entities identified in this subsection (b) are collectively referred to as "**Downstream Releasees**"), and (c) the employees, shareholders, officers, directors, members, managers, equity owners, insurers, attorneys, predecessors, successors, and assigns of any of the entities identified in subsections (a) and (b), above (the entities identified in subsections (a), (b) and (c), above, are collectively referred to as "**Releasees**") from all claims, actions, suits, demands, liabilities, damages, penalties, fees (including but not limited to attorneys' fees, investigator fees, and expert fees), costs, and expenses (collectively referred to as "**Claims**") that were asserted, or that could have been asserted, for any alleged violations of Proposition 65, or any other alleged violation of statutory or common law, arising from alleged exposures to DEHP or DIDP in the Covered Products.

5.2. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notices and relating to the Covered Products will develop or be discovered. Claimants on behalf of themselves and the Claimants Releasors, acknowledge that this Agreement is expressly intended to cover and include all such claims, including all rights of action therefore, and further acknowledges that the Claims released in this Section 5 may include unknown claims, and nevertheless waives California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Claimants acknowledge and understand the significance and consequences of this specific waiver of California Civil Code Section 1542.

5.3. The Parties agree that compliance with the terms of this Agreement shall constitute compliance by any Releasee with Proposition 65 regarding alleged exposures to DEHP or DIDP in the Covered Products.

5.4 It is the Parties' position that the commitments they have agreed to herein, and actions taken and to be taken by Silhouette under this Agreement, confer a significant benefit to the general public, as set forth in California Civil Procedure Code section 1021.5 and Cal. Admin. Code Title 11, section 3201. As such, to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Silhouette or any Releasee's failure to provide a warning concerning exposures to DEHP or DIDP with respect to the Covered Products they have respectively manufactured distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California; such private party action would not confer a significant benefit on the general public as to any of the Covered Products addressed in this Agreement, provided that Silhouette is in compliance with this Agreement. This subsection 5.4 does not constitute a release by Claimants under this Agreement.

6. Resolution of Disputes.

6.1 If either of the Claimants allege that Silhouette has failed to comply with this Agreement, prior to filing an action or motion relating to enforcement, either of the Claimants shall first provide Silhouette thirty (30) days' advance written notice of the alleged violation(s). Claimants shall provide testing results, lot numbers, photographs of the Covered Product(s), and purchase receipts for the Covered Product(s) at issue in the alleged violation, as applicable. The Parties shall meet and confer during such thirty (30) day period in an effort to reach agreement on an appropriate cure for the alleged violation without the need for litigation.

6.2 Notwithstanding the provisions of Section 3, Claimants may not issue any notice under Section 6.1 if the packaging of the Covered Product is marked or labeled with the statement "Not for Sale in California" or substantially similar language, such statement is prominently placed upon such Covered Product's label or other labeling as compared with other words or statements on the label or labeling as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. If Silhouette marks or labels a Covered Product with such a statement, Silhouette shall additionally notify its customers/distributors by letter that the Covered Product shall not be sold in California.

6.3 In the event any litigation, arbitration, mediation, or other proceeding is initiated by either of the Claimants to enforce this Agreement, the prevailing Party in such proceeding, shall be entitled to recover from the non-prevailing Party all costs, expenses, reasonable attorneys' fees and expert witness fees, relating to or arising out of (i) such proceeding, and (ii) any post judgment or post-award proceeding including without limitation to enforce any judgment or award resulting from any such proceeding.

7. This Agreement contains the entire agreement between the Parties with regard to settlement of this Matter, and supersedes all prior or contemporaneous agreements or understandings, written or oral, with regard to the matters set forth in this Agreement. This Agreement may be amended or modified in whole or in part at any time only by an agreement in writing executed by the Parties. Notwithstanding the foregoing, Silhouette shall be entitled, at its option, to modify any warning that it provides under Section 3.2 to conform with any change in the Proposition 65 warning regulations currently set forth in Title 27 of the California Code of Regulations that may be adopted after the Effective Date. Claimants shall cause this Agreement to be reported to the State of California Attorney General as required and applicable under Proposition 65 statutes, including specifically HSC § 25249.7.

8. This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective owners, principals, shareholders, members, managers, officers, directors, employees, agents, successors, assigns and Releasees.

9. No inference, assumption or presumption shall be drawn, and no provision of this Agreement shall be construed against any of the Parties, based upon the fact that one of the Parties and/or one of the Parties' attorneys prepared and/or drafted all or any portion of this Agreement. It is conclusively presumed that the Parties participated equally in the preparation and drafting of this Agreement.

10. This Agreement shall be deemed to have been entered into in the State of California and governed and interpreted by the laws of the State of California, regardless of the place of incorporation, place of business, domicile of any of the Parties or physical locations of the individuals executing this Agreement at the time of execution.

11. The Parties acknowledge that they have a right to consult an attorney and they have consulted their attorneys with respect to the terms and conditions of this Agreement or by signing this Agreement hereby acknowledge they have made the decision not to consult with an attorney in this Matter. The Parties further acknowledge that they fully understand this Agreement and the effect of signing and executing this Agreement.

12. Any legal action to enforce this Agreement or related to this Matter shall be brought in either the County of Alameda or the County of Los Angeles, of the State of California.

13. This Agreement may be signed in counterparts, and each counterpart, as well as any facsimile, e-mail (.pdf), copy of this Agreement, or any other counterpart, shall be deemed to be an original.

14. All notices required to be given to either Party under this Agreement shall be in writing and sent to the following recipients by (a) first-class mail or (b) overnight delivery, with a courtesy copy via email as indicated below.
